

REQUEST FOR QUALIFICATIONS (“RFQ”)
For
Phase I & II Professional Transit Design Engineering Services
(Category 2: Elevated Transit Station Design)
Replacement of the State/Lake Loop Elevated CTA Station

Requisition No. 191868
Specification No. 579313

Required for use by:
CITY OF CHICAGO
(Department of Transportation)

Issued by:
CITY OF CHICAGO
(Department of Procurement Services)

**RESPONDENTS MUST SUBMIT ONE (1) ORIGINAL AND FOUR (4) COPIES
& ONE (1) ELECTRONIC COPY IN PDF FORMAT ON A FLASH DRIVE AND ONE (1)
LABLED “REDACTED” COPY ON CD-ROM OF THE RESPONSE TO BE SUBMITTED**

All of the responses must be addressed and returned to:

Jamie L. Rhee, Chief Procurement Officer
Department of Procurement Services
City Hall-Bid & Bond-Room 103
121 N. LaSalle Street
Chicago, Illinois 60602

**ALL RESPONSES MUST BE RECEIVED BY 4:00 P.M. CENTRAL TIME ON
FEBRUARY 13, 2018**

Responses must be submitted in sealed envelope(s) or packages(s). The outside of the package or envelope must clearly indicate the project description, “**RFQ for Phase I & II Professional Transit Design Engineering Services – Replacement of the State/Lake Loop Elevated Station**”, the requisition & specification number, and the time and the date specified for receipt. The name and address of the Respondent must also be clearly printed on the outside of the envelope(s) or package(s).

RAHM EMANUEL
MAYOR

JAMIE L. RHEE
CHIEF PROCUREMENT OFFICER

Edward Anderson, Senior Procurement Specialist, (312) 744-6118

DEPARTMENT OF PROCUREMENT SERVICES

CITY OF CHICAGO

Dear Vendor:

Under the leadership of Mayor Rahm Emanuel, the City continues to identify ways contractors can be good corporate citizens, enhance the City's business community, and improve small businesses' chances of being successful City contractors. The City has several bid incentives and programs designed to benefit local businesses, small businesses and utilization thereof, and reward corporate responsibility and community awareness, including bid incentives for apprentice utilization, city-based businesses, city-based manufacturers, project-area subcontractors, veteran/small business joint ventures, and the use of alternatively powered vehicles, as well as the diversity credit program. Information about all of the City's programs and incentives can be found at www.cityofchicago.org/city/en/depts/dps/provdrs/comp.html.

One program that you may not be aware of is the City's Mentor-Protégé Program ("Program"). Under this Program, a prime contractor mentor is eligible to receive (1) a 1% bid incentive; and (2) an additional 0.5 percent participation credit for every one percent of the value of the contract performed by a subcontractor MBE/WBE protégé (in addition, instead of being mentored by the prime, can be mentored by a first-tier subcontractor), up to a maximum of five additional percentage points of utilization credit. The mentor and protégé must enter into a formal, written agreement that must be approved by the Chief Procurement Officer and that describes how the mentor-protégé relationship will develop the capacity of the MBE/WBE protégé firm to become self-sufficient, competitive, and profitable.

The Mentor-Protégé Program thus embodies two of the City's most important goals: fostering economic development through the growth of small businesses, and connecting our communities to one another through lasting relationships that may not otherwise have formed. We encourage you to make connections at pre-bids and other networking events, contact the assist agencies¹ for vendors specializing in the area of work you are looking to subcontract, and search our MBE/WBE directory online, with the hope that you will take advantage of this Program.

Please also review the following additional reminders about bidding, contracting, and compliance.

Please read Instructions for Bidders, Requests for Proposals and Requests for Qualifications carefully. We understand that government solicitations for bids, proposals and qualifications contain a lot of information and may have mandatory forms to complete. However, errors and omissions in your bids, proposals and qualifications cost both you and the City time and money, since non-responsive bids must be rejected. Rejected bids may result in your firm not getting the contract and increase the cost of work to the City.

If you have a question, ask us. The telephone number and e-mail address of the individual from DPS who is responsible for each solicitation is stated on the cover page of that solicitation. Call or write us – we are here to assist you. However, please keep in mind that in regards to bid solicitations, we must communicate answers to anything but the most general questions to all firms in the vendor pool. This is usually done via an addendum.

The City remains committed to the development and utilization of small, minority, women and disadvantaged owned businesses. In each bid solicitation, you receive a list of the City's registered assist

¹ For a list of assist agencies, visit www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/Forms/AssistAgenciesJune2016.pdf.

agencies. As you plan for meeting your MBE/WBE goals, remember to contact the assist agencies. They have members holding certification in a variety of disciplines. Please utilize them whenever you have contracting needs. In fact, contacting these agencies *well in advance of the bid opening date* is a requirement for demonstrating good faith efforts to obtain MBE/WBE participation if you request a reduction or waiver of goals.

All subcontractors must be approved by the Chief Procurement Officer. A contractor may not make any substitution for a previously approved subcontractor unless the substitution is acceptable to the Chief Procurement Officer. All requests to substitute subcontractors must be submitted on the appropriate form.

You must pay all subcontractors and suppliers within seven days of your receiving payment for that portion of the work from the City. Failure to pay your subcontractors within the seven-day time period may subject you to fines or other penalties.

Vendors are required to report payments to all subcontractors and suppliers in C2. The City's Certification and Compliance Management system, C2, allows prime contractors to report M/W/DBE utilization quickly and efficiently through a web-based format while simultaneously allowing subcontractors the ability to confirm payment activity.

EDSs must be kept up to date. Vendors are required to fill out an Economic Disclosure Statement ("EDS") prior to award of a contract. Until final completion of the project, you must provide, without need for request by the City, an updated EDS if there is any change in ownership or change in any other circumstance that would render the EDS then currently on file inaccurate or obsolete. Failure to provide an updated EDS when required is an event of default.

Persons who lobby City government are required to register as a lobbyist with the Board of Ethics and submit activity reports every quarter. For more information regarding this requirement, please contact the City of Chicago Board of Ethics. Information about the Board may be found at www.cityofchicago.org/ethics.

Check the Debarred Vendor List. Prior to submitting a bid, or for existing contracts, a request for approval of subcontractors, you must check the list of debarred vendors to make sure that you are not proposing the use of a firm that is ineligible to do business with the City. The list of vendors ineligible to do business with the City may be found at www.cityofchicago.org/city/en/depts/dps/provdrs/debarred_firms_list.html.

Comply with prevailing wage and minimum wage requirements. Pursuant to the Illinois Prevailing Wage Act, (or Davis Bacon Act for federally funded contracts), contractors and subcontractors must pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed and, no later than the tenth day of each calendar month, file a certified payroll for the immediately preceding month with the public body in charge of the project. Additionally, pursuant to Mayoral Executive Order 2014-1, the minimum wage* must be paid to all employees regularly performing work on City property or at a City jobsite, and all employees whose regular work entails performing a service for the City under a City contract. For more information about the prevailing wage, visit www.illinois.gov/dol/Laws-Rules/CONMED/Pages/prevailing-wage-rates.aspx. For a copy of Mayoral Executive Order 2014-1 regarding minimum wage, visit www.cityofchicago.org/content/dam/city/depts/dps/RulesRegulations/ExecutiveOrderNo2014-1.pdf.

Comply with the United States Department of Labor Occupational Safety & Health Administration ("OSHA") laws and regulations. Under the Occupational Safety and Health Act, employers are responsible for providing a safe and healthful workplace. OSHA's mission is to assure safe and healthful workplaces by setting and enforcing standards, and by providing training, outreach, education and assistance. Employers must comply with all applicable OSHA standards. Employers must also comply with the

General Duty Clause of the OSH Act, which requires employers to keep their workplace free of serious recognized hazards. For more information, visit www.osha.gov/law-reg.html.

Comply with the Multi-Project Labor Agreement ("PLA"). The City is a signatory to the PLA, which applies to all contractors and subcontractors of any tier performing construction work, including construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago. See the relevant sections of the bid specification for more information.

Assistance in meeting the City's requirements for project area labor is available through the Chicago Cook Workforce Partnership. On construction projects of \$100,000 or more, at least 50% of the total hours worked must be provided by City residents, and at least 7.5% of the hours worked must be provided by residents of the project area. The City and Cook County have partnered to provide job training and collaborate with unions, among other workforce development initiatives. For more information and to request assistance with complying with Chicago residency and project area residency requirements, visit www.workforceboard.org/businesses or call (312) 603-7066.

Schedule Cs must reflect the agreement between the subcontractor and the prime contractor. A subcontractor's signature on the Schedule C means it has agreed to the scope and price of work that is described therein. We strongly caution against subcontractors signing and sending blank Schedule Cs to prime contractors.

Pay at least the applicable wage rate, and note the requirements of the paid sick leave ordinance. On December 2, 2014, the City Council of the City of Chicago passed a new chapter of the Municipal Code, 1-24, specifying a minimum wage to be paid to all workers within the City of Chicago – not just employees of City contractors – effective July 1, 2015. For work performed on City contracts, a Contractor must pay the highest of (1) prevailing wage/Davis-Bacon rate, if applicable; (2) minimum wage specified by Mayoral Executive Order 2014-1*; (3) "Living Wage" rate specified by MCC Sect. 2-92-610; (4) Chicago Minimum Wage rate specified by MCC Chapter 1-24*; or (5) the highest applicable State or Federal minimum wage. In addition, § 1-24-045, Paid Sick Leave, which was passed in 2016, requires all employers of employees performing work in the City to provide paid sick leave, **effective July 1, 2017.**

Note that there are different types of waivers of lien. A *Conditional Waiver and Release Upon Progress Payment* is used when the claimant is required to sign a waiver and release in exchange for, or in order to, induce a progress payment, and the claimant has not yet been paid. A *Conditional Waiver and Release Upon Final Payment* is used when the claimant is required to sign a waiver and release in exchange for, or in order to induce a final payment, and the claimant has not yet been paid. Remember, any outstanding balance that is owed to the claimant or retainage held should be noted in the balance section of the waiver of lien. An *Unconditional Waiver and Release Upon Progress Payment* is used when the claimant is required to sign a waiver and release in exchange for, or in order to, induce a progress payment, and the claimant asserts in the waiver that he or she has received the progress payment. An *Unconditional Waiver and Release Upon Final Payment* is used when the claimant is required to sign a waiver and release in exchange for, or in order to, induce a final payment and the claimant asserts in the waiver that he or she has received the final payment.

Please take a moment to fill out the optional survey that follows this letter to help us gain a better understanding of your firm. Thank you for your attention to these important matters, and we look forward to partnering with you on future City contracts.

Sincerely,

Jamie L. Rhee
Chief Procurement Officer

*For the most up-to-date wage rate information, visit www.cityofchicago.org/city/en/depts/dps/provdrs/comp.html.

PLEASE NOTE: Do not return this survey with your bid, as it is optional and does not affect the evaluation of your bid. If you choose to complete the survey, please fax it to 312-744-0010 or email it to dps.feedback@cityofchicago.org.

'Vendor Name ("Vendor"): _____

Date: _____

- (1) Does Vendor have a formal tracking and reporting system of energy/utility/waste/water usage to identify trends and unusual fluctuations and usage?

- (2) Does Vendor have an awareness program for energy conservation that includes regular communication to employees about avoiding wasteful practices and encourages turning off lights and other devices when not in use?

If so, are reminder signs posted in appropriate locations? _____

- (3) Has a policy or practice been adopted to avoid or prohibit the use of high energy-consuming outdoor advertising (such as LED billboards)?

- (4) Are employees instructed to shut down personal computers at the end of each work period?

Are computers set to turn off monitor, hard drive, or go on standby after 30 minutes or less of inactivity, or are network/system controls used to minimize energy use in idle work stations?

- (5) Are supplies and cleaning products chosen based on a goal of minimizing harmful or hazardous contents?

(6) Is preference given whenever practicable to local suppliers and products produced locally or regionally?

(7) What percentage of Vendor's full-time employees identify as:

- a. White _____ %
- b. Black or African-American _____ %
- c. Hispanic _____ %
- d. Asian _____ %
- e. Other _____ %

(8) What percentage of Vendor's full-time employees identify as:

- a. Male _____ %
- b. Female _____ %

REQUEST FOR QUALIFICATIONS (RFQ)
FOR
PHASE I & II PROFESSIONAL TRANSIT DESIGN ENGINEERING SERVICES
REPLACEMENT OF THE STATE/LAKE LOOP ELEVATED STATION

I. GENERAL INVITATION

A. INTRODUCTION

The City of Chicago ("City"), acting through its Chicago Department of Transportation ("CDOT" or "Department"), and pursuant to this Request for Qualifications ("RFQ") invites the submission of Qualifications ("Response") for **Phase I & II Professional Transit Design Engineering Services for Replacement of the State/Lake Loop Elevated Station** studies as further described in this RFQ, ("the Services"). The intent of RFQ is to identify a qualified Respondent (as defined below) having demonstrated experience, expertise and resources to provide the Services as further described in the Scope of Services.

The City intends to award an Agreement ("Agreement") to a Consultant (as defined below) pursuant to this RFQ solicitation for a base contract period of **five (5) years**. Services will begin upon execution and award of the Agreement. If the City requires extended Phase I or Phase II services for this project, an amendment to the Agreement may be executed.

This RFQ is open to all qualified respondents that have been prequalified by CDOT and the City Department of Procurement Services ("DPS") in Architectural and Engineering Transit Category 2: Elevated Transit Station Design, or IDOT specialized area for Structures (Highway: Advanced Typical), and/or Structures (Railroad). The list of prequalified companies can be found here:

https://www.cityofchicago.org/city/en/depts/cdot/provdrs/construction_information/svcs/contracts_and_requestsforproposals.html

Respondents must include their company's current prequalification letter from DPS for Category 2 Elevated Transit Station Design/ or IDOT prequalification letter for Structures (Highway: Advanced Typical), and/or Structures (Railroad) in their Response package.

Respondents who are not currently prequalified may, prior to or concurrent with their Response, submit a prequalification to ("DPS")/ or IDOT. Evidence of their prequalification submittal to ("DPS") or IDOT [in the relevant categories] **must be included** in their RFQ Response package. Information regarding "DPS" / or IDOT prequalification program can be found here:

https://www.cityofchicago.org/city/en/depts/dps/provdrs/contract/svcs/current_bid_opportunities.html

<http://www.idot.illinois.gov/doing-business/procurements/engineering-architectural-professional-services/index>

<http://idot.illinois.gov/Assets/uploads/files/Doing-Business/Manuals-Guides-&-Handbooks/Highways/Design-and-Environment/Description%20and%20Minimum%20Requirements.pdf>

"Respondent(s)" means the entity(ies) that submit a "Response" to this RFQ. The Respondent(s) awarded an Agreement pursuant to this RFQ, if any, are sometimes referred to herein as "**Consultant(s)** or "**DC.**"

CDOT Designated Project Managers ("CDOT PMs") will be the point of contact for the Consultant(s). CDOT PMs will monitor progress of the services, oversee schedule and budget allowances and provide guidance and support to the Consultant. Notwithstanding such support, responsibility for the successful completion of the Services remains with Consultant.

The services contemplated are professional in nature. It is understood that the selected Respondent(s) acting as an individual, partnership, corporation or other legal entity, will be of professional status, licensed to perform the Services in the State of Illinois and licensed for all applicable professional discipline(s) requiring licensing in order to provide the Services and will be governed by professional ethics in its relationship to the City. It is also understood that all reports, information, or data obtained, prepared or assembled by the Respondent(s) in connection with the performance of the Services will be confidential in nature and will not be made available to any individual or organization, except the City, without the prior written approval of the City.

The Respondent(s) must be financially solvent as required to provide the Services and each of its members if a joint venture, its employees, agents or sub-consultants of any tier shall be competent to perform the Services required under this RFQ and the Agreement.

B. Invitation

The City of Chicago invites the submission of Responses to this RFQ.

If your firm has demonstrated experience in Professional Engineering Services under CDOT/ or IDOT prequalification "Categories" as further described in the Scope of Services, and you are interested in making your services available to the City, you are invited to respond to this RFQ.

One (1) **Original**, Four (4) **Copies** and One (1) **Electronic Copy in PDF format on a Flash Drive** and One (1) **Labeled "Redacted" Copy** of your "Response" on CD must be signed by an authorized representative, enclosed in sealed envelope(s) or package(s), addressed and submitted to the Office of the Chief Procurement Officer, Bid & Bond, Room 103, 121 North LaSalle Street, City Hall, Chicago, Illinois 60602; if hand carried, place in the depository located in the Bid & Bond Room at City Hall, Room 103 by **4:00 p.m., Central Time on February 13, 2018.** Copy 1 of 5 must be marked **ORIGINAL**. The outside of each envelope or package must be labeled:

**"RFQ for Phase I & II Professional Transit Design Engineering Services
Replacement of the State/Lake Loop Elevated Station"
"Requisition No. 191868 ~ Specification No. 579313"**

CAUTION: Late Submittals – When Responses are delivered by mail or messenger to the Chief Procurement Officer, the Respondent is responsible for their delivery **BEFORE** the due date and time. If delivery is delayed beyond the date and hour set for the receipt of Responses. Responses so delayed

will not be considered and will be returned unopened at the expense of the Respondent. Only the City's Chief Procurement Officer, at her sole discretion, will determine whether to accept a Submission received after the due date and time.

Any false statement(s) made by the Respondent(s) will void the response and eliminate the Respondent(s) from further consideration.

For procurement information, contact Edward Anderson, Senior Procurement Specialist, at (312) 744-6118. For Request for Qualifications ("RFQ") document, call the Bid & Bond Room at (312) 744-9773.

1. Downloadable Document

Respondents that download this RFQ from the City's website: www.cityofchicago.org/bids, instead of picking it up in person from the City of Chicago's Bid and Bond Room, are responsible for checking the City of Chicago's website for clarifications and/or addenda. Failure to obtain clarifications and/or addenda from the City's website will not relieve the Respondent from being bound by any additional terms and/or conditions in the clarification and/or addenda. The City will not be responsible for a bidder's failure to consider additional information contained therein in preparing its Response.

If the RFQ is downloaded from the City of Chicago's website instead of picking it up in a hard copy paper form from the City's Bid and Bond Room, the Respondent must contact the Department of Procurement Services, Bid & Bond Room by email at bidandbond@cityofchicago.org, referencing **Specification No. 579313** to register Respondent's company as an RFQ document holder, which will entitle Respondent to receive any future clarifications and/or addendum related to this RFQ.

Important Note: If a firm is at least 50 miles from Chicago, a representative of the firm may request from Bid & Bond Room personnel that a copy is mailed to the firm. Respondents may request the Bid & Bond Room personnel to mail them a copy of the RFQ by faxing the Bid & Bond Room a completed Federal Express Airbill or make arrangements with Bid & Bond Room personnel to have a package ready for pickup by another courier service. The City of Chicago accepts no responsibility for the timely delivery of materials, and Respondents are solely responsible for acquiring necessary information, addenda and/or materials.

Any harm to the Respondent resulting from such failure to obtain all necessary documents will not be valid grounds for a protest against award(s) made under this RFQ.

2. Submission of Questions or Requests for Clarifications

Respondents must communicate only with the Department of Procurement Services. All questions or requests for clarification must be in writing, sent by email, and directed to the attention of Edward Anderson, Senior Procurement Specialist, at (312) 744-6118, edward.anderson@cityofchicago.org, Department of Procurement Services, Room 806, City Hall and must be received no later than 4:00 p.m. Central Time, on January 31, 2018. The Subject line of the email must clearly indicate that the contents are "Questions and Request for Clarification" about the RFQ, and are "Not a Response" and must refer to "**RFQ for Phase I & II Professional Transit Design Engineering, Replacement of the State/Lake Elevated Station."**

No telephone calls will be accepted unless the questions are general in nature. A Respondent that deviates from any of these restrictions may be subject to immediate disqualification from this RFQ process.

3. Protests

The Respondent must submit any protests or claims regarding this solicitation to the office of the City's Chief Procurement Officer located at City Hall, Room 806, 121 N. LaSalle Street, Chicago, Illinois 60602. A pre-submittal protest must be filed no later than 5 days before the due date. A pre-award protest must be filed no later than 10 days after the due date, and a post-award protest must be filed no later than 10 days after the award of the contract.

All protests and claims must set forth the name and address of the protester, the specification number, the grounds for the protest or claim and the course of action that the protesting party desires that the Chief Procurement Officer take. Copies of the Protest Procedures are available in the Bid and Bond Room.

4. Terms of Service

It is anticipated that the initial contract term will be five (5) years starting on the date on which a contract is awarded by the City. The optional contract extensions may be entered into if the City decides that such extension(s) are in the best interest of the City, and if the Contractor agrees to the extension(s).

5. Insurance Coverage

For award of a contract, the successful Respondent will be required to provide the City with proof of the insurance coverage specified in Exhibit 4 of this RFQ. Also, a written, signed statement on company letterhead that: Railroad Protective Liability Coverage will be obtained if the work requires it.

The City of Chicago, Directory of Certified Minority Business Enterprises and Women Business Enterprises and Disadvantaged Business Enterprises is available in the Bid & Bond Room, Room 103, City Hall, 121 North LaSalle Street, Chicago, Illinois 60602 or call (312) 744-9773.

The Chief Procurement Officer reserves the right to reject any submittal that deviates from the submittal requirements. No additional or missing documents will be accepted after the due date and time except as may be requested by the Chief Procurement Officer.

COLLECT CALLS NOT ACCEPTED

II. SUBMITTAL REQUIREMENTS

- A. **Format.** Responses must be prepared on standard 8^{1/2} x 11" letter size, recycled paper (with no less than 20% post-consumer content), printed double sided and bound on the long side. It is the City's policy to encourage the use of reusable, recycled and chlorine-free printed materials in the submittal of all bids, proposals, report's and other documents prepared in connection with this solicitation. Expensive papers and bindings are discouraged since no materials will returned. Of the 4 copies submitted, at least one complete set of submittal materials must contain original signatures and be marked **ORIGINAL**.

Sections should be separated by labeled tabs or page dividers and organized in accordance with these Submittal Requirements (Section ____ Tab: ____).

Respondents must adhere to the submittal requirements. Failure to comply with the instructions of this RFQ may be cause for rejection of submittals. The Chief Procurement Officer represents and acts for the City of Chicago in all matters pertaining to this RFQ and any Agreement(s) that may be awarded in conjunction with it. The Chief Procurement Officer reserves the right to reject any or all responses to this RFQ and to disregard any informality in the submittal, when in his opinion the best interest of the City will be served. The City of Chicago reserves the right to accept any submittal and/or any part or parts of them and/or reject any or all submittals.

B. **Contents**

1. **Cover Letter.**
 - a. A cover letter signed by an authorized representative of the Respondent. The cover letter must contain a commitment to provide Professional Transit Design Engineering Services Replacement of the State/Lake Elevated Station. Proposers submitting for more than one project within the RFQ must demonstrate the ability to do more than one project with separate teams, or demonstrate efficiencies within a team. Include the contact person for this RFQ, their phone number, and email address.
 - b. **A statement that the Respondent has read and reviewed the City's Standard Terms & Conditions and takes no exceptions.**
 - c. Executive summary. Respondent must provide an executive summary which explains its understanding of the City's intent and objectives and how their Qualifications would achieve those objectives. The summary must discuss Respondent's plan for implementing and monitoring services; project management approach and methodology, capacity to perform; strategies for coordinating all services for each proposed category as outlined in Exhibit 1 of this RFQ, tools and safeguards ensuring performance of all required services; software and firmware considerations; training and on-going support and any additional factors for the City's consideration. A brief narrative must delineate the general understanding of the project and the approach/methodology Proposer is proposing to complete the

required Services. Please reference projects of comparable size, scope and magnitude where the above proposed approach/methodology were successfully implemented.

Section 1-Tab: A (Respondent)

2. Qualifications of the Respondent

Describe current any previous experience on projects of similar type scope and magnitude as outlined in the Scope of Services for Phase I & II Professional Transit Design Engineering Services Replacement of the State/Lake Elevated Station. Complete Forms A, "Related Experience of Firm" by providing reference information including name, address and telephone number of contact person.

Submitted projects must include project title, project duration, project location, total dollar value of the project, total fee received by the firm and a brief description of the project, including project fund source (i.e., federal, state or local funds). Provide a statement regarding the role played by your firm in a project as a Prime Contractor or Subcontractor (e.g. joint venture partner, subcontractor or supplier) and the name of the Key Personnel involved in the project. Experience will not be considered unless complete reference data is provided.

Section 2-Tab: A (Respondent)

Section 2-Tab: B (Team Member/Subcontractor)

3. Qualifications and Experience of Key Technical Personnel and Key Support Personnel.

Submit chronological resumes or corporate personnel profiles with past experience for each of the key technical personnel and key support personnel committed to the project(s), and a statement regarding their local availability. Include Project Managers. Resumes must describe previous related experience. Provide references including: name, address and telephone number of the contact person; and a brief description of the project(s). Also provide any professional certifications, accreditation, special licensing or other qualifications, which qualifies the professional to perform in the designated area of responsibility. Professional Engineers ("PE") and Licensed Architects must be registered in the State of Illinois to perform in their areas of expertise.

For each proposed key personnel, complete Form B "Related Experience of Key Personnel" (preferably related to each of the referenced projects in Form A).

Section 3-Tab: A Project (Respondent)

Section 3-Tab: B Project (Team Member/Subcontractor)

4. Key Technical Personnel and Key Support Personnel Responsibility Matrix and Local Availability.

Provide a Key Technical Personnel and Key Support Personnel Matrix by using Form D to indicate qualified persons of sufficient manpower who will participate

in their respective areas of expertise and which person will have prime responsibility for the task(s). Indicate who would assume the position and responsibilities as requested on the matrix and any additional specialized personnel to accomplish the requirements as shown in the Scope of Services. Personnel commitments must be indicated with current and projected projects, level of effort and expected completion. Complete Form C, "Current and Future Commitments of Key Personnel," and Form D, "Key Technical Personnel and Key Support Personnel Responsibility Matrix" found in Exhibit 2.

Section 4-Tab: A Project (Respondent)

Section 4-Tab: B Project (Team Member/ Subcontractor)

(**Note:** The City will not pay relocation fees for designated Key Personnel assigned to the project who are not locally available.)

5. Organizational Chart.

Submit an organizational chart for the various areas of work represented in the Scope of Services by the Respondent and its Team Members. The organizational chart must show the firm, Professional Engineer(s), Licensed Architects, key managers and other staff. The organizational chart must show the firm, level and areas of responsibility for the various components to carry out the goals of the services.

Section 5-Tab: A Project (Respondent)

6. Financial Capacity of the Respondent.

Provide a copy of the audited financial statements for the 3 previous years and last quarterly report. Statements must include auditor's notes, balance sheet and a statement on income/loss. Each prime or joint venture partner must submit this information. If a Respondent submits the audited statements of its parent organization, pro forma statements must accompany such audited statements for the Respondent. If the Respondent possesses a Statement of Financial Capacity by the City or IDOT, please include a copy of the certificate. A single copy may be submitted in a sealed envelope "Confidential Financial Information" and include confidentiality statement below if desired. The City reserves the right to accept or reject **alternate** financial statements/information.

Section 6-Tab: A (Respondent)

7. Listing and brief description of all legal actions for the past 5 years in which the firm or any team member has been:

- A debtor in bankruptcy; or
- A defendant in a legal action for deficient performance under a contract or in violation of a statute or related to service reliability; or

- A respondent in an administrative action for deficient performance on a project or in violation of a statute or related to service reliability; or
- A defendant in any criminal action; or
- A principal in any action taken against an insurance or bonding company of the firm or of a team member

Section 7-Tab: A (Respondent)

8. **Commitment to DBE Goals.** The City desires a quality, relevant proposed DBE utilization plan. Plans that have established a team structure that affords DBE firms an equity position with the prime-contracting entity, and/or incorporates other capacity-building or innovative-utilization initiatives are encouraged. Provide a plan delineating the various anticipated categories and/or disciplines of work/services to be provided by DBE firms. Provide the names and qualifications for the prospective DBE firms that you plan to use to fulfill the minimum participation goals of **26% DBE** for the project. Respondents are required to provide a written statement of their commitment to meet the DBE requirements and submit a DBE compliance plan.

Section 8-Tab: A Project (Respondent)

9. **Economic Disclosure Affidavit.**

The Respondent must complete and execute the Economic Disclosure Affidavit in Exhibit 4.

Section 9-Tab: A (Respondent)

10. **Respondent Pre-Qualification.** Respondents to this RFQ must be currently pre-qualified in the applicable Project Category(s) and must submit evidence of their Pre-Qualification by submitting their company's current prequalification from DPS for Category 2 Elevated Transit Station Design or IDOT prequalification letter for Structures (Highway: Advanced Typical), and/or structures (Railroad) to the City in their Response package.

Section 10-Tab: A (Respondent)

11. **Labeled “Redacted” Copy of Submission on CD-ROM.**

III. EVALUATION CRITERIA

The Evaluation Committee will review the Responses in accordance with the following criteria:

A. Professional and Technical Competence as evidenced by:

1. The professional qualifications and experience of the Respondent necessary for the satisfactory performance of Phase I & II Professional Transit Design Engineering Services Replacement of the Lake/State Elevated Station.
2. The verifiable present and past performance of the firm(s) as prime contractors on other contracts in terms of quality of services and compliance with performance schedules. The Committee may solicit, from current past clients including the City of Chicago, other government agencies or any available sources, relevant information concerning the record of past performance of the firm(s)
3. Professional qualifications and specialized experience of Key Personnel and Key Support Personnel committed to provide Phase I & II Professional Transit Design Engineering Services Replacement of the Lake/State Elevated Station

B. Local Availability of Key Technical Personnel and Support Personnel assigned to the Project(s) including the current and future commitments of all key and support personnel.

C. Organization Plan and structure submitted to accomplish the goals and objectives of services.

D. Legal Actions within the last 5 years

E. Capacity to perform the Services within a reasonable time.

F. Commitment to meet the DBE goals. Project goals are 26% DBE.

G. Compliance with the City of Chicago Economic Disclosure Statement and Affidavit.

Each criterion will be graded on a scale from one (1) to five (5) with five being the highest. The most qualified Respondent will have the highest score summing all criterions.

IV. SELECTION

An Evaluation Committee, which will include representatives of the Department of Transportation, and any designated representatives of the Commissioner, will review the submittals in accordance with the Evaluation Criteria (see Section III) and the Submittal Requirements (see Section II). Department of Procurement Services will oversee the process. The Committee may recommend to the Commissioner a short list of Respondents who may, at the Commissioner's discretion, be invited to interview, make oral presentations or provide clarification to their submittal. Afterwards, the Committee will complete its evaluation and submit its recommendation(s) to the Commissioner. The Commissioner will make the final selection and recommend that the Chief Procurement Officer authorize negotiations with the selected firm.

The City reserves the right to seek clarification of information submitted in response to this RFQ and/or request additional information during the evaluation process. The Chief Procurement Officer reserves the right to accept or reject any or all submittals when it is determined, by the sole discretion of the Chief Procurement officer, to be in the best interest of the City of Chicago.

Nothing in this RFQ is intended to, nor operates to, limit or otherwise constrain the authority, powers, and discretion of the Chief Procurement Officer as set forth in the Municipal Purchasing Act for Cities of 500,000 or More in Population, 65 ILCS 5/8-10-1 et.seq., as amended, and in the Municipal Code of the City of Chicago, as amended.

Cancellation. The City reserves the right, after advertisement of the RFQ, to refine the scope of services, with appropriate notice. Further, if, upon receipt of proposals, the City wishes to make refinements to the scope of services it may, depending upon the circumstances, provide the revision to all respondents and invite revised proposals from the respondents based upon the revised scope of services.

The City reserves the right to terminate or cancel this procurement at any stage if the Chief Procurement Officer determines it to be in the best interest of the City. In no event will the City be liable to Proposers for any cost or damages incurred by Proposers or other interested parties in connection with the procurement process, including but not limited to any and all costs of preparing the RFQ and participation in any conferences, oral presentations or negotiations.

V. TRANSPARENCY WEBSITE, TRADE SECRETS

Consistent with the City's practice of making available all information submitted in response to a public procurement, all responses to RFQs, any information and documentation contained therein, any additional information or documentation submitted to the City as part of this solicitation, and any information or documentation presented to City as part of negotiation of a contract or other agreement may be made publicly available through the City's website.

However, Respondents may designate those portions of its response which contain trade secrets or other proprietary data ("Data") which Respondent desires remain confidential.

To designate portions of a response as confidential, Respondent must:

- A. Mark the cover page as follows: "This response includes trade secrets or other proprietary data."
- B. Mark each sheet or Data to be restricted with the following legend: "Confidential: Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this bid."
- C. **Provide a CD-ROM with a redacted copy of the entire submission in .pdf format** for posting on the City's website. Respondent is responsible for properly and adequately redacting any Data which Respondent desires remain confidential. If entire pages or sections are removed, they must be represented by a page indicating that the page or section has been redacted. **Failure to provide a CD-ROM with a redacted copy may result in the posting of an un-redacted copy. Indiscriminate labeling of material as "Confidential" may be grounds for deeming a bid as non-responsive.**

Indiscriminate labeling of material as "Confidential" may be grounds for deeming a response as non-responsive.

All responses submitted to the City are subject to the Freedom of Information Act. The City will make the final determination as to whether information, even if marked "confidential," will be disclosed pursuant to a request under the Freedom of Information act or valid subpoena. Respondent agrees not to pursue any cause of action against the City with regard to disclosure of information.

VI. SUBMITTAL DUE DATE AND TIME

Responses must be received by the Chief Procurement Officer at the address shown in the RFQ up to the date and time shown here. It is the Responder's sole responsibility to see that the Response is received as stipulated. The Chief Procurement Officer may leave unopened any Responses received after the date and time set for receipt of the Responses. The time for the deadline of the Responses will be determined solely by the clock located in the Bid & Bond Room. Any such unopened Responses will be returned to the Responder at the Responder's expense. Responders are responsible for the timely delivery of the submittal documents. Failure by a messenger delivery service or printing service to meet the deadline does not relieve the Responder of the deadline for submittal of the Response. Submittal packages must be complete and contain the number of copies shown in the RFQ document. The Chief Procurement Officer reserves the right to reject any Responses which deviates from the Submittal Requirements. No additional or missing documents will be accepted after the due date and time except as may be requested by the Chief Procurement Officer.

ONE (1) ORIGINAL and FOUR (4) COPIES of the response are to be submitted in a sealed envelope no later than 4:00 P.M., Central Time on **February 13, 2018** to:

Jamie L. Rhee, Chief Procurement Officer
Department of Procurement Services
Bid & Bond Section
City Hall-Room 103
121 N. LaSalle Street
Chicago, IL 60602

The outside of each envelope or package must be labeled as follows:

**"RFQ for Phase I & II Professional Transit Design Engineering Services
Replacement of the State/ Lake Elevated Station
Requisition No. 191868 ~ Specification No. 579313"**

Due 4:00 P.M., February 13, 2018

(Name of Respondent)

Package ____ of ____

(Note: 1 of 5 must contain signatures and be marked ORIGINAL)

VII. CONFIDENTIALITY

Responses to this RFQ become the exclusive property of the City of Chicago. All documents submitted in response to this RFQ may be regarded as public records and may be subject to disclosure. Protection from disclosure generally applies to those elements in each submittal which are marked as "Trade Secret," "Confidential" or "Proprietary." During the course of the submittal evaluation process or the course of the project, the Chief Procurement Officer will accept materials clearly and prominently labeled "Trade Secret," "Confidential" or "Proprietary" by the Respondent or other submitting party. The Chief Procurement Officer will not advise as to the nature of the content of the documents entitled to protection from disclosure, or as to the definition of trade secret, confidential or proprietary information. The Respondent or other submitting party is solely responsible for all such determinations made by it, and for clearly and prominently marking each and every page or sheet of materials with "Trade Secret," "Confidential" or "Proprietary" as it determines to be appropriate. Respondents that indiscriminately identify all or most of their submittal as protected from disclosure without justification may be considered non-responsive.

The Chief Procurement Officer will endeavor to advise the Respondent of any request for the disclosure of material so marked as "Trade Secret," "Confidential" or "Proprietary," and will give the Respondent or other submitting party the opportunity to seek a court order to protect such materials from disclosure. If a party other than the Respondent submitted the requested material, the Respondent is solely responsible for notifying the submitting party of the request. The City's sole responsibility is to notify the Respondent of the request for disclosure, and the City will not be liable for any damages arising out of such disclosure, whether such disclosure is deemed required by law, by an order of court or administrative agency, or occurs through inadvertence, mistake or negligence on the part of the City of Chicago or its officers, employees, contractors or subcontractors.

In the event of litigation concerning the disclosure of any material submitted by the Respondent, the Respondent or other submitting party is responsible for prosecuting or defending any action concerning the materials at its sole expense and risk. If the City of Chicago is required to participate in such an action, the Respondent agrees to defend and indemnify the City of Chicago for any and all damages and costs arising in connection with the action (including but not limited to, reasonable attorneys' fees).

Title VI Solicitation Notice

The City, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

The City reserves the right, after advertisement of the RFQ, to refine the scope of services, with appropriate notice. Further, if, upon receipt of proposals, the City wishes to make refinements to the scope of services, it may, depending upon the circumstances, provide the revision to all respondents and invite revised proposals from the respondents based upon the revised scope of services.

EXHIBIT I

SCOPE OF SERVICES

CDOT seeks Phase I & II Design Engineering and Architectural Services to prepare and complete Phase I & II plans, specifications, cost estimates and presentation materials for the construction of a new architecturally prominent and signature Lake Street Loop Elevated CTA Station.

The Consultant will initially be tasked with analyzing the location for the new station as it relates to existing facilities at State/Lake and Clark/Lake. In addition, the consultant will study the feasibility of a single station on the Lake leg of the Loop elevated and connections to the Blue and Red Line subways along State Street and Dearborn Street. Final Design of the project can only commence once the Phase I and NEPA work has been completed satisfactorily as determined by CDOT, CTA and a FONSI has been approved by FTA.

This DC's work consists of the design for the construction of a new Lake Street Loop Elevated CTA Station with station house facilities located either elevated at grade level or below grade within the City's Right of Way, City owned property, and/or private property, if required. The new Elevated Station design must incorporate new and innovative sustainable design features and construction materials wherever feasible. The work to be encompassed by the design includes, but is not limited to: demolition or removal of existing facilities at State/ Lake either with or without adjacent rail traffic; structural steel and concrete fabrication, installation and/or modification of existing structures carrying rail facilities in accordance with CTA Standards and the American Railway Engineering and Maintenance-of Way Association (AREMA) Manual for Railway Engineering; structural steel and concrete fabrication, installation and/or modification of existing structures in accordance with applicable codes; fabrication, installation and/or modification of new and existing electrical, mechanical and HVAC systems; architectural steel, concrete and finish work for buildings and platforms; coordination of specialty subcontractors and coordination of construction activities with user agencies; civil, structural and utility work as required to support the operation of the new facility and restoration of adjacent site; track work, communications, signaling and other related rail operation support infrastructure modification, construction and replacement; construction of temporary station facilities if applicable; fabrication and installation of vertical circulation elements; staging and temporary construction as required to maintain operations; fare collection; and all other work related to the completion and successful operation of a transit facility.

The Consultant work also includes design for the construction of transit station architectural finishes. The work includes, but is not limited to: fabrication, installation and/or modification of electrical, mechanical or HVAC work required for the operation of the facility; installation of finish tiles, ceilings, walls and floors; and all other work related to the completion and successful operation of a transit station.

The design encompassed by the Service must comply with all current ADA requirements and will include elevators, stairs and escalators. The station house and platform will also include new structure, electrical service, switchgear, power distribution, lighting and communications systems, graphics, revenue collection equipment, customer assistance kiosks, and a restroom. Structural, civil and electrical engineering and architectural services are required for the production of all final construction documents to build the station. Roadway, sidewalk, curb and gutter; traffic signals, drainage, utilities,

resurfacing within the limits of the transit station improvement are required. Right of Way Acquisition may be required.

Phase I & II, meetings with the Alderman, public and community groups and any stakeholders will be required. Preparation of renderings and PowerPoint presentations will be required to assist CDOT staff at these events and are part of the Services.

Construction staging includes demolition, traffic and pedestrian control, and coordination of CTA systems. Traffic Staging and detail staging plans must be prepared indicating roadway lane closures pre-approved by the Office of Emergency Management and Communications – Traffic Management Authority and CDOT's ROW permit office. The design and other Services must be performed taking into account that the construction of the new station is to be staged to allow Loop Elevated train operations to be maintained per the then current schedule. The project will utilize Federal Dollars with local matching funds and will be administered by the CDOT Division of Engineering. The requested Services require DBE participation.

1. GENERAL REQUIREMENTS

a. Scope of Services

The Design Consultant (DC) must develop a detailed Scope of Services for the project. The Scope must consist of:

- Executive Summary and Introduction describing the project objectives and goals,
- Project limits and proposed construction scope of services,
- Staffing plan including staff hour assignments of key and support staff members as well as an organization chart,
- Description of DC duties and responsibilities of other agencies
- Description of DC deliverables, including a list of drawings and specifications by Phase to be prepared as part of the project,
- Cost estimate and control procedures,
- Project schedule and management procedures,
- DC cost details and supporting documentation.

The draft Scope of Services must be submitted for review at the second meeting after notice of selection of the DC. The final Scope of Services must be completed prior to the award of contract and must be incorporated into and serve as the DC's contract scope of services subject to CDOT's approval.

The DC must prepare a complete Project Management Plan (PMP) for the project prior to contract award that will include budgets, scopes, schedules, project goals, , comprehensive cost estimates, project risks, 3rd party coordination required, permitting strategies, NEPA/EA strategies, personnel etc.. This document must be updated at every project milestone. The Project Management Plan (PMP) must comply with all Federal guidelines including but not limited to 49 CFR 633.

In addition, The DC must also prepare a Safety Certification Program, Risk Management Program and a Value Engineering Program in compliance with Federal (FTA) guidelines.

b. Quality Assurance Plan and Quality Control Procedures (QA/QC) Manual The DC must prepare a QA/QC Manual for the preparation and completion of all documents. The Manual must define

the procedures used to control and insure the quality of the design process from scope definition through construction award. The QA/QC Manual must address the following:

- Management responsibility
- Design standards and documents
- Document control
- Process control
- Inspection and testing for construction
- Quality records and audit procedures
- Training

It is expected that the DC will have QA/QC procedures currently in place for the firm's own design process. This Plan must serve as the basis for the Project QA/QC Plan and is expected to be modified to meet the needs of this project. The QA/QC Plan must be compatible with CDOT Division of Engineering, CTA, IDOT QA/QC programs as well as FTA's Quality Management System Guidelines. The Draft QA/QC Plan must be submitted one week after Notice to Proceed and the Final QA/QC Plan must be submitted within three weeks after Notice to Proceed.

c. Meetings

The DC must attend regular weekly status meetings held with the CDOT Division of Engineering Project Manager and staff. These meetings must be held in CDOT's offices and attended by CDOT, DC and other agency personnel. The meetings must serve as a forum to discuss and resolve issues in the design process.

The DC will also be required to meet on a regular basis with various stakeholders, public officials and groups, public and private utilities and any other groups affected by the project

Minutes of all meetings must be prepared in a format approved by CDOT and distributed by the DC within three working days of the meeting. The DC must also be responsible for maintaining a list of action items, which must be updated at each meeting.

d. Design Standards

The design and construction documents must incorporate IDOT Standards for Bridge and Highway design, CDOT Standards for station and facility design and comply with all standards in the CTA Infrastructure Design Criteria Manual. Where existing City of Chicago Design Standards exist, they must be converted to CAD format. The DC must have demonstrated capability to perform CAD drafting. It is expected that the DC has designers familiar with AutoCAD prior to the DC's Services. Experience in 3D modelling and Building Information Modelling (BIM) is expected.

The designer is to comply with all applicable provisions of CTA's "CTA Construction Safety Manual" (CTA Safety Manual), CTA "Infrastructure Design Criteria Manual" (IDCM), CTA Master Specifications and Standard Drawings, Illinois State Uniform Fire Prevention and Building Code, Occupational Safety and Health Administration (OSHA), the Environmental Protection Administration (Federal) if applicable, Department of Environmental Conservation (State) if applicable, Department of Environmental Protection (City), the National Electrical Codes, FTA Circular C 5800.1, FTA Handbook for Transit Safety and Security Certification all other applicable rules and regulations, including Drug and Alcohol Laws.

e. Design and Construction Schedules

The DC must prepare a Project Schedule, including a work breakdown, which depicts the project with key milestones and deliverables for design and construction. The design schedule must be updated weekly and at a minimum, must include:

- Key decision points in the design process including the securing of all temporary easements, utility coordination and other items which require coordination;
- Responsible parties for each decision;
- Early start for each activity;
- Expected finish for each activity;
- Critical path items.

The DC must also prepare a Construction Schedule. The Schedule must show the major items of work to be performed by the construction Contractor and subcontractors. It is expected that this Schedule will be refined as the design progresses and must be submitted to CDOT along with 15%, 30%, 60%, 90% and 100% submittal materials. At a minimum, the Schedule must include:

- Mobilization;
- Demolition as appropriate;
- Deep Excavation;
- Utility Relocations;
- Track Access and other effects on CTA Operations
- Long lead time material procurement;
- Structural construction;
- Architectural construction;
- Mechanical construction;
- Roadway work;
- Drainage and utilities;
- Landscape and finish work.
- Electrical and Communication installation
- System Integration and Commissioning

Design and Construction Schedules should include NEPA and Section 106 process. The DC should be responsible for producing NEPA documents and coordinating with FTA as needed to produce appropriate documentation that will result in a FONSI.

All Schedules must be made available to CDOT in an electronic format as well as a graphic format.

f. Document Preparation

Consultant must prepare all plans, using AutoCAD software. CDOT must receive an electronic copy of all final plans. Final plans must be plotted on 24 inch x 36 inch size sheets. Project documents must be dimensioned in both English units in accordance with the latest IDOT standards on dimensioning practice. All 3D models and BIM models must be made available to CDOT at any stage during the project and after completion of Phase I & II

Specifications for this project must be prepared in the Lump Sum categories identified in Section I.e. above. The specifications can include line items in the Schedule of Prices.

All specifications must be prepared using Word, and CDOT must be provided with an electronic copy of all specifications.

g. Estimates

The DC must be responsible for the preparation of 15%, 30%, 60%, 90%, 100% and final cost estimates for construction. Cost estimates must be in a unit price format approved by CDOT. The DC should also prepare estimates for outside agency work (CTA flaggers, Track Occurrences and operations staff for example) due to proposed construction staging, in order to recognize the true cost of construction. The DC Engineer's Estimate of Cost will be used as the basis for the evaluation of the bid tabulations. If the apparent low bid is more than ten percent over the Engineer's Estimate of Cost, CDOT retains the right to request the DC to redesign the project at no additional cost to CDOT in order to provide a design that is within the proposed budget. All cost estimates must be prepared in Excel format.

h. Administration

The DC must be responsible for all utility coordination, both private and public, and securing of all permits for all design work to be performed, including agreements with the affected utilities, railroads and other parties. This will include costs that are incurred in dealing with said City agencies, reviews, railroads and Utilities including fees assessed to coordinate. The DC, in conjunction with CDOT, must coordinate the work with other City agencies.

The DC must prepare all plats of surveys for temporary and permanent easements and must assist CDOT in the identification of them. The DC must secure temporary use permits, right of entry permits, easements and/or right-of-way agreements from affected property owners. The DC must contact all appropriate agencies for which force work estimates are required. The DC must prepare letters on CDOT's behalf, if asked to do so, requesting this information and must monitor the progress of all easements and force work requests necessary for construction.

The DC must prepare monthly progress reports and invoices. These progress reports and invoices must be in the format approved by CDOT and must be submitted no later than the tenth day of the month after which services have been performed.

i. Inspection

As part of its services, the DC must maintain inspections on the structure to be designed. This inspection must be at a frequency, determined together with CDOT staff, to ensure the safety of the community. Results of each inspection must be forwarded to CDOT, together with recommendation for remedial work, within 48 hours of the inspection. DC will be responsible for all costs associated with inspections, including but not limited to flagging costs associated with access to railroad, and railroad mandated safety training for DC and its subcontractors performing the work

j. Survey

DC must have a surveyor, licensed in the State of Illinois, survey all transit facility project levels involved, as well as adjacent properties, as required for building permit and construction. Surveys shall include but not limited to; project boundaries, geo-technical, environmental, utility, and existing CTA infrastructure (including track centerlines). DC will be responsible for all costs associated with surveying, including but not limited to flagging costs associated with access to railroad, and railroad mandated safety training for DC and its subcontractors performing the work, costs associated with soil borings and any design fees if applicable.

k. Building Permit

The DC must prepare and submit the building permit application and four (4) sets of prints to the Department of Buildings. The DC is responsible for expediting the building permit plan review process and must provide all required surveys, information, and corrections requested by the Department of Buildings. Building Department review is to be completed prior to advertisement for bids. The DC will be responsible for all costs associated with the Building Permit review. Upon Contract Award the DC will be responsible for adding Contractor information to the application and any further work required in conjunction with the general contractor in order to secure the Building Permit.

l. Construction Phase Assistance

It is assumed that CDOT will retain a Phase 3 consultant for Construction Management, but as the designer, the CONSULTANT will provide limited Construction Phase Services. Resident Engineering and Construction Inspection Services are not included. Due to the nature of this project, it is possible that considerable effort in developing special structural designs may be required during construction to address unforeseen or undocumented conditions. The CONSULTANT reserves the right to submit a supplemental proposal to reflect these additional tasks should they be needed.

m. Environmental Work and Historic Preservation documentation

The DC must provide a subcontractor that will prepare all environmental work and documentation necessary during the duration of the project as required under the National Environmental Protection Act (“NEPA”) and will prepare documentation of historic preservation impacts in compliance with procedures and guidelines as set forth in Section “106” of the National Historic Preservation Act. Because project includes work in proximity of historic buildings at State/Lake, the NEPA documentation will be at the level of Environmental Assessment. Therefore, the subcontractor that prepares the NEPA/106 documentation will work under the direction and supervision of City staff, with the DC providing design documentation, and administrative and public meeting support. Phase II design work may not commence until NEPA work is satisfactorily completed as determined by CDOT and CTA and FTA has issued a FONSI.

2. PHASE I & II - DESIGN SCOPE

The requirements and deliverables for Phase I & II must conform to CDOT and CTA requirements. Phase I & II Design must include, but is not to be limited to:

- A detailed inspection and complete survey of the existing facilities to determine their current condition. Inspection should include a structural condition assessment of all track and station structure elements. CDOT must be notified in writing of the need for emergency or remedial repairs
- DC to perform an element level inspection of the existing structure, with enough level of detail to accurately model the structure in a 3-d analysis model. For elements that are not equal to or greater than the original structure elements, they should be replaced to match or exceed original element capacity. For areas where the existing structure will be supporting new structure, a 3-d analysis should be done to evaluate additional loads on the structure. Any elements subjected to stress increases due to increased loads should be upgraded to comply with current CTA design guidelines.
- A detailed survey to include but not limited to; survey of all affected properties, track structure, track centerlines elevations and alignments, utilities, underground structures, easements, vaulted sidewalks, any and all utilities attached to the existing track structure and stations.
- Preparation of a report which must include impacts on the transit passenger, pedestrian and vehicular traffic; traffic studies; environmental assessments and remediation as appropriate, right of way acquisitions, construction staging and other requirements.
- DC is responsible for developing all documentation associated with the FTA mandated Safety and Security Certification Program, including but not limited to development of Safety and Security Management Plan (SSMP), Safety and Security Certification Plan (SSCP), Preliminary Hazard Analysis (PHA), Threat and Vulnerability Assessment (TVA), Certifiable Element List (CEL) and Certifiable Items List (CIL), and Design Criteria Conformance Checklist (DCCC) a Construction Specification Conformance Checklist (CSCC)
- Evaluate three alternative layouts for stair(s), escalator(s) and elevator(s) station house(s), canopy(s), and platform(s) layouts.
- Evaluate the feasibility, costs and impacts of a tunnel connection between the Lake Loop Elevated station and the Red and Blue Line Subway stations.
- Scope will include a noise and vibration study associated with trains along the Lake leg of the Loop Elevated
- Preparation of a Maintainability Report. The report should analyze all major station elements that may require routine or periodic maintenance and describe how those elements will be accessible safely and with minimal requirements for affecting train or roadway traffic. This report must also examine common maintenance issues on CTA stations (pigeon roosting, mezzanine leaks, etc) and address their solution in the proposed design.
- The scope should include all repairs/improvements/replacement of existing track structure elements, signal systems and traction power that may be associated with the new station including but not limited to performing Traction Power sectionalization study and subsequent design to reflect changes in section gaps, associated cabling and getaway switches; Traction Power Load Flow Study to reflect the changes in station related acceleration profiles; Re-design of the block signal system to maximize through-put through the Tower 18 Junction and along

the Lake Street leg of the Loop. The re-design effort should include a simulation verification of the new block design, and strategically locating block signals and other signal features to improve headway and through-put.

- Preparation and submittal of 5 sets of plans, specifications, cost estimates and renderings at the 15%, 30%, 60%, 90%, 100%, final bid and issued for construction (IFC) design levels.
- All documents must comply with CTA Infrastructure Design Criteria Manual
- Develop interior and exterior plans and renderings of each level, including layout of vending machines, fare array, toilet room, customer assistant booth, platform benches, shelters, trash cans, etc.
- Test the soil and all existing infrastructure affected by the project for hazardous and / or unsuitable material.
- The scope should include demolition plans that identify hazardous materials and provide detailed requirements for their proper handling and removal.
- The plans should also include any temporary or permanent modifications to existing track and station structures (including typical shoring plans, etc.)
- DC will investigate the feasibility of performing advance utility and underground structural work to benefit the schedule mitigate disruptions to CTA Rail Operations
- A Matrix and Analysis for code compliance including emergency exiting
- An Accessibility Matrix and Analysis to demonstrate the station design will meet all ADA requirements
- DC to prepare station exiting calculations utilizing the National Fire Protection Association "Standard for Fixed Guide way Transit and Passenger Railway Systems"-NFPA-130 (2014), as required by the Chicago Fire Prevention Bureau.
- The consultant should prepare a report on the impacts/ costs associated with relocating existing utilities, and with bringing in new utilities needed to support the new facility.
- The designer is to analyze passenger flow at the new station using a dynamic-simulation model. The analysis should include normal rush-hour passenger volumes, as well as projected volumes at special events, with assumptions made for future growth. The analysis should be summarized in a report that includes recommendations for vertical circulation, street level access, mezzanine circulation, fare collection quantity, etc.
- The DC's scope will include at grade public right-of-way improvements to streamline pedestrian access to station facilities.
- Preparation to satisfaction of FTA and CDOT of all documentation necessary to help secure NEPA approval through an Environmental Assessment ("EA"), as well as a Finding of No Significant Impact statement, including full review of impacts under Section 106 of the National Historic Preservation Act. To comply with FTA guidelines for an "EA". This documentation must be completed by an independently-owned subcontractor that will report directly to City staff. The lead contractor may be called upon to assist with design documentation, administrative support and public meeting staffing.

- Modification of any Phase I documents to incorporate either CDOT or other agency comments prior to Phase II commencement.
- Written descriptive material to illustrate the scope of renovation work and preliminary and final engineering calculations.
- Attendance, as required, at all community meetings and preparation of all exhibits and other materials for these meetings and/or CDOT Community Newsletters including meeting minutes.
- Multiple Soil borings: testing and the preparation of soil profiles and reports with recommendations throughout the project extents.
- Preparation of support documentation and presentations for all other agencies, including but not limited to the Federal Transit Administration, Illinois Department of Transportation, Illinois State Historic Preservation Agency, the Chicago Plan Commission, the Chicago Transit Authority, the Illinois Environmental Protection Agency, the Illinois Department of Transportation-Division of Water Resources and other agencies as required.
- Several meetings, extensive public outreach, presentations and mailing to affected property owners, stake holders, Civic agencies and City agencies and to other parties as required.
- Extensive coordination and inspections with all of all public and private utilities directly and indirectly affected by the construction of the new station, both relocations and utility services to the new station will be required and not limited to City sewers adjacent to the project, video inspection of existing sewers, hydrologic and hydraulic studies, and recommendations for proposed sewers as needed to obtain approvals from the Chicago Department of Water Management.
- Coordination of any and all existing conditions within the right of way will be required including but not limited to sidewalk conditions, roadway conditions, plantings and medians and underground sidewalk vaults
- Complete photo-documentation of existing project area including but not limited to existing CTA infrastructure and surrounding properties.
- Any structural testing that will be required for the new design including but not limited to wind-tunnel testing
- Five copies of a cost estimate (included with all design submittals), prepared on construction trades category basis; must include sufficient detail to permit a review of the design and to make value engineering reductions or substitutions in the Scope of Services as may be necessary to keep the project within the budget.
- The DC will be responsible for Value Engineering efforts at every stage of the project and will present Value Engineering efforts to CDOT at each milestone.
- Written descriptive material to illustrate the scope of renovation work and preliminary engineering calculations.
- Preparation of a sample board of all architectural finish materials used on the project
- Design consultant should provide an asset list at the conclusion of Phase 2, which will be provided to the GC and ultimately updated as final deliverable during construction.

- Process and complete all Office of Underground Coordination review documentation.
- Process and complete all questions and addenda that will be required during the bidding phase of the project in a timely manner
- Process and complete all requirements to successfully procure a Building Permit for the project. This will include working with a contractor once the Construction contract is awarded.

DC must ensure compliance with all applicable governmental and agency requirements, including but not limited to the following:

- Chicago Building Code and Zoning Ordinance.
- All applicable design and construction standards and criteria.
- Special Building and Electrical and Design Criteria requirements.
- Federal Register 49 CFR Part 27 – Nondiscrimination on the basis of disability in programs or activities receiving federal financial assistance.
- Federal Register 49 CFR Part 37 – Transportation services for individuals with disabilities (ADA).
- Federal Register 49 CFR Part 38 – Americans with disabilities act (ADA) accessibility specifications for transportation vehicles.
- Federal Register 49 CFR Part 633 – Project Management Oversight
- Federal Register 40 CFR parts 63 – National emission standards for hazardous air pollutants for source categories.
- Federal Register 36 CFR part 1191 – Americans with disabilities act (ADA) accessibility guidelines for buildings and facilities.
- Federal Register 36 CFR part 1192 – Americans with disabilities act (ADA) accessibility guidelines for transportation vehicles.

Submittals must be made by the DC in Design at the following project stages: 15% Completion, 30% Completion, 60% Completion, 90% Completion, 100% Completion and Final Submittal, which must incorporate comments from CDOT and other agencies.

All drawings, specifications, estimates and other documents produced by the Consultant are to comply with pertinent requirements. All design, construction and/or alterations of buildings or other fixed facilities should be in conformance with all applicable federal regulations and accessibility standards.

Design must include the preparation of no less than seven (7) renderings with each submittal, any Addenda if required during the bidding process, attendance at any pre-bid meetings, review of all proposals, preparation of all bid tabulations and recommendation for award. Final Design drawings are to be submitted to the MOPD and Building Department for Building Permit processing prior to bid.

Following the approval of 90% documents and cost estimates by the City of Chicago and incorporation of review comments from CTA and CDOT, the Consultant must prepare the final and complete contract plans. These documents must be fully reviewed, corrected, designed and ready for advertisement for bids. The DC will supply CDOT two full-size bound copies of the

construction documents, two half size bound copies, two specifications of Book I, Book II and Book III, and one-hundred discs of the construction documents in PDF format containing the final plans and specifications, structural calculations, soil reports, historical documentation for bid advertisement and all other pertinent information.

**ONLINE CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT
AND AFFIDAVIT (EDS)
AND APPENDIX A INSTRUCTIONS**

AND

ATTACHMENT A, ONLINE EDS ACKNOWLEDGEMENT

ONLINE CITY OF CHICAGO ECONOMIC DISCLOSURE STATEMENT AND AFFIDAVIT (EDS) INSTRUCTIONS

WHEN SUBMITTING YOUR RESPONSE TO THIS REQUEST FOR QUALIFICATIONS (RFQ) FOR PHASE I & II PROFESSIONAL TRANSIT DESIGN ENGINEERING SERVICES (CATEGORY 2: ELEVATED TRANSIT STATION DESIGN) REPLACEMENT OF STATE/LAKE ELEVATED STATION, SPECIFICATION NO. 579313, THE RESPONDENT SHALL SUBMIT 2 DOCUMENTS: 1) A "CERTIFICATE OF FILING" EVIDENCING COMPLETION OF YOUR ONLINE EDS AND 2) AN EXECUTED ATTACHMENT A, ONLINE EDS ACKNOWLEDGEMENT SIGNED BY AN AUTHORIZED OFFICER BEFORE A NOTARY.

1. ONLINE EDS FILING

1.1. ONLINE EDS FILING REQUIRED PRIOR TO RESPONSE DUE DATE

The Respondent shall complete an online EDS prior to the response due date. A Respondent who does not file an electronic EDS prior to the response due date may be found non-responsive and its response rejected. If you are unable to complete the online EDS and print a Certificate of Filing prior to the response due date, the City will accept a paper EDS provided written justification is provided explaining your good faith efforts to complete it before the response due date and the reasons why it could not be completed.

**NOTE: ALWAYS SELECT THE "CONTRACT" (NOT UPDATE) BOX WHEN
COMPLETING AN ONLINE EDS TO ENSURE A NEW CONTRACT SPECIFIC
ONLINE EDS IS CREATED RELATED TO THE SOLICITATION DOCUMENT.
CLICKING THE UPDATE BOX ONLY UPDATES PREVIOUS EDS INFORMATION.**

1.2. ONLINE EDS WEB LINK

The web link for the Online EDS is <https://webapps.cityofchicago.org/EDSWeb>

1.3. ONLINE EDS NUMBER

Upon completion of the online EDS submission process, the Respondent will be provided an EDS number. Respondent should record this number here:

EDS Number: _____

1.4. ONLINE EDS CERTIFICATION OF FILING AND ATTACHMENT A, ONLINE EDS ACKNOWLEDGEMENT

Upon completion of the online submission process, the Respondent will be able to print a hard copy Certificate of Filing. The Respondent should submit the signed Certificate of Filing and Attachment A, Online EDS Acknowledgement form with its response. Please insert your Certification of Filing and Attachment A, Online EDS Acknowledgement form following the Cover Letter. See Section 5.2, Item 9, Required Contents of Proposal in the RFP. A Respondent who does not include a signed Certificate of Filing and/or Attachment A, Online EDS Acknowledgement form with its response must provide it upon the request of the Chief Procurement Officer.

1.5. PREPARATION CHECKLIST FOR REGISTRATION

To expedite and ease your registration process, we recommend that you collect the following information prior to registering for an Online EDS user account:

	1. Invitation number, if you were provided an invitation number.
	2. EDS document from previous years, if available.
	3. Email address to correspond with the Online EDS system.
	4. Company Information: a. Legal Name b. FEIN/SSN c. City of Chicago Vendor Number, if available. d. Address and phone number information that you would like to appear on your EDS documents. e. EDS Captain. Check for an EDS Captain in your company - this maybe the person that usually submits EDS for your company, or the first person that registers for your company.

1.6. PREPARATION CHECKLIST FOR EDS SUBMISSION

To expedite and ease your EDS submission, we recommend that you collect the following information prior to updating your EDS information online.

Items #1 through #7 are needed for both EDS information updates and contract related EDS documents:

- _____ 1. Invitation number, if you were provided with an invitation number.
- _____ 2. Site address that is specific to this EDS.
- _____ 3. Contact that is responsible for this EDS.
- _____ 4. EDS document from previous years, if available.
- _____ 5. Ownership structure, and if applicable, owners' company information:

- a. % of ownership
 - b. Legal Name
 - c. FEIN/SSN
 - d. City of Chicago Vendor Number, if available.
 - e. Address
- 6. List of directors, officers, titleholders, etc. (if applicable).
- 7. For partnerships/LLC/LLP/Joint ventures, etc.:
 - a. List of controlling parties (if applicable).

Items #8 and #9 are needed ONLY for contract related EDS documents:

- 8. Contract related information (if applicable):
 - a. City of Chicago contract package
 - b. Cover page of City of Chicago bid/solicitation package
 - c. If EDS is related to a mod, then cover page of your current contract with the City.
- 9. List of subcontractors and retained parties:
 - a. Name
 - b. Address
 - c. Fees – Estimated or paid

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?

A: The web link for the Online EDS is <https://webapps.cityofchicago.org/EDSWeb>

Q: How do I get help?

A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?

A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State

law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?

A: "Applicant" means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?

A: "Disclosing Party" means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?

A: "Entity" or "Legal Entity" means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?

A: "Person" means a human being.

Q: Who must submit an EDS?

A. An EDS must be submitted in any of the following three circumstances:

Applicants:	An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name.
Entities holding an interest:	Whenever a legal entity has a beneficial interest (E. G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf.
Controlling entities:	Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf.

Q: What information is needed to submit an EDS?

A: The information contained in the Preparation Checklist for EDS submission.

Q: I don't have a user ID & password. Can I still submit an Online EDS?

A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?

A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering "Yes" to "Is this an existing City of Chicago user ID?" when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don't have an email address. How do I submit an Online EDS?

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or rnail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?

A: To retrieve a temporary password, click the "Forgot your password?" link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?

A: Click on "Create New" after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on "Create New". Answer (click) "Contract" to "Is this EDS for a contract or an EDS information update?" Click "Fill out EDS", and click on the "Retained Parties" tab. When finished, click on "Ready to Submit."

Q: How do I attach documents?

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

Q: Who can complete an Economic Disclosure Statement online?

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: What are the benefits of filing my Economic Disclosure statement electronically?

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: Will my information be secure?

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the "Online EDS" login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication. Only you will have knowledge of this unique identification information.

Q: I am filing electronically. How do I sign my EDS?

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: My address has changed. How can I update my information?

A: You must be an EDS Captain for your organization to update this. Log-in and click on "Vendor Admin, Site Administration." Select the appropriate site and click edit.

Q: I have more questions. How can I contact the Department of Procurement Services?

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

Q: Can I save a partially complete EDS?

A: Yes. Click "Save". To avoid data loss, we recommend you save your work periodically while filling out your EDS.

Q: Do I have to re-type my information each time I submit an EDS?

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/
- Your web browser is set to permit running of JavaScript.
- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.
- Your monitor resolution is set to a minimum of 1024 x 768.
- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at <http://get.adobe.com/flashplayer>

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

ATTACHMENT A
ONLINE EDS ACKNOWLEDGEMENT

The undersigned, hereby acknowledges having received Specification No. 579313 containing a full set of RFQ Documents, including, Addenda Numbers (none unless indicated here) _____, and affirms that the Respondent shall be bound by all the terms and conditions contained in the RFQ Documents, regardless of whether a complete set thereof is attached to this response.

Under penalty of perjury, the undersigned: (1) warrants that he/she was authorized to submit an EDS on behalf of the Disclosing Party on-line, (2) warrants that all certifications and statements contained in the EDS are true, accurate and complete as of the date the EDS was submitted on-line, and (3) further warrants that, as of the date of submission of this response, there have been no changes in circumstances since the date that the EDS was submitted that would render any certification in the EDS false, inaccurate or incomplete.

Further, the undersigned being duly sworn deposes and says on oath that no disclosures of ownership interests have been withheld and the information provided therein to the best of its knowledge is current and the undersigned has not entered into any agreement with any other respondent or prospective respondent or with any other person, firm or corporation relating to the price named in this proposal or any other proposal, nor any agreement or arrangement under which any act or omission in restraining of free competition among respondents and has not disclosed to any person, firm or corporation the terms of this proposal or the price named herein.

EXHIBIT 4
INSURANCE REQUIREMENTS

PROFESSIONAL SERVICES INSURANCE REQUIREMENTS

Department of Transportation
Phase I&II Professional Transit Design Engineering Services
(Category 2: Elevated Transit Station Design)
Replacement of the State/Lake Loop Elevated Station

A. INSURANCE REQUIRED

Consultant must provide and maintain at Consultant's own expense, during the term of the Agreement and during the time period following expiration if Consultant is required to return and perform any work, services, or operations, the insurance coverages and requirements specified below, insuring all work, services, or operations related to the Agreement.

1) Workers Compensation and Employers Liability (Primary and Umbrella)

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$500,000 each accident; \$500,000 disease-policy limit and \$500,000 disease-each employee, or the full per occurrence limits of the policy, whichever is greater. Coverage shall include but not be limited to: alternate employer and voluntary compensation endorsement, when applicable.

Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent must be maintained with limits of not less than \$1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury, personal injury, and property damage liability. Coverages must include but not be limited to the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City must be provided additional insured status with respect to liability arising out of Consultant's work, services or operations performed on behalf of the City. The City's additional insured status must apply to liability and defense of suits arising out of Consultant's acts or omissions, whether such liability is attributable to the Consultant or to the City on an additional insured endorsement form acceptable to the City. The full policy limits and scope of protection also will apply to the City as an additional insured, even if they exceed the City's minimum limits required herein. Consultant's liability insurance must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work, services, or operations to be performed, Automobile Liability Insurance must be maintained by the Consultant with limits of not less than \$1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury and property damage and covering the ownership, maintenance, or use of any auto whether owned, leased, non-owned or hired used in the performance of the work or services. The City is to be added as an additional insureds on a primary, non-contributory basis.

Consultant may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

4) Excess/Umbrella

Excess/Umbrella Liability Insurance must be maintained with limits of not less than \$2,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater. The policy/policies must provide the same coverages/follow form as the underlying Commercial General Liability, Automobile Liability, Employers Liability and Completed Operations coverage required herein and expressly provide that the excess or umbrella policy/policies will drop down over reduced and/or exhausted aggregate limit, if any, of the underlying insurance. The Excess/Umbrella policy/policies must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Consultant may use a combination of primary and excess/umbrella policies to satisfy the limits of liability required in sections A.1, A.2, A.3 and A.4 herein.

5) Professional Liability

When any, architects, engineers, or any other professional consultants perform work, services, or operations in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or cause to be maintained, with limits of not less than \$3,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work or services on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of three (3) years.

6) Valuable Papers

When any, plans, designs, drawings, specifications, media, data, reports, records, and other documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

7) Railroad Protective Liability

When any work or services is to be done adjacent to or on railroad or transit property, Consultant must provide, with respect to the operations that Consultant or subcontractors perform, Railroad Protective Liability Insurance in the name of railroad or transit entity. The policy must have limits of not less than the requirement of the operating railroad for losses arising out of injuries to or death of all persons, and for damage to or destruction of property, including the loss of use thereof.

If applicable, a certified copy of the Railroad Protective policy is to be submitted to:

Chicago Transit Authority (CTA), ATTN: Manager of Benefits Compliance, 567 West Lake Street, 3rd Floor, Chicago, IL 60661.

METRA, ATTN: Risk Management, 547 West Jackson Blvd, Chicago, IL 60661. An Insurance binder will be accepted until such time the policy is submitted.

Consultant is responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies) owned, rented, or used by Consultant.

B. Additional Requirements

Evidence of Insurance. Consultant must furnish the City of Chicago, Department of Procurement Services Room 806, 121 N. LaSalle Street, Chicago, IL 60602, original certificates of insurance and additional insured endorsement, or other evidence of insurance, to be in force on the date of this Agreement, and renewal certificates of Insurance and endorsement, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Consultant must submit evidence of insurance prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Consultant, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Consultant must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Consultant for liabilities which may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

Failure to Maintain Insurance. Failure of the Consultant to comply with required coverage and terms and conditions outlined herein will not limit Consultant's liability or responsibility nor does it relieve Consultant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

Notice of Material Change, Cancellation or Non-Renewal. Consultant must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Consultant.

Waiver of Subrogation. Consultant hereby waives its rights and its insurer(s)' rights of and agrees to require their insurers to waive their rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City received a waiver of subrogation endorsement for Consultant's insurer(s).

Consultants Insurance Primary. All insurance required of Consultant under this Agreement shall be endorsed to state that Consultant's insurance policy is primary and not contributory with any insurance carrier by the City.

No Limitation as to Consultant's Liabilities. The coverages and limits furnished by Consultant in no way limit the Consultant's liabilities and responsibilities specified within the Agreement or by law.

No Contribution by City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Consultant under this Agreement.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Consultant maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Joint Venture or Limited Liability Company. If Consultant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Consultant. If Consultant desires additional coverages, the Consultant will be responsible for the acquisition and cost.

Insurance required of Subcontractors. Consultant shall name the Subcontractor(s) as a named insured(s) under Consultant's insurance or Consultant will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Worker's Compensation and Employers Liability Insurance and when applicable Excess/Umbrella Liability Insurance with coverage at least as broad as outlined in Section A, Insurance Required. The limits of coverage will be determined by Consultant. Consultant shall determine if Subcontractor(s) must also provide any additional coverage or other coverage outlined in Section A, Insurance Required. Consultant is responsible for ensuring that each Subcontractor has named the City as an additional insured where required and name the City as an additional insured on an endorsement form at least as broad and acceptable to the City. Consultant is also responsible for ensuring that each Subcontractor has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Consultant must provide to the City certificates of insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Subcontractor(s) to comply with required coverage and terms and conditions outlined herein will not limit Consultant's liability or responsibility.

City's Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Office maintains the right to modify, delete, alter or change these requirements.

ARTICLE 1. INTRODUCTION

This Contract is entered into as of the _____ day of _____, 20____ ("Effective Date") by and between _____, a _____ corporation ("Contractor"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of _____ ("City"), at Chicago, Illinois.

[Insert background information here, including procurement process used.]

The Contractor warrants that it is ready, willing and able to perform as of the effective date of this Contract to the full satisfaction of the City.

{Optionally may insert background information here, such as the method of procurement used, the general purpose of the agreement, etc.}

NOW, THEREFORE, the City and the Contractor Agree as Follows:

ARTICLE 2. INCORPORATION OF EXHIBITS:

The following attached Exhibits are made a part of this agreement:

- Exhibit 1: Scope of Services and Time Limits for Performance
 - Key Personnel
- Exhibit 2: Schedule of Compensation
- Exhibit 3: Example Insurance Certification and Evidence of Insurance
- Exhibit 4: Economic Disclosure Statement and Affidavit
- Exhibit 5: DBE Compliance Plan

ARTICLE 3. STANDARD TERMS AND CONDITIONS

3.1. General Provisions

3.1.1. Definitions

"**Addendum**" is an official revision of the Bid Documents issued by the Chief Procurement Office prior to Bid Opening Date.

"**Airports**" means Chicago O'Hare International Airport and Chicago Midway International Airport.

"**Airside**" means, generally, those areas of an Airport which requires a person to pass through a security checkpoint to access. References to "sterile areas" generally mean Airside areas within terminal buildings. References to "Airfield", "Aircraft Operations Area", "AOA", or "**Secured areas**" generally mean outdoor Airside areas or areas not accessible to passengers.

"**Attachments**" are all the exhibits and other documents attached to the Bid Documents and/or incorporated into the Contract by reference.

"**Bid**" refers to an offer made by a Bidder in response to an invitation for bids which includes a binding proposal to perform the Contract which the City may rely on and accept, or in the case of an RFP or RFQ, the submission/proposal in response to that solicitation which may be subject to negotiation.

"**Bidder**" is a person, firm, or entity submitting a Bid in response to an invitation for bids; for RFPs and RFQs, references may be made to "Respondents." Once the Contract is awarded the Contractor shall assume that all references to a Bidder or Respondent and such attendant obligations apply to the Contractor.

"**Bid Opening Date**" is the date and time publicly advertised by the Chief Procurement Officer as the deadline for submission of Bids; this may be referred to as a "Proposal Due Date" for RFP and RFQ solicitations.

"**Bid Documents**" means all the documents issued by the Chief Procurement Officer, or referenced by the Chief Procurement Officer as being available on the City's website and incorporated by such reference, in connection with an invitation for bids or proposals. Except for such Bid Documents as are posted on the City's website and incorporated by reference, all Bid Documents must be submitted by a bidder on the Bid Opening Date.

"**Business Day**" means business days (Monday through Friday, excluding legal holidays, or City shut-down days) in accordance with the City of Chicago business calendar.

"**Calendar Day**" means all calendar days in accordance with the world-wide accepted calendar.

"**Chief Procurement Officer**" abbreviated as "CPO" means the chief executive of the City's Department of Procurement Services ("DPS"), and any representative duly authorized in writing to act on the Chief Procurement Officer's behalf.

"**City**" means the City of Chicago, a municipal corporation and home rule government under Sections 1 and 6(a), Article VII, of the 1970 Constitution of the State of Illinois.

"**Commissioner**" means the chief executive of any City department that participates in this Contract (regardless of the actual title of such chief executive), and any representative duly authorized in writing to act on the Commissioner's behalf with respect to this Contract.

"**Contact Person**" means the Contractor's management level personnel who will work as liaison between the City and the Contractor and be available to respond to any problems that may arise in connection with Contractor's performance under the Contract.

"**Contract**" means, upon notice of award from the CPO, the contract consisting of all Bid Documents relating to a specific invitation for bids or proposals, and all amendments, modifications, or revisions made from time to time in accordance with the terms thereof. All such documents comprising the Contract are referred to as the "**Contract Documents**".

"Contractor" means the Bidder or Proposer (person, firm, or entity) that is awarded the Contract by the CPO. Any references to the Bidder or Proposer in the Contract Documents is understood to apply to the Contractor.

"Department" which may also be referred to as the using/user Department is the City Department which appears on the applicable Purchase Order Release for goods, work, or services provided under this Contract.

"Detailed Specifications" refers to the contract specific requirements that includes but is not limited to a detailed description of the scope, term, compensation, price escalation, and such other additional terms and conditions governing this specific Contract.

"Holidays" refers to the official City Holidays when the City is generally closed for business which includes: New Year's Day, Dr. Martin Luther King Jr.'s Birthday, Lincoln's Birthday, President's Day, Pulaski Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, and Christmas Day.

"MCC" is the abbreviation for the Municipal Code of Chicago.

"Party" or collectively "Parties" refers to the entities that have entered into this Contract including the Contractor and the City.

"Purchase Order" means a written purchase order from a Department referencing this Contract. Purchase Orders may also be referred to as "Blanket Releases".

"Services" refers to all work, services, and materials whether ancillary or as required by the Detailed Specifications that Contractor provides in performance of its obligations under this Contract.

"Specification" means the Bid Documents, including but not limited to the Detailed Specifications.

"Subcontractor" means any person or entity with whom the Contractor contracts to provide any part of the goods, services or work to be provided by Contractor under the Contract, including subcontractors of any tier, suppliers and material men, whether or not in privity with the Contractor.

3.1.2. Interpretation of Contract

3.1.2.1. Order of Precedence

The order of precedence of the component contract parts will be as follows:

- If funded by the Federal government or State of Illinois, terms required by the Federal Government or State of Illinois, as applicable, whether set out in this document, in a Task Order Request (if applicable), or otherwise.
- Standard provisions and form provisions relating to this procurement type
- Scope of Work and Detailed Specifications
- Task Order (if applicable)
- All other parts of this Contract.

Provided, however, in the event of an inconsistency between terms set out among different component parts of the Contract, or terms set out within a Contract part, notwithstanding the order of precedence noted above, the term that is most favorable to the City controls, unless expressly stated otherwise.

3.1.2.2. Interpretation and Rules

Unless a contrary meaning is specifically noted elsewhere, the phrases "as required", "as directed", "as permitted", and similar words mean the requirements, directions, and permissions of the Commissioner or CPO, as applicable. Similarly, the words "approved", "acceptable", "satisfactory", and similar words mean approved by, acceptable to, or satisfactory to the Commissioner or the CPO, as applicable.

The words "necessary", "proper", or similar words used with respect to the nature or extent of work or services mean that work or those services must be conducted in a manner, or be of a character

which is necessary or proper for the type of work or services being provided in the opinion of the Commissioner and the CPO, as applicable. The judgment of the Commissioner and the CPO in such matters will be considered final.

Wherever the imperative form of address is used, such as "provide equipment required" it will be understood and agreed that such address is directed to the Contractor unless the provision expressly states that the City will be responsible for the action.

3.1.2.3. Severability

The invalidity, illegality, or unenforceability of any one or more phrases, sentences, clauses, or sections in this Contract does not affect the remaining portions of this Contract.

3.1.2.4. Entire Contract

The Contract Documents constitute the entire agreement between the parties and may not be modified except by the subsequent written agreement of the parties.

3.1.3. Subcontracting and Assignment

3.1.3.1. No Assignment of Contract

Pursuant to 65 ILCS 8-10-14, Contractor may not assign this Contract without the prior written consent of the CPO. In no case will such consent relieve the Contractor from its obligations, or change the terms of the Contract. The Contractor must notify the CPO, in writing, of the name of any proposed assignee and the reason for the assignment; consent to which is solely in the CPO's discretion.

3.1.3.2. Subcontracts

No part of the goods, work, or services to be provided under this Contract may be subcontracted without the prior written consent of the CPO; but in no case will such consent relieve the Contractor from its obligations, or change the terms of the Contract. Further, substitution of a previously approved Subcontractor without the prior written consent of the CPO is not permitted. The Contractor must notify the CPO of the names of all Subcontractors to be used and shall not employ any that the CPO has not approved. Prior to proposing the use of a certain Subcontractor, the Contractor must verify that neither the Subcontractor nor any of its owners is debarred from or otherwise ineligible to participate on City contracts. This information can be found on the City's website:

http://www.cityofchicago.org/city/en/depts/dps/provdrs/comp/svcs/debarred_firms_list.html

The Contractor will only subcontract with competent and responsible Subcontractors. If, in the judgment of the Commissioner or the CPO, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services or work, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from the Commissioner or the CPO, discharge or otherwise remove such Subcontractor and propose an acceptable substitute for CPO approval. Removal and substitution must be in compliance with any applicable requirements of the MBE/WBE or DBE program.

All subcontracts and all approvals of Subcontractors are, regardless of their form, considered conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Contract. Upon request of the City, Contractor must promptly provide a copy of its agreement(s) with its subcontractor(s). All subcontracts must contain provisions that require the subcontracted activity be performed in strict accordance with the requirements of this Contract, provide that the Subcontractors are subject to all the terms of this Contract, and are subject to the approval of the CPO. If the subcontract agreements do not prejudice any of the City's rights under this Contract, such agreements may contain different provisions than are provided in this Contract with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the activity to be performed.

3.1.3.3. No Pledging or Assignment of Contract Funds Without City Approval

The Contractor may not pledge, transfer, or assign any interest in this Contract or contract funds due or to become due without the prior written approval of the CPO. Any such attempted pledge, transfer, or assignment, without the prior written approval of the CPO is void as to the City and will be deemed an event of default under this Contract.

3.1.3.4. City's Right to Assign

The City expressly reserves the right to assign or otherwise transfer all or any part of its interests in this Contract without the consent or approval of the Contractor.

3.1.3.5. Assigns

All of the terms and conditions of this Contract are binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors, transferees, and assigns.

3.1.4. Contract Governance

3.1.4.1. Governing Law and Jurisdiction

This Contract will be governed in accordance with the laws of the State of Illinois, without regard to choice of law principles. The Contractor hereby irrevocably submits, and will cause its Subcontractors to submit, to the original jurisdiction of those State or Federal courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Contract and irrevocably agrees to be bound by any final judgment rendered thereby from which no appeal has been taken or is available. The Contractor irrevocably waives any objection (including without limitation any objection of the laying of venue or based on the grounds of forum non conveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to this Contract in the jurisdiction set forth above.

3.1.4.2. Consent to Service of Process

The Contractor agrees that service of process on the Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Contract, by registered or certified mail addressed to the office actually maintained by the Contractor, or by personal delivery on any officer, director, or managing or general agent of the Contractor. The Contractor designates and appoints the representative identified on the signature page hereto under the heading "Designation of Agent for Service Process", as its agent in Chicago, Illinois, to receive on its behalf service of all process (which representative will be available to receive such service at all times), such service being hereby acknowledged by such representative to be effective and binding service in every respect. Said agent may be changed only upon the giving of written notice by the Contractor to the City of the name and address of a new Agent for Service of Process who works within the geographical boundaries of the City of Chicago. Nothing herein will affect the right to serve process in any other manner permitted by law or will limit the right of the City to bring proceedings against the Contractor in the courts of any other jurisdiction.

3.1.4.3. Cooperation by Parties and between Contractors

The Parties hereby agree to act in good faith and cooperate with each other in the performance of this Contract. The Contractor further agrees to implement such measures as may be necessary to ensure that its staff and its Subcontractors will be bound by the provisions of this Contract. The City will be expressly identified as a third party beneficiary in the subcontracts and granted a direct right of enforcement thereunder.

Unless otherwise provided in Detailed Specifications, if separate contracts are let for work within or adjacent to the project site as may be further detailed in the Contract Documents, each Contractor must perform its Services so as not to interfere with or hinder the progress of completion of the work being performed by other contractors.

Each Contractor involved shall assume all liability, financial or otherwise, in connection with its contract, and shall protect and hold harmless the City from any and all damages or claims that may arise because of inconvenience, delay, or loss experienced by the Contractor because of the

presence and operations of other contractors working within the limits of its work or Services. Each Contractor shall assume all responsibility for all work not completed or accepted because of the presence and operations of other contractors.

The Contractor must as far as possible, arrange its work and space and dispose of the materials being used, so as not to interfere with the operations of the other contractors within or adjacent to the limits of the project site.

3.1.4.4. No Third Party Beneficiaries

The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

3.1.4.5. Independent Contractor

This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Contract. Contractor must perform under this Contract as an independent contractor and not as a representative, employee, agent, or partner of the City.

This Contract is between the City and an independent contractor and, if Contractor is an individual, nothing provided for under this Contract constitutes or implies an employer-employee relationship such that:

The City will not be liable under or by reason of this Contract for the payment of any workers' compensation award or damages in connection with the Contractor performing the Services required under this Contract.

Contractor is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Contractor.

3.1.4.6. Authority

Execution of this Contract by the Contractor is authorized and signature(s) of each person signing on behalf of the Contractor have been made with complete and full authority to commit the Contractor to all terms and conditions of this Contract, including each and every representation, certification, and warranty contained herein, attached hereto and collectively incorporated by reference herein, or as may be required by the terms and conditions hereof. If other than a sole proprietorship, Contractor must provide satisfactory evidence that the execution of the Contract is authorized in accordance with the business entity(s) rules and procedures.

3.1.4.7. Joint and Several Liability

In the event that Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by Contractor will be the joint and several obligation or undertaking of each such individual or other legal entity.

3.1.4.8. Notices

All communications and notices to the City from the Contractor must be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Commissioner of the using Department that appears on the applicable Purchase Order, with a copy to the Chief Procurement Officer, Room 806, City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602.

A copy of any communications or notices to the City relating to Contract interpretation, a dispute, or indemnification obligations shall also be sent by the same means set forth above to the Department of Law, Room 600, City Hall, 121 N LaSalle Street, Chicago, Illinois 60602.

All communications and notices from the City to the Contractor, unless otherwise provided for, will be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Contractor care of the name and to the address listed on the Bid Documents' proposal page. If this contract was awarded through a process that does not use bid or proposal documents, notices to contractor will be sent to an address specified in the Contract.

3.1.4.9. Amendments

Following Contract award, no change, amendment, or modification of the Contract Documents or any part thereof, is valid unless stipulated in writing and signed by the Contractor, Mayor, CPO, and Comptroller, unless specifically allowed for by the Contract Documents.

3.1.4.10. No Waiver of Legal Rights

Neither the acceptance by the City, or any representative of the City, nor any payment for or acceptance of the whole or any part of the deliverables, nor any extension of time, nor any possession taken by the City, shall operate as a waiver by the City of any portion of the Contract, or of any power herein reserved or any right of the City to damages herein provided.

A waiver of any breach of the Contract shall not be held to be a waiver of any other or subsequent breach. Whenever under this Contract the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to either the City's or the Contractor's performance, the waiver so granted, whether express or implied, shall only apply to the particular instance and will not be deemed a waiver forever or for subsequent instance of the performance, requirement, or condition. No such waiver shall be construed as a modification of this Contract regardless of the number of time the City may have waived the performance, requirement, or condition.

3.1.4.11. Non-appropriation of Funds

Pursuant to 65 ILCS 5/8-1-7, any contract for the expenditure of funds made by a municipality without the proper appropriation is null and void.

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Contract, then the City will notify the Contractor of that occurrence and this Contract shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Contract are exhausted.

No payments will be made to the Contractor under this Contract beyond those amounts appropriated and budgeted by the City to fund payments under this Contract.

3.1.4.12. Participation By Other Government Agencies

Other Local Government Agencies (defined below) may be eligible to participate in this Contract if (a) such agencies are authorized, by law or their governing bodies, to execute such purchases, (b) such authorization is consented to by the City of Chicago's CPO, and (c) such purchases have no net adverse effect on the City of Chicago and result in no diminished services from the Contractor to the City's Departments.

Examples of such Local Government Agencies are: the Chicago Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts.

Said purchases will be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any

other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

3.1.5. Confidentiality

All deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Contract are property of the City and are confidential, except as specifically authorized in this Contract or as may be required by law. Contractor must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions contained in this Contract.

Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Contract, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor's possession by reason of this Contract, Contractor must immediately give notice to the Commissioner, CPO and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

3.1.6. Indemnity

Contractor must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees (collectively, the "Indemnified Parties,") from and against any and all Losses (as defined below), in consequence of the granting of this Contract or arising out of or being in any way connected with the Contractor's performance under this Contract, except as otherwise provided in 740 ILCS 35 "Construction Contract Indemnification for Negligence Act" if it applies, including those related to: injury, death or damage of or to any person or property; any infringement or violation of any property right (including any patent, trademark or copyright); failure to pay or perform or cause to be paid or performed Contractors covenants and obligations as and when required under this Contract or otherwise to pay or perform its obligations to any subcontractor; the City's exercise of its rights and remedies under this Contract; and injuries to or death of any employee of Contractor or any subcontractor under any workers compensation statute. When 740 ILCS 35 applies, indemnification provided by the Contractor to the Indemnified Parties will be to the maximum extent permitted under applicable law.

"Losses" means, individually and collectively, liabilities of every kind, including monetary damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, fines, judgments or settlements, any or all of which in any way arise out of or relate to the negligent or otherwise wrongful errors, acts, or omissions of Contractor, its employees, agents and subcontractors.

The Contractor will promptly provide, or cause to be provided, to the Commissioner and the Corporation Counsel copies of such notices as Contractor may receive of any claims, actions, or suits as may be given or filed in connection with the Contractor's performance or the performance of any Subcontractor and for which the Indemnified Parties are entitled to indemnification hereunder.

At the City Corporation Counsel's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to

participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

The Contractor shall be solely responsible for the defense of any and all claims, demands, or suits against the Indemnified Parties, including without limitation, claims by an employee, subcontractors, agents, or servants of Contractor even though the claimant may allege that the Indemnified Parties were in charge of the work or service performed under the Contract, that it involves equipment owned or furnished by the Indemnified Parties, or allege negligence on the part of the Indemnified Parties. The City will have the right to require Contractor to provide the City with a separate defense of any such suit.

To the extent permissible by law, Contractor waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due to third parties arising out of any Losses, including but not limited to any limitations on Contractor's liability with respect to a claim by any employee of Contractor arising under the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of work or services beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor's duties under this Contract, including the insurance requirements set forth in the Contract.

3.1.7. Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Contract or because of the City's execution, attempted execution or any breach of this Contract.

3.1.8. Contract Extension Option

The City may extend this Contract once following the expiration of the contract term for up to 181 Calendar Days or until such time as a new contract has been awarded for the purpose of providing continuity of services and/or supply while procuring a replacement contract subject to acceptable performance by the Contractor and contingent upon the appropriation of sufficient funds. The CPO will give the Contractor notice of the City's intent to exercise its option to renew the Contract for the approaching option period.

3.2. Compensation Provisions

3.2.1. Ordering, Invoices, and Payment

3.2.1.1. Purchase Orders

Requests for work, services or goods in the form of a Purchase Order will be issued by the Department and sent to the Contractor to be applied against the Contract. The Contractor must not honor any order(s), perform work or services or make any deliveries of goods without receipt of a Purchase Order issued by the City of Chicago. Any work, services, or goods provided by the Contractor without a Purchase Order is made at the Contractor's risk. Consequently, in the event such Purchase Order is not provided by the City, the Contractor releases the City from any liability whatsoever to pay for any work, services, or goods provided without said Purchase Order.

Purchase Orders will indicate quantities ordered for each line item, unit/total cost, shipping address, delivery date, fund chargeable information, catalog information (if applicable), and other pertinent instructions regarding performance or delivery.

3.2.1.2. Invoices

If required by the Scope of Work / Detailed Specifications, original invoices must be sent by the Contractor to the Department to apply against the Contract. Invoices must be submitted in

accordance with the mutually agreed upon time period with the Department. All invoices must be signed, dated and reference the City's Purchase Order number and Contract number. A signed work ticket, time sheets, manufacturer's invoice, if applicable, or any documentation requested by the Commissioner must accompany each invoice. If a Contractor has more than one contract with the City, separate invoices must be prepared for each contract in lieu of combining items from different contracts under the same invoice. Invoice quantities, description of work, services or goods, unit of measure, pricing and/or catalog information must correspond to the items on the accepted Price List or Proposal Pages or of the Bid Documents. If invoicing Price List/Catalog items, indicate Price List/Catalog number, item number, Price List/Catalog date and Price List/Catalog page number on the invoice.

3.2.1.3. Payment

The City will process payment within sixty (60) calendar days after receipt of invoices and all supporting documentation necessary for the City to verify the satisfactory delivery of work, services or goods to be provided under this Contract.

Contractor may be paid, at the City's option, by electronic payment method. If the City elects to make payment through this method, it will so notify the Contractor, and Contractor agrees to cooperate to facilitate such payments by executing the City's electronic funds transfer form, available for download from the City's website at:

http://www.cityofchicago.org/content/dam/city/depts/fin/supp_info/DirectDepositCityVendor.pdf.

The City reserves the right to offset mistaken or wrong payments against future payments.

The City will not be obligated to pay for any work, services or goods that were not ordered with a Purchase Order or that are non-compliant with the terms and conditions of the Contract Documents. Any goods, work, or services which fail tests and/or inspections are subject to correction, exchange or replacement at the cost of the Contractor.

3.2.1.4. Electronic Ordering and Invoices

The Contractor will cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to price lists/catalogs, purchase orders, releases and invoices. The electronic ordering and invoice documents will be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The CPO reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor will ensure that the essential information, as determined by the CPO, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents. The electronic documents will be in addition to paper documents required by this Contract, however, by written notice to the Contractor, the CPO may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

3.2.1.5. City Right to Offset

The City may offset against any invoice from Contractor any costs incurred by the City as a result of event of default by Contractor under this Contract or otherwise resulting from Contractor's performance or non-performance under this Contract, including but not limited to any credits due as a result of over-billing by Contractor or overpayments made by the City. If the amount offset is insufficient to cover those costs, Contractor is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

3.2.1.6. Records

Upon request the Contractor must furnish to the City such information related to the progress, execution, and cost of the Services. All books and accounts in connection with this Contract must be open to inspection by authorized representatives of the City. The Contractor must make these records available at reasonable times during the performance of the Services and will retain them in

a safe place and must retain them for a period that is the longer of five (5) years or as required by relevant retention schedules after the expiration or termination of the Contract.

3.2.1.7. Audits

3.2.1.7.1. City's Right to Conduct Audits

The City may, in its sole discretion, audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Contract or within five years after the Contract ends, in connection with the goods, work, or services provided under this Contract. Each calendar year or partial calendar year may be deemed an "audited period".

3.2.1.7.2. Recovery for Over-Billing

If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and, depending on the facts, also some or all of the cost of the audit, as follows:

If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to reimburse the City in accordance with the foregoing is an event of default under this Contract, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.2.2. Subcontractor Payment Reports

The Contractor must report payments to Subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City to the Contractor for services performed, on the first day of each month and every month thereafter, email and/or fax notifications will be sent to the Contractor with instructions to report payments to Subcontractors that have been made in the prior month. This information must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

Once the Contractor has reported payments made to each Subcontractor, including zero dollar amount payments, the Subcontractor will receive an email and/or fax notification requesting that they log into the system and confirm payments received.

All monthly confirmations must be reported on or before the twentieth (20th) day of each month. Contractor and Subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

All contracts between the Contractor and its Subcontractors must contain language requiring the Subcontractors to respond to email and/or fax notifications from the City requiring them to report payments received from the Contractor.

Access to the Certification and Compliance Monitoring System (C2), which is a web-based reporting system, can be found at: <https://chicago.mwdbe.com>

(Note: This site works for reporting all Subcontractor payments regardless of whether they are MBE/WBE/DBE or non-certified entities.)

If a Subcontractor has satisfactorily performed in accordance with the requirements of the Contract, Contractor must pay Subcontractor for such work, services, or materials within seven (7) calendar days

of Contractor receiving payment from the City. Failure to comply with the foregoing will be deemed an event of default.

3.2.3. Prompt Payment to Subcontractors

3.2.3.1. Incorporation of Prompt Payment Language in Subcontracts

Contractor must state the requirements of these Prompt Payment provisions in all Subcontracts and purchase orders. If Contractor fails to incorporate these provisions in all Subcontracts and purchase orders, the provisions of this Section are deemed to be incorporated in all Subcontracts and purchase orders. Contractor and the Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors. Compliance with this obligation is a condition of Contractor's participation and that of its Subcontractors on this Contract.

3.2.3.2. Payment to Subcontractors Within Seven Days

The Contractor must make payment to its Subcontractors within 7 days of receipt of payment from the City for each invoice.

Provided the Subcontractor's performance has met the terms of the Contract Documents, and that Subcontractor has submitted its request for payment to the Contractor with such documentation as is reasonably necessary to substantiate such performance, the Contractor shall bill the City for such performance when the Contractor is first authorized under the payment schedule of the Contract to submit an invoice to the City for such performance. Contractor may only invoice the City at the rates contained in the Contract Documents.

3.2.3.2.1. Reporting Failures to Promptly Pay

The City posts payments to prime contractors on the web at

<http://webapps.cityofchicago.org/VCSearchWeb/org/cityofchicago/vcsearch/controller/payments/begin.do?agencyId=city>.

If the Contractor, without reasonable cause, fails to make any payment to its Subcontractors and material suppliers within 7 days after receipt of payment under a City contract, the Contractor shall pay to its Subcontractors and material suppliers, in addition to the payment due them, interest in the amount of 2% per month, calculated from the expiration of the 7-day period until fully paid.

In the event that a Contractor fails to make payment to a Subcontractor within the 7-day period required above, the Subcontractor may notify the City by submitting a report form that may be downloaded from the DPS website at:

[http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/StandardFormsAgreements/Failure to Promtly Pay Fillable Form 3 2013.pdf](http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/StandardFormsAgreements/Failure_to_Promtly_Pay_Fillable_Form_3_2013.pdf)

The report will require the Subcontractor to affirm that (a) its invoice to the Contractor was included in the payment request submitted by the contractor to the City and (b) Subcontractor has not, at the time of the report, received payment from the contractor for that invoice. The report must reference the payment (voucher) number posted on-line by the City in the notice of the payment to the contractor.

Subcontractors are hereby reminded that per Chapters 1-21, "False Statements," and 1-22, "False Claims," of the Municipal Code of Chicago, making false statements or claims to the City are violations of law and subject to a range of penalties including fines and debarment.

3.2.3.2.2. Whistleblower Protection

Contractor shall not take any retaliatory action against any Subcontractor for reporting non-payment pursuant to this Sub-Section Error! Reference source not found.. Any such retaliatory action is an event of default under this Contract and is subject to the remedies set forth in Section Error! Reference source not found. hereof, including termination. In addition to those remedies, any retaliatory action by a contractor may result in a contractor being deemed non-

responsible for future City contracts or, if, in the sole judgment of the Chief Procurement Officer, such retaliatory action is egregious, the Chief Procurement Officer may initiate debarment proceedings against the contractor. Any such debarment shall be for a period of not less than one year.

3.2.3.3. Liquidated Damages for Failure to Promptly Pay

Much of the City's economic vitality derives from the success of its small businesses. The failure by contractors to pay their subcontractors in a timely manner, therefore, is clearly detrimental to the City. Inasmuch as the actual damages to the City due to such failure are uncertain in amount and difficult to prove, Contractor and City agree that the Chief Procurement Officer may assess liquidated damages against contractors who fail to meet their prompt payment requirements. Such liquidated damages shall be assessed to compensate the City for any and all damage incurred due to the failure of the Contractor to promptly pay its subcontractors, and does not constitute a penalty. Any and all such liquidated damages collected by the City shall be used to improve the administration and outreach efforts of the City's Small Business Program.

3.2.3.4. Action by the City

Upon receipt of a report of a failure to pay, the City will issue notice to the contractor, and provide the contractor with an opportunity to demonstrate reasonable cause for failing to make payment within applicable period set forth in the Contract. The Chief Procurement Officer, in his or her sole judgment, shall determine whether any cause for nonpayment provided by a contractor is reasonable. In the event that the contractor fails to demonstrate reasonable cause for failure to make payment, the City shall notify the contractor that it will assess liquidated damages. Any such liquidated damages will be assessed according to the following schedule:

First Unexcused Report:	\$50
Second Unexcused Report:	\$100
Third Unexcused Report:	\$250
Fourth Unexcused Report:	\$500

3.2.3.5. Direct Payment to Subcontractors By City

The CPO may notify the Contractor that payments to the Contractor will be suspended if the CPO has determined that the Contractor has failed to pay any Subcontractor, employee, or workman, for work performed. If Contractor has not cured a failure to pay a Subcontractor, employee or workman within 10 days after receipt of such notice, the CPO may request the Comptroller to apply any money due, or that may become due, to Contractor under the Contract to the payment of such Subcontractors, workmen, and employees and the effect will be the same, for purposes of payment to Contractor of the Contract Price, as if the City had paid Contractor directly.

Further, if such action is otherwise in the City's best interests, the CPO may (but is not obligated to) request that the Comptroller make direct payments to Subcontractors for monies earned on contracts and the effect will be the same, for purposes of payment to Contractor of the Contract Price, as if the City had paid Contractor directly. The City's election to exercise or not to exercise its rights under this paragraph shall not in any way affect the liability of the Contractor or its sureties to the City or to any such Subcontractor, workman, or employee upon any bond given in connection with such Contract.

3.2.4. General Price Reduction – Automatic Eligibility for General Price Reductions

If at any time after the Bid Opening Date the Contractor makes a general reduction in the price of any goods, services or work covered by the Contract to its customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to the Contract for the duration of the contract period (or until the price is further reduced). Such price reduction will be effective at the same time and in the same manner as the reduction in the price to customers generally.

For purpose of this provision, a general price reduction will mean any reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding

on this Contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction under this provision.

The Contractor must invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the General Price Reduction provision of the Contract. The Contractor, in addition, must within 10 calendar days of any general price reduction notify the CPO of such reduction by letter. Failure to do so will be an event of default. Upon receipt of any such notice of a general price reduction all participating Departments will be duly notified by the CPO.

Failure to notify the CPO of a General Price Reduction is an event of default, and the City's remedies shall include a rebate to the City of any overpayments.

3.3. Compliance With All Laws

3.3.1. General

Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, regulations, codes, ordinances and executive orders, in effect now or later and as amended whether or not they appear in the Contract Documents.

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in the Contract are deemed inserted in the Contract whether or not they appear in the Contract.

Contractor must pay all taxes and obtain all licenses, certificates, and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to also do so. Failure to do so is an event of default and may result in the termination of this Contract.

3.3.2. Certification of Compliance with Laws

By entering into this Contract with the City, Contractor certifies to the best of its knowledge and belief that it, its principals and any subcontractors used in the performance of this contract, meet City requirements and have not violated any City or sister agency policy, codes, state, federal, or local laws, rules or regulations and have not been subject to any debarment, suspension or other disciplinary action by any government agency. Additionally, if at any time the contractor becomes aware of such information, it must immediately disclose it to the City.

3.3.3. Federal Affirmative Action

It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

Contractor must comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. (1988), as amended. Attention is called to: Exec. Order No. 11,246,30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Exec. Order No. 11,375,32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086,43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 61 01-61 06 (1988); Rehabilitation Act of 1973, 29 U.S.C. sec. 793-794 (1988); Americans with Disabilities Act, 42 U.S.C. sec. 12102 et seq.; and 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal laws, rules, regulations and executive orders.

3.3.4. Civil Rights Act of 1964, Title VI, Compliance With Nondiscrimination Requirements

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

3.3.4.1. Compliance with Federal Nondiscrimination Requirements

The contractor will comply with federal nondiscrimination laws, regulations, and authorities, as they may be amended from time to time ("Acts and Regulations"), which include:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination under Title VI includes discrimination because of limited English proficiency (LEP). (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, prohibits discrimination because of sex in education programs or activities (20 U.S.C. 1681 et seq);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, religion, color, national origin, or sex in any activity carried out with a grant from the FAA).

3.3.4.2. Non-discrimination

The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21 (Nondiscrimination in Federally-Assisted Programs of the US Department of Transportation).

3.3.4.3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment

In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

3.3.4.4. Information and Reports

The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the City or applicable federal agency (e.g. Federal Aviation Administration, Federal Highway Administration, Federal Transit Authority, Transportation Security Administration, Department of Housing and Urban Development, etc.) providing funding to the City department(s) on this contract to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the sponsor or the federal agency, as appropriate, and will set forth what efforts it has made to obtain the information.

3.3.4.5. Sanctions for Noncompliance

In the event of a contractor's noncompliance with the Non-discrimination provisions of this contract, the City will impose such contract sanctions as it or the relevant federal funding agency may determine to be appropriate, including, but not limited to:

- A. Withholding payments to the contractor under the contract until the contractor complies; and/or
- B. Cancelling, terminating, or suspending a contract, in whole or in part.

3.3.4.6. Incorporation of Provisions

The contractor will include the provisions of above paragraphs Error! Reference source not found., "Compliance With Regulations" through Error! Reference source not found. "Incorporation of Provisions" in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the sponsor or the applicable federal agency may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the sponsor to enter into any litigation to protect the interests of the sponsor. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3.3.5. Other Non-Discrimination Requirements

3.3.5.1. Illinois Human Rights Act

3.3.5.1.1. Generally

Contractor must comply with the Illinois Human Rights Act, 775 ILCS 5/1-1 01 et seq., as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 44 Ill. Admin. Code 750 Appendix A.

Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq., as amended; and all other applicable state laws, rules, regulations and executive orders.

3.3.5.1.2. State of Illinois Equal Employment Opportunity Clause

In the event of the Contractor's non-compliance with the provisions of this Equal Employment Opportunity Clause or the Illinois Human Rights Act, the Contractor may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or voided in whole or in part, and

other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this contract, the Contractor agrees as follows:

- A) That Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service; and, further, that he or she will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any underutilization.
- B) That, if Contractor hires additional employees in order to perform this contract or any portion of this contract, Contractor will determine the availability (in accordance with 44 Ill. Admin. Code Part 750) of minorities and women in the areas from which Contractor may reasonably recruit and Contractor will hire for each job classification for which employees are hired in a way that minorities and women are not underutilized.
- C) That, in all solicitations or advertisements for employees placed Contractor or on Contractor's behalf, Contractor will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service.
- D) That Contractor will send to each labor organization or representative of workers with which Contractor has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and 44 Ill. Admin. Code Part 750. If any labor organization or representative fails or refuses to cooperate with the Contractor in Contractor's efforts to comply with the Act and this Part, the Contractor will promptly notify the Illinois Department of Human Rights and the City and will recruit employees from other sources when necessary to fulfill its obligations under the contract.
- E) That Contractor will submit reports as required by 44 Ill. Admin. Code Part 750, furnish all relevant information as may from time to time be requested by the Illinois Department of Human Rights or the City, and in all respects comply with the Illinois Human Rights Act and 44 Ill. Admin. Code Part 750.
- F) That Contractor will permit access to all relevant books, records, accounts and work sites by personnel of the City and the Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Illinois Department of Human Rights's Rules and Regulations.
- G) That Contractor will include verbatim or by reference the provisions of this clause in every subcontract awarded under which any portion of the contract obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of this contract, the Contractor will be liable for compliance with applicable provisions of this clause by subcontractors; and further it will promptly notify the City and the Illinois Department of Human Rights in the event any subcontractor fails or refuses to comply with the provisions. In addition, the Contractor will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

3.3.5.2. Chicago Human Rights Ordinance MCC Ch. 2-160

Contractor must comply with the Chicago Human Rights Ordinance, MCC Ch. 2-160, Sect. 2-160-010 et seq., as amended; and all other applicable municipal code provisions, rules, regulations and executive orders.

Contractor must furnish or shall cause each of its Subcontractors to furnish such reports and information as requested by the Chicago Commission on Human Relations.

3.3.5.3. Business Enterprises Owned by People With Disabilities (BEPD)

Pursuant to MCC 2-92-586, Contractor is strongly encouraged to subcontract with businesses certified as business enterprises owned or operated by people with disabilities ("BEPD") as defined in that section or MCC 2-92-337, and to use BEPD businesses as suppliers.

3.3.6. Wages

Contractor must pay the highest of (1) prevailing wage/Davis-Bacon rate, if applicable; (2) minimum wage specified by Mayoral Executive Order 2014-4; "Living Wage" rate specified by MCC Sect. 2-92-610; (3) Chicago Minimum Wage rate specified by MCC Chapter 1-24, or (4) the highest applicable State or Federal minimum wage.

3.3.6.1. Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts.

If this contract was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. The Minimum Wage to be paid pursuant to the Order as of July 1, 2017 is **\$13.45 per hour**. The Minimum Wage must be paid to:

All employees regularly performing work on City property or at a City jobsite.

All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of \$0.05. Such increase shall remain in effect until any subsequent adjustment is made. On or before June 1, 2015, and on or before every June 1 thereafter, the City shall make available to City Concessionaires a bulletin announcing the adjusted minimum hourly wages for the upcoming year.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment a Base Wage pursuant to Municipal Code of Chicago Sect. 2-92-610 is required for work or services done under this Contract, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

3.3.6.2. Living Wage Ordinance

MCC Sect. 2-92-610 provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to MCC Sect. 2-92-610 and regulations promulgated thereunder:

if the Contractor has 25 or more full-time employees, and if at any time during the performance of the contract the Contractor and/or any subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in (1) and (2) above are met, and will continue thereafter until the end of the Contract term.

As of July 1, 2017 the Base Wage is \$12.30. The current rate can be found on the Department of Procurement Services' website.

Note: As of July 1, 2016, the wage specified by Mayoral Executive Order 2014-1 is higher than the Base Wage rate. Therefore, the higher wage specified by the Executive Order (or other applicable rule or law) must be paid.

Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.

The Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the CPO demonstrating that all Covered Employees, whether employed by the Contractor or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or subcontractors to verify compliance herewith.

Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three years.

Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions above do not apply.

3.3.6.3. Chicago Paid Sick Leave Ordinance

The Paid Sick Leave Ordinance, which is published in the June 22, 2016 Council Journal, pages 27188 – 27197 and which will be codified at MCC 1-24-045, became effective July 1, 2017. Contractor understands that, to the extent that the Ordinance applies to its activities, it must comply with the Ordinance.

3.3.6.4. Equal Pay

The Contractor will comply with all applicable provisions of the Equal Pay Act of 1963, 29 U.S.C. 206(d) and the Illinois Equal Pay Act of 2003, 820 ILCS 112/1, *et seq.*, as amended, and all applicable

related rules and regulations including but not limited to those set forth in 29 CFR Part 1620 and 56 Ill. Adm. Code Part 320.

3.3.7. Economic Disclosure Statement and Affidavit and Appendix A ("EDS")

Pursuant to MCC Ch. 2-154 and 65 ILCS 5/8-10-8.5 any person, business entity or agency submitting a bid or proposal to or contracting with the City of Chicago will be required to complete the Disclosure of Ownership Interests in the EDS. Failure to provide complete or accurate disclosure will render this Contract voidable by the City.

Contractors must complete an online EDS prior to the Bid Opening Date. Contractors are responsible for notifying the City and updating their EDS any time there is a change in circumstances that makes any information provided or certification made in an EDS inaccurate, obsolete or misleading. Failure to so notify the City and update the EDS is grounds for declaring the Contractor in default, terminating the Contract for default, and declaring the Contractor ineligible for future contracts.

Contractor makes certain representations and certifications that the City relies on in its decision to enter into a contract. The Laws and requirements that are addressed in the EDS include the following:

3.3.7.1. Business Relationships With Elected Officials MCC Sect. 2-156-030(b)

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

3.3.7.2. MCC 1-23 and 720 ILCS 5/33E Bribery, Debts, and Debarment Certification

The Contractor or each joint venture partner, if applicable, must complete the appropriate subsections in the EDS which certify that the Contractor or each joint venture partner, its agents, employees, officers and any subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended; Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

Contractor, in performing under this contract shall comply with MCC Sect. 2-92-320, as follows:

No person or business entity shall be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt

of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct; or (d) has violated MCC Sect. 2-92-610; or (e) has violated any regulation promulgated by the Chief Procurement Officer that includes ineligibility as a consequence of its violation; or (f) has committed, within a 24-month period, three or more violations of Chapter 1-24 of the MCC; or (g) has been debarred by any local, state or federal government agency from doing business with such government agency, for any reason or offense set forth in subsections (a), (b), or (c) of this section, or substantially equivalent reason or offense, for the duration of the debarment by such government agency..

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the CPO under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the CPO to reduce, suspend, or waive the period of ineligibility.

3.3.7.3. Federal Terrorist (No-Business) List

Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

3.3.7.4. Governmental Ethics Ordinance 2-156

Contractor must comply with MCC Ch. 2-156, Governmental Ethics, including but not limited to MCC Sect. 2-156-120 pursuant to which no payment, gratuity or offer of employment will be made in connection with any City contract, by or on behalf of a subcontractor to the prime Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this Chapter will be voidable as to the City.

3.3.7.5. Lobbyists

Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

3.3.8. Restrictions on Business Dealings

3.3.8.1. Prohibited Interests in City Contracts

No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the work or services to which this Contract pertains is permitted

to have any personal interest, direct or indirect, in this Contract. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Contract or to any financial benefit to arise from it.

3.3.8.2. Conflicts of Interest

The Contractor covenants that it, and to the best of its knowledge, its subcontractors if any, presently have no interest and will not acquire any interest, direct or indirect, in any enterprise, project or contract which would conflict in any manner or degree with the performance of the work, services or goods to be provided hereunder. The Contractor further covenants that in the performance of the Contract no person having any such interest will be employed, either by Contractor or any subcontractor, to perform any work or services under the Contract or have access to confidential information.

If the City determines that the Contractor does have such a conflict of interest, the City will notify the Contractor in writing, stating the basis for its determination. The Contractor will thereafter have 30 days in which to respond with reasons why the Contractor believes a conflict of interest does not exist. If the Contractor does not respond or if the City still reasonably determines a conflict of interest to exist, the Contractor must terminate its interest in the other enterprise, project, or contract. Further, if the City in the reasonable judgment of the CPO or Commissioner determines that any subcontractor's work or services for others conflicts with the work or services to be provided by them, upon request of the City, Contractor must require that subcontractor to terminate such other work or services immediately.

If Contractor or any subcontractors become aware of a conflict, they must immediately stop work on the activity causing the conflict and notify the City.

If Contractor or any subcontractors ("Contracting Parties") assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals, bid specifications for a project, or other procurement solicitation document, the Contracting Parties must not participate, directly or indirectly, as a prime, subcontractor, subconsultant or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Contract or afterwards. The Contracting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Contracting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

3.3.8.3. Prohibition on Certain Contributions, Mayoral Executive Order 2011-4

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Contract or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Contract or any Other Contract between City and Contractor, and/or (iii) any period in which an extension of this Contract or Other Contract with the City is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Contract; no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Contract, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Contract, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Contract resulting from this specification, the CPO may reject Contractor's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Contractor and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

3.3.9. Debts Owed to the City; Anti-Scofflaw, MCC Sect. 2-92-380

In addition to the certifications regarding debts owed to the City in the EDS, Contractor is subject to MCC Sect. 2-92-380.

Pursuant to MCC Sect. 2-92-380 and in addition to any other rights and remedies (including set-off) available to the City under this Contract or permitted at law or in equity, the City will be entitled to set off a portion of the contract price or compensation due under the Contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and debt means a specified sum of money owed to the City for which the period granted for payment has expired.

However no such debt(s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under the contract if one or more of the following conditions are met:

the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and debts owed to the City and the Contracting party is in compliance with the agreement; or

the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

3.3.10. Other City Ordinances and Policies

3.3.10.1. False Statements

False statements made in connection with this Contract, including statements in, omissions from and failures to timely update the EDS, as well as in any other affidavits, statements or Contract Documents constitute a material breach of the Contract. Any such misrepresentation renders the Contract voidable at the option of the City, notwithstanding any prior review or acceptance by the City of any materials containing such a misrepresentation. In addition, the City may debar Contractor, assert any contract claims or seek other civil or criminal remedies as a result of a misrepresentation (including costs of replacing a terminated Contractor pursuant to MCC Sect. 1-21-010).

3.3.10.2. MacBride Principles Ordinance, MCC Sect. 2-92-580

This law promotes fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

If this contract was let by a competitive bidding process as set forth in the Municipal Purchasing Act for Cities of 500,000 or More Population, in accordance with MCC Sect. 2-92-580 if the primary Contractor conducts any business operations in Northern Ireland, it is hereby required that the Contractor will make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section will not apply to contracts for which the City receives funds administered by the United States Department of Transportation (USDOT) except to the extent Congress has directed that USDOT not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the USDOT.

3.3.10.3. City Hiring Plan Prohibitions

- A. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.
- B. Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a Subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Contract are employees or Subcontractors of Contractor, not employees of the City of Chicago. This Contract is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.
- C. Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Contract, or offer employment to any individual to provide services under this Contract, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Contract, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office.

Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

- D. In the event of any communication to Contractor by a City employee or City official in violation of paragraph B above, or advocating a violation of paragraph C above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Contract. Contractor will also cooperate with any inquiries by OIG Hiring Oversight.

3.3.10.4. Inspector General

It is the duty of any bidder, proposer or Contractor, all Subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Contractor, Subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to MCC Ch. 2-56. Contractor understands and will abide by all provisions of MCC Ch. 2-56.

All subcontracts must inform Subcontractors of this provision and require understanding and compliance with them.

3.3.10.5. Duty to Report Corrupt Activity

Pursuant to MCC 2-156-018, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of Section 1-23-020 of the MCC. Knowing failure to make such a report will be an event of default under this Contract. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

3.3.10.6. Electronic Mail Communication

Electronic mail communication between Contractor and City employees must relate only to business matters between Contractor and the City.

3.3.10.7. EDS Update Obligation

Contractor is required to notify the City and update the EDS whenever there is a change in circumstances that makes any certification or information provided in an EDS inaccurate, obsolete or misleading. Failure to notify the City and update the EDS is grounds for declaring the Contractor in default, termination of the Contract for default, and declaring that the Contractor is ineligible for future contracts.

3.3.10.8. Wheel Tax (City Sticker)

Contractor must pay all Wheel Tax required by Chapter 3-56 of the MCC, as amended from time to time. Contractor should take particular notice of MCC 3-56-020 and MCC 3-56-125 which relate to payment of the tax for vehicles that are used on City streets or on City property by City residents. For the purposes of Chapter 3-56, any business that owns, leases or otherwise controls a place of business within the City wherein motor vehicles or semi-trailers are stored, repaired, serviced, or loaded or unloaded in connection with the business is also considered to be a City resident.

3.3.10.9. Participation By Other Local Government Agencies

If Contractor consents, other local government agencies may be eligible to participate in this Contract pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the Chief Procurement Officer, if such purchases have no net adverse effect on the City and result in no diminished services from the bidder to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from

the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

3.3.11. Compliance with Environmental Laws and Related Matters

3.3.11.1. Definitions

For purposes of this section, the following definitions shall apply:

Environmental Agency: An Environmental Agency is any governmental agency having responsibility, in whole or in part, for any matter addressed by any Environmental Law. An agency need not be responsible only for matters addressed by Environmental Law(s) to be an Environmental Agency for purposes of this Contract.

Environmental Claim: An Environmental Claim is any type of assertion that Contractor or any Subcontractor is liable, or allegedly is liable, or should be held liable, under any Environmental Law, or that Contractor or any Subcontractor has or allegedly has violated or otherwise failed to comply with any Environmental Law. A non-exhaustive list of Environmental Claims includes, without limitation: demand letters, lawsuits and citations of any kind regardless of originating source.

Environmental Law: An Environmental Law is any Law that in any way, directly or indirectly, in whole or in part, bears on or relates to the environment or to human health or safety. A non-exhaustive list of Environmental Laws includes without limitation the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601, *et seq.*, the Resource Conservation and Recovery Act, 42 U.S.C. 6901, *et seq.*, the Hazardous Materials Transportation Act, 49 U.S.C. 5101, *et seq.*, the Clean Air Act, 42 U.S.C. 7401, *et seq.*, the Federal Water Pollution Control Act, 33 U.S.C. 1251, *et seq.*, the Occupational Safety and Health Act, 29 U.S.C. 651, *et seq.*, the Illinois Environmental Protection Act, 415 ILCS 5/1, *et seq.*, the Illinois Occupational Safety and Health Act, 820 ILCS 219/1, *et seq.*, Chapters 7-28 and 11-4 of the Chicago Municipal Code, and all related rules and regulations.

Law(s): The word "Law" or "Laws," whether or not capitalized, is intended in the broadest possible sense, including without limitation all federal, state and local: statutes; ordinances; codes; rules; regulations; administrative and judicial orders of any kind; requirements and prohibitions of permits, licenses or other similar authorizations of any kind; court decisions; common law; and all other legal requirements and prohibitions.

Routine: As applied to reports or notices, "routine" refers to a report or notice that must be made, submitted or filed on a regular, periodic basis (e.g., quarterly, annually, biennially) and that in no way arises from a spill or other release or any kind, or from an emergency response situation, or from any actual, possible or alleged noncompliance with any Environmental Law.

3.3.11.2. Joint Ventures

If Contractor or any Subcontractor is a joint venture, then every party to every such joint venture is deemed a Subcontractor for purposes of this section, which is entitled "Compliance with Environmental Laws and Related Matters" and every subsection thereof.

3.3.11.3. Compliance With Environmental Laws

As part of or in addition to its obligation to observe and comply with all applicable laws, Contractor must observe and comply with all applicable Environmental Laws and ensure that all Subcontractors observe and comply with all applicable Environmental Laws.

Any noncompliance, by Contractor or any Subcontractor, with any Environmental Law during the time that this Contract is effective is an event of default, regardless of whether the noncompliance relates to performance of this Contract. This includes without limitation any failure by Contractor or any Subcontractor to keep current, throughout the term of this Contract, all insurance certificates, permits and other authorizations of any kind that are required, directly or indirectly, by any Environmental Law.

3.3.11.4. Costs

Any cost arising directly or indirectly, in whole or in part, from any noncompliance, by Contractor or any Subcontractor, with any Environmental Law, will be borne by the Contractor and not by the City. This includes, but is not limited to, any cost associated with removal of waste or other material from a facility lacking any required permit. No provision of this Contract is intended to create or constitute an exception to this provision.

3.3.11.5. Proof of Noncompliance; Authority; Cure

Any adjudication, whether administrative or judicial, against Contractor or any Subcontractor, for a violation of any Environmental Law, is sufficient proof of noncompliance, and therefore of an event of default, for purposes of this Contract.

Any citation issued to/against Contractor or any Subcontractor, by any government agent or entity, alleging a violation of any Environmental Law, is sufficient proof of noncompliance for purposes of this Contract, and therefore of an event of default, if the citation contains or is accompanied by, or the City otherwise obtains, any evidence sufficient to support a reasonable conclusion that a violation has occurred.

Any other evidence of noncompliance with any Environmental Law is sufficient proof of noncompliance for purposes of this Contract, and therefore of an event of default, if the evidence is sufficient to support a reasonable conclusion that noncompliance has occurred.

The CPO shall have the authority to determine whether noncompliance with an Environmental Law has occurred, based on any of the foregoing types of proof. Upon determining that noncompliance has occurred, s/he may in his/her discretion declare an event of default and may in his/her discretion offer Contractor an opportunity to cure the event of default, such as by taking specified actions, which may include without limitation ceasing and desisting from utilizing a Subcontractor.

The CPO may consider many factors in determining whether to declare an event of default, whether to offer an opportunity to cure, and if so any requirements for cure, including without limitation: the seriousness of the noncompliance, any effects of the noncompliance, Contractor's and/or Subcontractor's history of compliance or noncompliance with the same or other Laws, Contractor's and/or Subcontractor's actions or inaction towards mitigating the noncompliance and its effects, and Contractor's or Subcontractor's actions or inaction towards preventing future noncompliance.

3.3.11.6. Copies of Notices and Reports; Related Matters

If any Environmental Law requires Contractor or any Subcontractor to make, submit or file any non-Routine notice or report of any kind, to any Environmental Agency or other person, including without limitation any agency or other person having any responsibility for any type of emergency response activity, then Contractor must deliver a complete copy of the notice or report (or, in the case of legally required telephonic or other oral notices or reports, a comprehensive written summary of same) to the Law Department within 24 hours of making, submitting or filing the original report.

Additionally, to the extent not already achieved by Contractor's compliance with this paragraph 3.3.10.6 and paragraph 3.3.10.8, Contractor must notify the Commissioner of the Department, within 24 hours of learning of any of the following:

- (i) any release, suspected release, or threatened release of any waste or other material relating to the work performed under the Contract;
- (ii) any notice of any kind received by Contractor, any Subcontractor, or any employee or agent of Contractor or any Subcontractor, from an Environmental Agency or any other person, of or relating to any release, suspected release, or threatened release of any waste or other material relating to the work performed under the Contract.

This notification must be in writing, must be submitted by a fast method such as email, and must include, to the best of Contractor's knowledge at the time of submittal: the types and amounts of

the waste or other material at issue; the location; the cause and any contributing factors; all actions taken, being taken, and intended to be taken by Contractor and any Subcontractors; and a copy of any notice received by Contractor, any Subcontractor, or any employee or agent of Contractor or any Subcontractor. Contractor must also provide written updates to the Commissioner by email or other method as indicated by the Commissioner whenever Contractor becomes aware of information that is different from or additional to the information provided in the initial notification.

The requirements of this provision apply, regardless of whether the subject matter of the required notice or report concerns performance of this Contract.

Failure to comply with any requirement of this provision is an event of default.

3.3.11.7. Requests for Documents and Information

If the Commissioner requests documents or information of any kind that directly or indirectly relate(s) to performance of this Contract, Contractor must obtain and provide the requested documents and/or information to the Commissioner within 5 business days.

Failure to comply with any requirement of this provision is an event of default.

3.3.11.8. Environmental Claims and Related Matters

Within 24 hours of receiving, or of any Subcontractor's receiving, notice of any Environmental Claim, Contractor must submit copies of all documents constituting or relating to the Environmental Claim to the Law Department. Thereafter, Contractor must submit copies of related documents if requested by the Law Department. These requirements apply, regardless of whether the Environmental Claim concerns performance of this Contract.

Failure to comply with any requirement of this provision is an event of default.

3.3.11.9. Preference for Recycled Materials

To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of any work or services, Contractor must use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 CFR Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 USC § 6962.

3.3.11.10. No Waste Disposal in Public Way MCC 11-4-1600(E)

Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Contract is executory, Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Contract, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the CPO. Such breach and default entitles the City to all remedies under the Contract, at law or in equity.

This section does not limit the Contractor's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Contract.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Contract, and may further affect the Contractor's eligibility for future contract awards.

3.4. Contract Disputes

3.4.1. Procedure for Bringing Disputes to the Department

The Contractor and using Department must attempt to resolve all disputes arising under this Contract in good faith, taking such measures as, but not limited to investigating the facts of the dispute and meeting to discuss the issue(s).

In order to bring a dispute to the Commissioner of a Department, Contractor must provide a general statement of the basis for its claim, the facts underlying the claim, reference to the applicable Contract provisions, and all documentation that describes, relates to and supports the claim. By submitting a Claim, the Contractor certifies that:

- A. The Claim is made in good faith;
- B. The Claim's supporting data are accurate and complete to the best of the person's knowledge and belief;
- C. The amount of the Claim accurately reflects the amount that the claimant believes is due from the City; and
- D. The certifying person is duly authorized by the claimant to certify the Claim.

The Commissioner shall have 30 days from receipt of the Claim to render a written "final decision of the Commissioner" stating the Commissioner's factual and contractual basis for the decision. However, the Commissioner may take an additional period, not to exceed 10 days, to render the final decision. If the Commissioner does not render a "final decision of the Commissioner" within the prescribed time frame, then the Claim should be deemed denied by the Commissioner.

3.4.2. Procedure for Bringing Disputes before the CPO

Only after the Commissioner has rendered a final decision denying the Contractor's claim may a dispute be brought before the CPO.

If the Contractor and using Department are unable to resolve the dispute, prior to seeking any judicial action, the Contractor must and the using Department may submit the dispute to the CPO for an administrative decision based upon the written submissions of the parties. The party submitting the dispute to the CPO must include documentation demonstrating its good faith efforts to resolve the dispute and either the other party's failure to exercise good faith efforts or both parties' inability to resolve the dispute despite good faith efforts.

The decision of the CPO is final and binding. The sole and exclusive remedy to challenge the decision of the CPO is judicial review by means of a common law writ of certiorari.

The administrative process is described more fully in the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago", which are available in City Hall, 121 N. LaSalle Street, Room 103, Bid and Bond Room, and on-line at:

http://www.cityofchicago.org/content/dam/city/depts/dps/RulesRegulations/Dispute_Regulations_2002.pdf

3.5. Events of Default and Termination

3.5.1. Events of Default

In addition to any breach of contract and events of default described within the Contract Documents, the following constitute an event of default:

- A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.
- B. Contractor's material failure to perform any of its obligations under this Contract including the following:
- C. Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services
- D. Failure to have and maintain all professional licenses required by law to perform the Services;
- E. Failure to timely perform the Services;
- F. Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the CPO or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
- G. Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
- H. Discontinuance of the Services for reasons within Contractor's reasonable control;
- I. Failure to update promptly EDS(s) furnished in connection with this Contract when the information or responses contained in it or them is no longer complete or accurate;
- J. Failure to comply with any other term of this Contract, including the provisions concerning insurance and nondiscrimination; and
- K. Any change in ownership or control of Contractor without the prior written approval of the CPO, which approval the CPO will not unreasonably withhold.
- L. Contractor's default under any other Contract it may presently have or may enter into with the City during the life of this Contract. Contractor acknowledges and agrees that in the event of a default under this Contract the City may also declare a default under any such other agreements.
- M. Contractor's repeated or continued violations of City ordinances unrelated to performance under the Contract that in the opinion of the CPO indicate a willful or reckless disregard for City laws and regulations.
- N. Contractor's use of a subcontractor that is currently debarred by the City or otherwise ineligible to do business with the City.

3.5.2. Cure or Default Notice

The occurrence of any event of default permits the City, at the City's sole option, to declare Contractor in default.

The CPO will give Contractor written notice of the default, either in the form of a cure notice ("Cure Notice"), or, if no opportunity to cure will be granted, a default notice ("Default Notice").

If a Cure Notice is sent, the CPO may in his/her sole discretion give Contractor an opportunity to cure the default within a specified period of time, which will typically not exceed 30 days unless extended by the CPO. The period of time allowed by the CPO to cure will depend on the nature of the event of default and the Contractor's ability to cure. In some circumstances the event of default may be of such a nature that it cannot be cured. Failure to cure within the specified time may result in a Default Notice to the Contractor.

Whether to issue the Contractor a Default Notice is within the sole discretion of the CPO and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Contract.

If the CPO issues a Default Notice, the CPO will also indicate any present intent the CPO may have to terminate this Contract. The decision to terminate is final and effective upon giving the notice. If the CPO decides not to terminate, this decision will not preclude the CPO from later deciding to terminate the Contract in a later notice, which will be final and effective upon the giving of the notice or on such later date set forth in the Default Notice.

When a Default Notice with intent to terminate is given, Contractor must discontinue any Services, unless otherwise directed in the notice.

3.5.3. Remedies

After giving a Default Notice, the City may invoke any or all of the following remedies:

- A. The right to take over and complete the Services, or any part of them, at Contractor(s) expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the City would have paid Contractor under the terms and conditions of this Contract for the Services that were assumed by the City as agent for Contractor
- B. The right to terminate this Contract as to any or all of the Services yet to be performed effective at a time specified by the City;
- C. The right to seek specific performance, an injunction or any other appropriate equitable remedy;
- D. The right to seek money damages;
- E. The right to withhold all or any part of Contractor's compensation under this Contract;
- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

3.5.4. Non-Exclusivity of Remedies

The remedies under the terms of this Contract are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

3.5.5. City Reservation of Rights

If the CPO considers it to be in the City(s) best interests, the CPO may elect not to declare default or to terminate this Contract. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Contract, nor does the City waive or relinquish any of its rights.

3.5.6. Early Termination

The City may terminate this Contract, in whole or in part, at any time by a notice in writing from the City to the Contractor. The effective date of termination will be the date the notice is received by the Contractor or the date stated in the notice, whichever is later.

After the notice is received, the Contractor must restrict its activities, and those of its Subcontractors, to activities pursuant to direction from the City. No costs incurred after the effective date of the termination are allowed unless the termination is partial.

Contractor is not entitled to any anticipated profits on services, work, or goods that have not been provided. The payment so made to the Contractor is in full settlement for all services, work or goods satisfactorily provided under this Contract. If the Contractor disputes the amount of compensation determined by the City to be due Contractor, then the Contractor must initiate dispute settlement procedures in accordance with the Disputes provision.

If the City's election to terminate this Contract for default pursuant to the default provisions of the Contract is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be deemed to be an early termination pursuant to this Early Termination provision.

3.6. Department-specific Requirements

Contractor must comply with the relevant user Department's specific requirements in the performance of this Contract if applicable.

3.6.1. Department of Aviation Standard Requirements

For purposes of this section "Airport" refers to either Midway International Airport or O'Hare International Airport, which are both owned and operated by the City of Chicago.

3.6.1.1. Confidentiality of Airport Security Data

Contractor has an ongoing duty to protect confidential information, including but not limited to any information exempt from disclosure under the Illinois Freedom of Information Act such as information affecting security of the airport ("Airport Security Data"). Airport Security Data includes any Sensitive Security Information as defined by 49 CFR Part 1520. Contractor acknowledges that information provided to, generated by, or encountered by Contractor may include Airport Security Data. If Contractor fails to safeguard the confidentiality of Airport Security Data, Contractor is liable for the reasonable costs of actions taken by the City, the airlines, the Federal Aviation Administration ("FAA"), or the Transportation Security Administration ("TSA") that the applicable entity, in its sole discretion, determines to be necessary as a result, including without limitation the design and construction of improvements, procurement and installation of security devices, and posting of guards. All Subcontracts or purchase orders entered into by the Contractor, with parties providing material, labor or services to complete the Work, must contain the language of this section. If the Contractor fails to incorporate the required language in all Subcontracts or purchase orders, the provisions of this section are deemed incorporated in all Subcontracts or purchase orders.

3.6.1.2. Aviation Security

This Contract is subject to the airport security requirements of 49 United States Code, Chapter 449, as amended, the provisions of which govern airport security and are incorporated by reference, including without limitation the rules and regulations in 14 CFR Part 107 and all other applicable rules and regulations promulgated under them. All employees providing services at the City's airports must be badged by the City. (See Airport Security Badges.) Contractor, Subcontractors and the respective employees of each are subject to such employment investigations, including criminal history record checks, as the Administrator of the Federal Aviation Administration ("FAA"), the Under Secretary of the Transportation Security Administration ("TSA"), and the City may deem necessary. Contractor, Subcontractors, their respective employees, invitees and all other persons under the control of Contractor must comply strictly and faithfully with any and all rules, regulations and directions which the Commissioner, the FAA, or the TSA may issue from time to time may issue during the life of this Contract with regard to security, safety, maintenance and operation of the Airport and must promptly report any information regarding suspected violations in accordance with those rules and regulations.

Gates and doors that permit entry into restricted areas at the Airport must be kept locked by Contractor at all times when not in use or under Contractor's constant security surveillance. Gate or door malfunctions must be reported to the Commissioner without delay and must be kept under constant surveillance by Contractor until the malfunction is remedied.

3.6.1.3. Airport Security Badges

As part of airport operations and security, the Contractor must obtain from the airport badging office Airport Security Badges for each of his employees, subcontractors, material men, invitees or any person(s) over whom Contractor has control, which must be visibly displayed at all times while at the airport. No person will be allowed beyond security checkpoints without a valid Airport Security Badge. Each such person must submit signed and properly completed application forms to

receive Airport Security Badges. Additional forms and tests may be required to obtain Airport Drivers Certification and Vehicle Permits. The application forms will solicit such information as the Commissioner may require in his discretion, including but not limited to name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing the form for each employee and subcontractor employee who will be working at the Airport and all vehicles to be used on the job site. Upon signed approval of the application by the Commissioner or his designee, the employee will be required to attend a presentation regarding airport security and have his or her photo taken for the badge. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the Commissioner, within one day of request, the personnel file of any employee who will be working on the project.

As provided in Aviation Security above, in order for a person to have an Airport Security Badge that allows access to the airfield or aircraft, a criminal history record check (CHRC) conducted by the Department of Aviation will also be required. The CHRC will typically include a fingerprint analysis by the Federal Bureau of Investigation and such other procedures as may be required by the TSA.

Airport Security Badges, Vehicle Permits and Drivers Licenses will only be issued based upon properly completed application forms. Employees or vehicles without proper credentials may be removed from the secured area and may be subject to fine or arrest. Contractor will be jointly and severally liable for any fines imposed on its employees or its Subcontractors employees.

In addition to other rules and regulations, the following rules related to Airport Security Badges, Vehicle Permits and Drivers Licenses must be adhered to:

- A. Each person must wear and display his or her Airport Security Badge on their outer apparel at all times while at the airport.
- B. All individuals operating a vehicle on the Aircraft Operations Area (AOA) must be familiar and comply with motor driving regulations and procedures of the State of Illinois, City of Chicago and the Department of Aviation. The operator must be in possession of a valid, State-issued Motor Vehicle Operators Driver's License. All individuals operating a vehicle on the AOA without an escort must also be in possession of a valid Aviation-issued Airport Drivers Permit.
- C. All operating equipment must have an Airport Vehicle Access Permit affixed to the vehicle at all times while operating on the Airport. All required City stickers and State Vehicle Inspection stickers must be valid.
- D. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the Department of Aviation.
- E. The Contractors personnel who function as supervisors, and those that escort the Contractors equipment/operators to their designated work sites, may be required to obtain an added multi-area access designation on their personnel Airport Security Badge which must also be displayed while on the AOA.

3.6.1.4. General Requirements Regarding Airport Operations

3.6.1.4.1. Priority of Airport Operations

Where the performance of the Contract may affect airport operation, the Contractor must cooperate fully with the Commissioner and his representatives in all matters pertaining to public safety and airport operation. Whether or not measures are specifically required by this Contract, the Contractor at all times must maintain adequate protection to safeguard aircraft, the public and all persons engaged in the work and must take such precaution as will accomplish such end, without interference with aircraft, the public, or maintenance and operations of the airport.

The Contractor's attention is drawn to the fact that airport facilities and infrastructure, including but not limited to runways, taxiways, vehicular roadways, loadways, loading aprons, concourses, holdrooms, gates, and passenger right-of-ways, are being used for scheduled and unscheduled civilian air transportation. Arrivals and departures are under the control of the FAA control tower(s). Use of the Airport for air transportation takes precedence over all of the Contractor's operations. No extra compensation will be allowed for any delays brought about by the operations of the Airport which require that Contractor's work must be interrupted or moved from one part of the work site to another.

3.6.1.4.2. Interruption of Airport Operations

If Contractor requires interruption of Airport facilities or utilities in order to perform work, Contractor must notify the Deputy Commissioner in charge of the project at least five (5) working days in advance of such time and must obtain the Deputy Commissioner's approval prior to interrupting the service. Interruption of service must be kept to an absolute minimum, and to the extent practicable the work which occasions such interruptions must be performed in stages in order to reduce the time of each interruption. In case of interruptions of electrical services, service must be restored prior to sunset of the same day.

Prior to start of work, the Contractor must request of the Deputy Commissioner in charge of the project to provide specific requirements and instructions which are applicable to the particular work site areas, including, but not limited to, areas available for storage of any equipment, materials, tools and supplies needed to perform the work. Contractors must advise the Deputy Commissioner in charge of the project of the volume of equipment, materials, tools, and supplies that will be required in the secured areas of the airport in order to make arrangements for inspection of such equipment, materials, tools, and supplies at a security checkpoint.

3.6.1.4.3. Safeguarding of Airport Property and Operations

The Contractor must not permit or allow its employees, subcontractors, material men, invitees or any other persons over whom Contractor has control to enter or remain upon, or to bring or permit any equipment, materials, tools, or supplies to remain upon any part of the work site if any hazard to aircraft, threat to airport security, or obstruction of airport maintenance and operations, on or off the ground, would be created in the opinion of either the Commissioner or the Deputy Commissioner. Contractors must safeguard, and may be required to account for, all items brought beyond a security checkpoint, especially with respect to tools used in a terminal building.

3.6.1.4.4. Work on the Airfield

For any work on the airfield, between sunset and sunrise, any equipment and materials stored outside must be marked with red obstruction lights acceptable to the Commissioner and in conformity with all FAA requirements, including Advisory Circular 150/5345-43F. All obstruction lights must be kept continuously in operation between sunset and sunrise 7 days a week and also during any daylight periods when aircraft ceiling is below 500 feet and visibility is less than 5 miles. Information on ceiling and visibility may be obtained by the Contractor on request at the office of the Deputy Commissioner of Operations or from the FAA Control Tower Operator. Proper compliance with these obstruction light requirements is essential to the protection of aircraft and human life and the Contractor has the responsibility of taking the initiative at all times to be aware of ceiling and visibility conditions, without waiting for the FAA Control Tower Operator or any other City representative to ask the Contractor to post obstruction lights.

For any work on the airfield, the Contractor must furnish aircraft warning flags, colored orange and white, in two sizes, one size 2' x 3' for hand use, and one size 3' x 5'. Each separate group or individual in all work areas, regardless of whether or not near runways, taxiways or aprons, must display a flag which must be maintained vertical at all times. Each truck or other piece of

equipment of the Contractor must have attached to it, in a vertical and clearly visible position, a warning flag of the larger size. Except as otherwise agreed by the Commissioner or his designee, all cranes or booms used for construction work on the airfield must be lowered to ground level and moved 200 feet off the runways, taxiways and aprons during all hours of darkness and during all daylight hours when the aircraft ceiling is below the minimums specified in this section.

The Contractor acknowledges the importance of fully complying with the requirements of this section in order to protect aircraft and human life, on or off the ground. Failure on the part of the Contractor to perform the work in accordance with the provisions of this section and to enforce same with regard to all subcontractors, material men, laborers, invitees and all other persons under the Contractor's control is an event of default.

3.6.1.4.5. Parking Restrictions

Prior to commencing work, the Contractor must provide the Deputy Commissioner in charge of the project with an estimate of the number of vehicles that will require parking. Contractors are encouraged to provide employee parking elsewhere and shuttle their employees to the work site. The Department of Aviation may, but is not required to, provide parking areas for a limited number of vehicles in designated storage areas. All other vehicles must be parked in the public parking lots at the Airport, and there will be no reduced rate or complimentary parking for such vehicles. Employees must not, at any time, park their personal automobiles, no matter how short the duration, in any drive, road, or any other non-parking lot location at the airport. Such vehicles will be subject to immediate towing at the employees expense.

3.6.1.5. General Civil Rights (Airport and Airway Improvement Act of 1982, Section 520)

The contractor agrees that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision binds the contractors from the bid solicitation period through the completion of the contract. This provision is in addition to that required of Title VI of the Civil Rights Act of 1964.

3.6.2. Emergency Management and Communications (OEMC) Security Requirements

3.6.2.1. Identification of Workers and Vehicles

All employees and vehicles working within O.E.M.C facilities must be properly identified. All vehicles and personnel passes will be issued to the Contractor by the Executive Director, as required. Contractor, Subcontractors, and employees must return identification material to the Executive Director upon completion of their respective work within the Project, and in all cases, the Contractor must return all identification material to the Executive Director after completion of the Project. Final Contract Payment will not be made until all passes issued have been returned to O.E.M.C Security.

3.6.2.2. Access to Facilities

For purposes of this section, "employee" refers to any individual employed or engaged by Contractor or by any Subcontractor. If the Contractor, or any employee, in the performance of this Contract, has or will have access to a Office of Emergency Management and Communications (O.E.M.C) facility, the City may conduct such background and employment checks, including criminal history record checks and work permit documentation, as the Executive Director of the Office of Emergency Management and Communications and the City may deem necessary, on the Contractor, any Subcontractor, or any of their respective employees. The Executive Director of the Office of Emergency Management and Communications has the right to require the Contractor to supply or provide access to any additional information the Executive Director deems relevant. Before beginning work on the project, Contractor must:

Provide the City with a list of all employees requiring access to enable the City to conduct such background and employment checks;

Deliver to the City consent forms signed by all employees who will work on the project consenting to the City's and the Contractor's performance of the background checks described in this Section; and

Deliver to the City consent forms signed by all employees who will require access to the O.E.M.C facility consenting to the searches described in this Section.

The Executive Director may preclude Contractor, any Subcontractor, or any employee from performing work on the project. Further, the Contractor must immediately report any information to the Executive Director relating to any threat to O.E.M.C infrastructure or facilities or the water supply of the City and must fully cooperate with the City and all governmental entities investigating the threat. The Contractor must, notwithstanding anything contained in the Contract Documents to the contrary, at no additional cost to the City, adhere, and cause its Subcontractors to adhere, to any security and safety guidelines developed by the City and furnished to the Contractor from time to time during the term of the Contract and any extensions of it.

Each employee whom Contractor wishes to have access to an O.E.M.C facility must submit a signed, completed "Area Access Application" to the O.E.M.C to receive a O.E.M.C Security Badge. If Contractor wishes a vehicle to have access to a O.E.M.C facility, Contractor must submit a vehicle access application for that vehicle. The applications will solicit such information as the Executive Director may require in his discretion, including name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing these forms for each employee who will be working at O.E.M.C facilities and all vehicles to be used on the job site. The Executive Director may grant or deny the application in his sole discretion. The Contractor must make available to the Executive Director, within one (1) day of request, the personnel file of any employee who will be working on the project.

At the Executive Director's request, the Contractor and Subcontractor must maintain an employment history of employees going back five years from the date Contractor began Work or Services on the project. If requested, Contractor must certify that it has verified the employment history as required on the form designated by the Executive Director. Contractor must provide the City, at its request, a copy of the employment history for each employee. Employment history is subject to audit by the City.

3.6.2.3. Security Badges and Vehicle Permits

O.E.M.C Security Badges and Vehicle Permits will only be issued based upon properly completed Area Access Application Forms. Employees or vehicles without proper credentials will not be allowed on O.E.M.C property.

The following rules related to Security Badges and Vehicle Permits must be adhered to:

- A. Each employee must wear and display the O.E.M.C Security Badge issued to that employee on his or her outer apparel at all times.
- B. At the sole discretion of the Executive Director and law enforcement officials, including but not limited to the Chicago Police Department, Cook County Sheriffs Office, Illinois State Police or any other municipal, state or federal law enforcement agency, all vehicles (and their contents) are subject to interior and/or exterior inspection entering or exiting O.E.M.C facilities, and all employees and other individuals entering or exiting O.E.M.C facilities are subject to searches. Vehicles may not contain any materials other than those needed for the project. The Executive Director may deny access to any vehicle or individual in his sole discretion.
- C. All individuals operating a vehicle on O.E.M.C property must be familiar and comply with motor driving regulations and procedures of the State of Illinois and the City of Chicago.

The operator must be in possession of a valid, state-issued Motor Vehicle Operator's Driver License.

- D. All required City stickers and State Vehicle Inspection stickers must be valid.
- E. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the City.
- F. Access to the Work sites will be as shown or designated on the Contract Documents Drawings or determined by the Executive Director. The Executive Director may deny access when, in his sole discretion, the vehicle or individual poses some security risk to O.E.M.C.

3.6.2.4. Gates and Fences

Whenever the Contractor receives permission to enter O.E.M.C property in areas that are exit/entrance points not secured by the City, the Contractor may be required to provide gates that comply with O.E.M.C design and construction standards. Contractor must provide a licensed and bonded security guard, subject to the Executive Director's approval and armed as deemed necessary by the Executive Director, at the gates when the gates are in use. O.E.M.C Security will provide the locks. Failure to provide and maintain the necessary security will result in an immediate closure by O.E.M.C personnel of the point of access.

Stockpiling materials and parking of equipment or vehicles near O.E.M.C security fencing is prohibited.

Any security fencing, gates, or alarms damaged by the Contractor or its Subcontractors must be manned by a licensed and bonded security guard of the Contractor at Contractor's expense until the damaged items are restored. Contractor must restore them to their original condition within an eight (8) hour period from the time of notice given by the Executive Director.

Temporary removal of any security fencing, gate or alarm to permit construction must be approved by the Executive Director, and Contractor must man the site by a licensed and bonded security guard, approved by and armed as deemed necessary by the Executive Director, at Contractor's expense, on a twenty-four (24) hour basis during the period of temporary removal. Contractor must restore the items removed to their original condition when construction is completed.

3.6.2.5. Hazardous or Illegal Materials

Unauthorized hazardous or illegal materials, including but not limited to hazardous materials as defined in 49 C.F.R. Parts 100-185 (e.g. explosives, oxidizers, radiological materials, infectious materials), contraband, firearms and other weapons, illegal drugs and drug paraphernalia, may not be taken on O.E.M.C property. Alcoholic beverages are also prohibited.

3.6.3. Chicago Police Department Security Requirements

As part of Police operations and security, the Contractor must obtain from the Police Department, Security Badges for each of its employees, subcontractors, material men, invitees or any person(s) over whom Contractor has control, which must be visibly displayed at all times while at any Police Department facility. No person will be allowed beyond security checkpoints without a valid Security Badge. Each such person must submit signed and properly completed application forms to receive Security Badges. The application forms will solicit such information as the Superintendent may require; including but not limited to name, address, date of birth (driver's license). The Contractor is responsible for requesting and completing the form for each employee and subcontractors employee. The Superintendent may grant or deny the application in his sole discretion. The Contractor must make available to the Superintendent, within one (1) day of request, the personnel file of any employee who will be working on the project.

In addition to other rules and regulations, the following rules related to Security Badges, must be adhered to:

- A. Each person must wear and display his or her Security Badge on their outer apparel at all times while at any Chicago Police Department facility.
- B. Individuals must remain within their assigned area unless otherwise instructed by the Chicago Police Department.

3.6.4. Department of Water Management ("DOWM") Security Requirements

3.6.4.1. Identification of Workers and Vehicles

All employees and vehicles working within DOWM facilities must be properly identified. All vehicles and personnel passes will be issued to the Contractor by the Commissioner, as required. Contractor, Subcontractors, and employees must return identification material to the Commissioner upon completion of their respective work within the Project, and in all cases, the Contractor must return all identification material to the Commissioner after completion of the Project. Final Contract Payment will not be made until all passes issued have been returned to DOWM Security.

3.6.4.2. Access to Facilities

For purposes of this section, "employee" refers to any individual employed or engaged by Contractor or by any Subcontractor. If the Contractor, or any employee, in the performance of this Contract, has or will have access to a Department of Water Management (DOWM) facility, the City may conduct such background and employment checks, including criminal history record checks and work permit documentation, as the Commissioner of the Department of Water Management and the City may deem necessary, on the Contractor, any Subcontractor, or any of their respective employees. The Commissioner of the Department of Water Management has the right to require the Contractor to supply or provide access to any additional information the Commissioner deems relevant. Before beginning work on the project, Contractor must:

Provide the City with a list of all employees requiring access to enable the City to conduct such background and employment checks;

Deliver to the City consent forms signed by all employees who will work on the project consenting to the City's and the Contractor's performance of the background checks described in this Section; and

Deliver to the City consent forms signed by all employees who will require access to the DOWM facility consenting to the searches described in this Section.

The Commissioner may preclude Contractor, any Subcontractor, or any employee from performing work on the project. Further, the Contractor must immediately report any information to the Commissioner relating to any threat to DOWM infrastructure or facilities or the water supply of the City and must fully cooperate with the City and all governmental entities investigating the threat. The Contractor must, notwithstanding anything contained in the Contract Documents to the contrary, at no additional cost to the City, adhere, and cause its Subcontractors to adhere, to any security and safety guidelines developed by the City and furnished to the Contractor from time to time during the term of the Contract and any extensions of it.

3.6.4.3. Security Badges and Vehicle Permits

Each employee whom Contractor wishes to have access to a DOWM facility must submit a signed, completed "Area Access Application" to the DOWM to receive a DOWM Security Badge. If Contractor wishes a vehicle to have access to a DOWM facility, Contractor must submit a vehicle access application for that vehicle. The applications will solicit such information as the Commissioner may require in his discretion, including name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing these forms for each employee who will be working at DOWM facilities and all vehicles to be used on the job site. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the Commissioner, within one (1) day of request, the personnel file of any employee who will be working on the project.

At the Commissioner's request, the Contractor and Subcontractor must maintain an employment history of employees going back five years from the date Contractor began Work or Services on the project. If requested, Contractor must certify that it has verified the employment history as required on the form designated by the Commissioner. Contractor must provide the City, at its request, a copy of the employment history for each employee. Employment history is subject to audit by the City.

DOWM Security Badges and Vehicle Permits will only be issued based upon properly completed Area Access Application Forms. Employees or vehicles without proper credentials will not be allowed on DOWM property.

The following rules related to Security Badges and Vehicle Permits must be adhered to:

- A. Each employee must wear and display the DOWM Security Badge issued to that employee on his or her outer apparel at all times.
- B. At the sole discretion of the Commissioner and law enforcement officials, including but not limited to the Chicago Police Department, Cook County Sheriffs Office, Illinois State Police or any other municipal, state or federal law enforcement agency, all vehicles (and their contents) are subject to interior and/or exterior inspection entering or exiting DOWM facilities, and all employees and other individuals entering or exiting DOWM facilities are subject to searches. Vehicles may not contain any materials other than those needed for the project. The Commissioner may deny access to any vehicle or individual in his sole discretion.
- C. All individuals operating a vehicle on DOWM property must be familiar and comply with motor driving regulations and procedures of the State of Illinois and the City of Chicago. The operator must be in possession of a valid, state-issued Motor Vehicle Operator's Driver License.
- D. All required City stickers and State Vehicle Inspection stickers must be valid.
- E. Individuals must remain within their assigned area and haul routes unless otherwise instructed by the City.
- F. Access to the Work sites will be as shown or designated on the Contract Documents Drawings or determined by the Commissioner. The Commissioner may deny access when, in his sole discretion, the vehicle or individual poses some security risk to DOWM.

3.6.4.4. Gates and Fences

Whenever the Contractor receives permission to enter DOWM property in areas that are exit/entrance points not secured by the City, the Contractor may be required to provide gates that comply with DOWM design and construction standards. Contractor must provide a licensed and bonded security guard, subject to the Commissioner's approval and armed as deemed necessary by the Commissioner, at the gates when the gates are in use. DOWM Security will provide the locks. Failure to provide and maintain the necessary security will result in an immediate closure by DOWM personnel of the point of access.

Stockpiling materials and parking of equipment or vehicles near DOWM security fencing is prohibited.

Any security fencing, gates, or alarms damaged by the Contractor or its Subcontractors must be manned by a licensed and bonded security guard of the Contractor at Contractor's expense until the damaged items are restored. Contractor must restore them to their original condition within an eight (8) hour period from the time of notice given by the Commissioner.

Temporary removal of any security fencing, gate or alarm to permit construction must be approved by the Commissioner, and Contractor must man the site by a licensed and bonded security guard, approved by and armed as deemed necessary by the Commissioner, at Contractor's expense, on a

twenty-four (24) hour basis during the period of temporary removal. Contractor must restore the items removed to their original condition when construction is completed.

3.6.4.5. Hazardous or Illegal Materials

Unauthorized hazardous or illegal materials, including but not limited to hazardous materials as defined in 49 C.F.R. Parts 100-185 (e.g. explosives, oxidizers, radiological materials, infectious materials), contraband, firearms and other weapons, illegal drugs and drug paraphernalia, may not be taken on DOWM property. Alcoholic beverages are also prohibited.

ARTICLE 4. SPECIAL CONDITIONS FOR FEDERALLY FUNDED SERVICES

Contractor must also comply with the following terms and conditions where Services are funded in whole or in part by any federal funds including but not limited to FHWA and FTA; where any City provisions may contradict a federal requirement, the federal requirement will take precedence.

4.1. Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22 Contractor must not admit any member of or delegate to the United States Congress to any share or part of this Contract or to any benefit derived from it.

4.2. False or Fraudulent Statements and Claims

Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Contract. Accordingly, Contractor, by signing this Contract, certifies or affirms the truthfulness and accuracy of any statement it has made, it presently makes, or it may make pertaining to this Contract, including without limitation any invoice for its Services. In addition to other penalties that may be applicable, Contractor also acknowledges that if it makes a false, fictitious or fraudulent claim, statement, submission or certification, the federal government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on Contractor to the extent the federal government (the "Government") considers appropriate.

4.3. Environmental Laws and Regulations

Contractor recognizes that many federal, state and City laws imposing environmental and resource conservation requirements may apply to this Contract. Some, but not all, of the major laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. Contractor also recognizes that U.S. Environmental Protection Agency, U.S. Department of Transportation, the Illinois Environmental Protection Agency, the City and other government agencies have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect this Contract. Thus, Contractor must adhere to, and impose on its Subcontractors, any such requirements as the federal, state and City governments may now or in the future promulgate. Requirements of particular concern are listed below. Contractor acknowledges that this list does not constitute Contractor's entire obligation to meet all government environmental and resource conservation requirements. Contractor must

4.4. Environmental Protection

Contractor must comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No.12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; United States Department of Transportation statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and United States Department of Transportation regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.

4.5. Air Quality

Contractor must comply with all applicable standards, orders, and regulations issued under the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, Contractor must comply with applicable requirements of U.S. EPA regulations, "Conformity to State or Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. Contractor must report and require each Subcontractor to report

any violation of these requirements resulting from any activity related to the implementation of this Contract to the City and the appropriate U.S. EPA Regional Office.

4.6. Clean Water

Contractor must comply with all applicable standards, orders, or regulations issued under the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. Contractor must report and require each Subcontractor to report any violation of these requirements resulting from any activity related to the implementation of this Contract to the City and the appropriate U.S. EPA Regional Office.

4.7. List of Violating Facilities

Contractor must not use any facility in the performance of this Contract or benefit any facility through its performance of this Contract that is listed on the U.S. EPA List of Violating Facilities ("List"), and Contractor must promptly notify the City if Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.

4.8. Energy Policy and Conservation Act

To the extent applicable, Contractor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the State of Illinois energy conservation plan issued in compliance with the Energy Policy and Conservation Act, Pub. L. 94-163, 89 Stat. 871.

4.9. Anti-Lobbying and Debarment

By submitting and executing the Economic Disclosure Statement, Contractor certifies that it is in compliance with federal restrictions on lobbying and that neither it nor, if a joint venture, any of its joint venture members or their principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Contractor further agrees that it will include this clause and the certification without modification in all solicitations and subcontracts. If Contractor or any Subcontractor is unable to certify to this clause, it must provide a written explanation of its inability.

The certifications in the Economic Disclosure Statement are material representations of facts relied upon by the City. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the FTA, FHWA, or FAA, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

4.10. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by federal law, Contractor must comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any funds received under this Contract to support subcontracts procured using exclusionary or discriminatory specifications.

4.11. Preference for Recycled Products

To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the Services, Contractor will use recycled products in performance of this Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement Section 6002 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6962, as amended.

4.12. Cargo Preference – Use of United States Flag Vessels

Contractor must comply with U.S. Maritime Administration regulations, "Cargo- Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract involving equipment, materials or commodities suitable for transport by ocean vessel.

4.13. Buy America

To the extent applicable, Contractor must comply with 49 U.S.C. § 5323(j), and related regulations at 49 C.F.R. Part 661, and include clauses requiring its Subcontractors to comply with the requirements of 49 U.S.C.

§ 5323(j), and related regulations at 49 C.F.R. Part 661, in all of Contractor's subcontracts with its Subcontractors.

4.14. Fly America

Contractor must comply with 49 U.S.C. § 40118, and related regulations at 41 C.F.R. Part 301-10, regarding use of United States air carriers, and include clauses requiring its Subcontractors to comply with the requirements of 49 U.S.C. § 40118, and related regulations at 41 C.F.R. Part 301-10, in all of Contractor's subcontracts with its Subcontractors.

4.15. Seismic Safety

Contractor agrees that any new building or addition to an existing building will be designed and constructed in accordance with the standards for Seismic Safety required in Department of Transportation Seismic Safety Regulations 49 CFR Part 41 and will certify to compliance to the extent required by the regulation. The Contractor also agrees to ensure that all work performed under this contract including work performed by a subcontractor is in compliance with the standards required by the Seismic Safety Regulations and the certification of compliance issued on the project.

4.16. No Federal Obligations to Third Parties

Contractor agrees that, absent the federal government's express written consent, the federal government is not subject to any obligations or liabilities to Contractor or any other person or entity not a party to the Grant Contract or Cooperative Agreement between the City and the federal government, which is a source of funds for this Contract. Notwithstanding any concurrence provided by the federal government in or approval of any solicitation or agreement, the federal government continues to have no obligations or liabilities to any party, including Contractor.

The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

4.17. Federal Changes-FTA

If this contract is funded by the FTA, Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between City and FTA, as they may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

4.18. Contract Work Hours and Safety Standards Act

Contractor must comply, and must cause its Subcontractors to comply, with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act, 40 U.S.C. § 327 et seq., to the extent applicable. In accordance with the Contract Work Hours and Safety Standards Act, Contractor agrees that, if applicable, the wages of every laborer and mechanic employed by Contractor or its Subcontractors during the performance of this Contract will be computed on the basis of a standard work week of 40 hours, and that each laborer and mechanic will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in a work week. Contractors acknowledge that determinations pertaining to these requirements will be made in accordance with applicable U.S. of Labor regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.

- A. Overtime requirements - No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

- B. Violation; liability for unpaid wages; liquidated damages - In the event of any violation of the clause set forth in paragraph (A) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (A) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (A) of this section.
- C. Withholding for unpaid wages and liquidated damages - The City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (B) of this section.
- D. Subcontracts - The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (A) through (D) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (A) through (D) of this section.

4.19. Disadvantaged Business Enterprise – City Requirements

The Contractor must comply with the "Special Conditions Regarding Disadvantaged Business Enterprise Commitment" included in the contract documents in Article 7.

Contractor is encouraged to utilize financial institutions owned and controlled by socially and economically disadvantaged individuals. Use of such institutions may be considered by the City as evidence of Contractor's willingness to do business with DBEs. Information about such institutions is available in the City of Chicago's DBE Program document, which is available on-line at www.cityofchicago.org/Purchasing; a hard copy of the DBE Program document is available at the City of Chicago, Procurement Services, Contracts and Supplies, City Hall, 121 N. LaSalle, Room 806, Chicago, IL 60602.

4.20. Civil Rights

4.20.1. Nondiscrimination

In accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age, or disability. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements the FTA, FHWA, or FAA may issue.

4.20.2. Equal Employment Opportunity

The following equal employment opportunity requirements apply to the underlying contract:

- A. Race, Color, Creed, National Origin, Sex - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq ., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note), and with any applicable Federal statutes, executive orders, regulations, and Federal policies

that may in the future affect construction activities undertaken in the course of the Project. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

- B. Age - In accordance with section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.
- C. Disabilities - In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

The Contractor also agrees to include these requirements in each subcontract financed in whole or in part with Federal assistance provided by US DOT, modified only if necessary to identify the affected parties.

4.21. Access to Records and Reports

The Contractor shall maintain an acceptable cost accounting system. The Contractor agrees to provide the City, the Federal government and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers, and records of the contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than five years after final payment is made and all pending matters are closed, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Contractor agrees to maintain same until the City, the federal agency funding the work, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

Contractor also agrees, to provide the FTA Administrator or his authorized representatives including any PMO Contractor access to Contractor's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

4.22. Breach of Contract Terms

Any violation or breach of terms of this contract on the part of the contractor or their subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement. The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4.23. Energy Conservation Requirements

The Contractor agrees to comply with mandatory standards and policies relating to energy efficiency that are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

4.24. The Drug-Free Workplace Act of 1988, Pub. L. No. 200-690

Contractor is obligated to keep its work place free of illegal drugs and must take steps such as the following to ensure compliance with The Drug-Free Workplace Act:

(1) publish a statement and notify employees in writing that illegal drugs are prohibited in the work place; (2) publish and notify employees of the action the Contractor will take against violators of the drug prohibition policy; (3) establish a drug-free awareness program for employees; (4) notify employees that compliance with the drug prohibition is a condition of employment, and that employees must notify the Contractor of any violation of Federal or state drug abuse statutes occurring in the work place within 5 days of conviction; (5) notify the City within 10 days of receipt of an employee conviction notice; (6) take appropriate personnel action within 30 days of receipt of an employee conviction notice; (7) require that the convicted employee participate in an approved drug abuse assistance or rehabilitation program; and (8) make a good faith effort to maintain a drug-free work place during the term of this Contract.

4.25. Program Fraud and False or Fraudulent Statements or Related Acts.

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq . and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the federal-assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by a USDOT administration including FTA or FHWA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by any USDOT administration including FTA or FHWA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

4.26. Safe Operation of Motor Vehicles

4.26.1. Seat Belt Use

The Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles. The term "company-owned" and "company-leased" refer to vehicles owned or leased by the Contractor.

4.26.2. Distracted Driving

The Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this Contract.

4.27. Incorporation of Federal Transit Administration (FTA) Terms

The preceding provisions include, in part, certain Standard Terms and Conditions required by US DOT, whether or not expressly set forth in the preceding contract provisions. If this Contract is funded by the FTA, all contractual provisions required by US DOT, as set forth in FTA Circular 4220.1F are hereby incorporated by reference. Anything to the contrary herein notwithstanding, if this Contract is funded by the FTA all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this

Contract. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any City requests which would cause City to be in violation of the FTA terms and conditions.

ARTICLE 5. TERMS AND CONDITIONS FOR PROFESSIONAL SERVICES CONTRACTS

5.1. Providing Services

The Contractor must not honor any verbal requests for Services or perform or bill for any Services without receipt of a written Purchase Order issued by the Department. Any work performed by the Contractor without a written Purchase Order is done at the Contractor's risk. Consequently, in the event a written Purchase Order is not provided by the City, the Contractor releases the City from any liability whatsoever to pay for any work performed provided without a Purchase Order.

If indicated in the Scope or Detailed Specifications, Services will be determined on an as-needed basis and as described on a Task Order Services Request ("TOSR") (which process is described in the Scope or Detailed Specifications). Only if the Contractor has successfully been awarded a Task Order will it then receive a Purchase Order (a.k.a. purchase order release, blanket order release, or sub-order) authorizing the Contractor to perform Services. Purchase Orders will indicate the specification number, purchase order number, project description, milestones, deadlines, funding, and other such pertinent information.

5.2. Standard of Performance

Contractor must perform all Services required of it under this Contract with that degree of skill, care and diligence normally shown by a Contractor in the community performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Contract. Contractor acknowledges that it may be entrusted with or may have access to valuable and confidential information and records of the City and with respect to that information only, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide the City copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Contract.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City's rights against Contractor either under this Contract, at law or in equity.

Contractor shall not have control over, or charge of, and shall not be responsible for, construction means, methods, schedules, or delays, or for safety precautions and programs in connection with construction work performed by others.

To the extent they exist, the City may furnish structural, mechanical, chemical, air, and water pollution and hazardous materials tests, and other laboratory and environmental tests, inspections, and reports required by law or by authorities having jurisdiction over any work, or reasonably requested by Contractor.

In the event Contractor's Services include any remodeling, alteration, or rehabilitation work, City acknowledges that certain design and technical decisions shall be made on assumptions based on available documents and visual observations of existing conditions.

5.3. Deliverables

In carrying out its Services, Contractor must prepare or provide to the City various Deliverables. "Deliverables" include work product, produced by Contractor, including but not limited to written reviews, reports, recommendations, charts, analysis, designs, plans, specifications, drawings, or other similar products.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Contract or reasonably necessary for the purpose for which

the City made this Contract. If the City determines that Contractor has failed to comply with the foregoing standards, the City has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Contract.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Contract and the City's acceptance of partial or incomplete Deliverables in no way relieves Contractor of its commitments under this Contract.

5.4. Additional Services

Additional Services means those Services which are within the general scope of Services of this Contract, but beyond the description of services in the Detailed Specifications and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Contract. Any Additional Services requested by the Department require the approval by the City through a formal amendment pursuant to Section 3.4.9 of the Standard Terms and Conditions before Contractor is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services.

5.5. Timeliness of Performance

Contractor must provide the Services and Deliverables within the term and within the time limits required under this Contract, pursuant to Detailed Specifications or as specified in the applicable Task Order or Purchase Order. Further, Contractor acknowledges that TIME IS OF THE ESSENCE and that the failure of Contractor to comply with the time limits may result in economic or other losses to the City.

Neither Contractor nor its agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Contractor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

5.6. Suspension

The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Contract upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions of this Contract.

No suspension of this Contract is permitted in the aggregate to exceed a period of 45 days within any one year of this Contract. If the total number of days of suspension exceeds 45 days, Contractor by written notice to the City may treat the suspension as an early termination of this Agreement under the "Standard Terms and Conditions."

5.7. Personnel

5.7.1. Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Contract, assign and maintain during the term of this Contract and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. The level of staffing may be revised from time to time by notice in writing from Contractor to the City with a detailed explanation and/or justification only with prior written consent of the Commissioner, which consent the Commissioner will not withhold unreasonably. The City may also from time to time request that the Contractor adjust staffing levels to reflect workload and level of required Services or Additional Services.

5.7.2. Key Personnel

In selecting the Contractor for this Contract the City relied on the qualifications and experience of those persons identified by Contractor by name as performing the Services ("Key Personnel"). Contractor must not reassign or replace Key Personnel without the written consent of the Commissioner, which consent the Commissioner will not unreasonably withhold. The Commissioner may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Contract by one or more Key Personnel. Upon that notice Contractor must immediately suspend the services of such person(s) and provide a replacement of comparable qualifications and experience who is acceptable to the Commissioner. Contractor's Key Personnel, if any, are identified in the Scope of Services / Detailed Specifications portion of this Contract.

5.7.3. Salaries and Wages

Contractor and any subcontractors must pay all salaries and wages due all employees performing Services under this Contract unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Contract Contractor underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this paragraph is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

5.8. Ownership of Documents

Except as otherwise agreed to in advance by the Commissioner in writing, all Deliverables, data, findings or information in any form prepared or provided by Contractor or provided by City under this Contract are property of the City, including all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at Contractor's expense. If not restorable, Contractor must bear the cost of replacement and of any loss suffered by the City on account of the destruction. Notwithstanding the foregoing, Contractor shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed to be a transfer of rights which are not owned by Contractor.

5.9. Copyright Ownership and other Intellectual Property

Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City's instance and expense under this Contract are conclusively considered "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq., and that the City will be the sole copyright owner of the Deliverables and of aspects, elements and components of them in which copyright can subsist, and which are owned and transferable by, and of all rights to apply for copyright registration or prosecute any claim of infringement. To the extent that any Deliverable does not qualify as a "work made for hire", Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyright and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Contract and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Notwithstanding the foregoing, Contractor shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed as a transfer of rights, which are not owned by Contractor. Contractor shall have no liability or duty whatsoever for any modification or change of the Deliverables or work, without Contractor's direct involvement and consent.

Contractor will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Contractor warrants to the City, its successors and assigns, that, on the date of delivery, except as expressly stated otherwise in writing to the Commissioner or before that date: (a) Contractor will be the lawful owner of good and marketable title in and to the copyrights for the Deliverables it prepared, (b) Contractor will have the legal rights to fully assign the copyrights, (c) Contractor will not assign any copyrights and will not grant any licenses, exclusive or nonexclusive, to any other party (except pursuant to (3) below), (d) Contractor is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables, (e) the Deliverables will be complete, entire and comprehensive within the standard of performance under Section 2.3 of this Contract, and (f) the Deliverables will constitute works of original authorship.

5.9.1. Patents

If any invention, improvement, or discovery of the Contractor or its Subcontractors is conceived or first actually reduced to practice during performance of or under this Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor must notify the City immediately and provide the City a detailed report regarding such invention, improvement, or discovery. If the City determines that patent protection for such invention, improvement, or discovery should be sought, Contractor agrees to seek patent protection for such invention, improvement, or discovery and to fully cooperate with the City throughout the patent process. The Contractor must transfer to the City, at no cost, the patent in any invention, improvement, or discovery developed under this Contract and any patent rights to which the Contractor purchases ownership with funds provided to it under this Contract.

5.9.2. Indemnity

Without limiting any of its other obligations under this Contract and in addition to any other obligations to indemnify under this Contract, Contractor must, upon request by the City, indemnify, save, and hold harmless the City, and if this Contract is federally funded the Federal Government, and their respective officers, agents, and employees acting within the scope of their original duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use or disposition of any Deliverables furnished under the Contract. The Contractor is not required to indemnify the City or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the City or Federal Government.

5.10. Approvals

Whenever Contractor is required to obtain prior written approval, the effect of any approval that may be granted pursuant to Contractor's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

5.11. Cooperation

Contractor must at all times cooperate fully with the City and act in the City's best interests. If this Contract is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the services, if any, orderly demobilization of its own operations in connection with the services, uninterrupted provision of services during any transition period and must otherwise comply with the reasonable requests and requirements of the City in connection with the termination or expiration.

5.12. Compliance with the Americans with Disabilities Act and Other Laws Concerning Accessibility

Contractor covenants that all designs, plans and drawings produced or utilized under this Contract will address and comply with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities or environmentally limited persons including the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq. and the Americans with Disabilities Act Accessibility

Guidelines for Buildings and Facilities ("ADAAG"); the Architectural Barriers Act, Pub. L. 90-480 (1968), and the Uniform Federal Accessibility Standards ("UFAS"); and the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq., and all regulations promulgated thereunder, see Illinois Administrative Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, Contractor must assure that its designs, plans, and drawings comply with the standard providing the greatest accessibility. Also, Contractor must, prior to construction, review the plans and specifications to insure compliance with these standards. If Contractor fails to comply with the foregoing standards, the City may, without limiting any of its remedies set forth in this contractor or otherwise available at law, in equity or by statute, require Contractor to perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

5.13. Proprietary Products in Designs, 23 CFR 635.411

Contractor shall be mindful of the requirements of 23 CFR 635.411 when preparing designs, if this contract involves FHWA funding, and shall be mindful of similar regulations required by other federal funding sources if other federal funding sources are involved. If federal funding is not involved, Contractor shall advise the City of the necessity for proprietary products to be incorporated in designs and will provide such documentation of that necessity as the City may require.

5.14. Reimbursement for Travel

In the event that reimbursable travel is required for this contract and authorized by the City, any travel expenses will reimbursed only in accordance with the then-current City of Chicago Travel Reimbursement Guidelines. The Guidelines may be downloaded from the Internet at: <http://www.cityofchicago.org/Forms>. The direct link is:

http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/Forms/CityofChicago_TravelGuidelines.pdf.

ARTICLE 6. SCOPE OF WORK AND DETAILED SPECIFICATIONS

6.1. Scope of Services

This Contract is for _____.

More specifically, the Services that Consultant must provide are described in **Exhibit 1**, "Scope of Services and Time Limits for Performance."

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Contract.

6.2. List of Key Personnel

Key Personnel are (or are listed in) _____.

6.3. Term of Performance

This Contract takes effect as of the Effective Date and continues for _____ months, unless terminated earlier pursuant to the Termination provision, or extended according to the terms of the Contract Extension Option provision in the Standard Terms and Conditions article of this Contract, or the Contract Extension Option below.

The City will establish the start and expiration dates at the time of formal award and release of this contract.

6.4. Contract Extension Option [Note to CA: Optional term, delete if not needed]

The City has the option to extend the term of this Contract for two additional _____ -month terms or a single additional _____ - month term beyond the _____ -month term set forth above, subject to acceptable performance by the Contractor and contingent upon the appropriation of sufficient funds for the procurement of services provided for in this Contract.

Before expiration of the then current term, the Chief Procurement Officer will give the Consultant notice, in writing, that the City is exercising its option to renew the Contract for the approaching option period. The date on which the Chief Procurement Officer gives notice is the date the notice is mailed, if it is mailed, or the date the notice is delivered, if sent by courier or messenger service. After notification, the Contract will be amended to reflect the term extension.

The 181 day extension for the purposes of providing continuity of service, described in the Standard Terms and Conditions article of this Contract, may be exercised in lieu of an option period or following the exhaustion of all option periods and does not require formal amendment of the Contract.

6.5. Notices [Note to CA: this provision is needed because there is no "bid" page with contractor's address]

Notices to the City and Contractor will be as provided in the Standard Terms and Conditions. Notices to Contractor will be sent care of the name and to the address listed below:

XXXXXXXXXXXXXX

XXXXXXXXXXXXXX

XXXXXXXXXXXXXX

Fax: XXXXXXXXXX

Attn: XXXXXXXX

6.6. Payment

6.6.1. Basis of Payment

The City will pay Contractor according to the Schedule of Compensation in the attached **Exhibit 2** for the completion of the Services in accordance with this Agreement, including the standard of performance found in "Special Conditions for Professional Services Contracts," above.

6.6.2. Method of Payment

Contractor must submit monthly invoices to the City for costs billed, as outlined in the Schedule of Compensation in **Exhibit 2**. The invoices must be in such detail as the City requests. The City will process

payment within 60 days after receipt of invoices and all supporting documentation necessary for the City to verify the Services provided under this Agreement.

6.6.3. Submission of Invoices [Note to DPS, change/remove if contract IS subject to CIP]

Invoices must be sent to: _____, or as otherwise required by the Department.

Contractor must not submit invoices for less than \$500 unless a particular invoice is for last payment related to closeout of services.

6.6.4. Centralized Invoice Processing [Note to DPS, change/remove if contract IS NOT subject to CIP]

Unless stated otherwise in the Detailed Specifications, this Contract is subject to Centralized Invoice Processing ("CIP"). Invoices must be submitted directly to the Comptroller's office by US Postal Service mail to the following address as appropriate:

Invoices for any City department other than the Department of Aviation:

Invoices
City of Chicago, Office of the City Comptroller
121 N. LaSalle St., Room 700, City Hall
Chicago, IL 60602

Invoices for the Department of Aviation:

Chicago Department of Aviation
10510 W. Zemke Blvd.
P.O. Box 66142
Chicago, IL 60666
Attn: Finance Department

OR

Invoices for any department, including Aviation, may be submitted via email to:
invoices@cityofchicago.org with the word "INVOICE" in the subject line.

All invoices must be signed, marked "original," and include the following information or payment will be delayed:

- Invoice number and date
- Contract/Purchase Order number
- Blanket Release number (if applicable)
- Vendor name and/or number
- Remittance address
- Name of City Department that ordered the goods or services
- Name and phone number of your contact at the ordering department
- Invoice quantities, commodity codes, description of deliverable(s)
- Amount due
- Receipt number (provided by the ordering department after delivery of goods/services)

Invoice quantities, service description, unit of measure, pricing and/or catalog information must correspond to the terms of the Bid Page(s).

If applicable, if invoicing Price List/Catalog items, indicate Price List/Catalog number, item number, Price List/Catalog date, and Price List/Catalog page number on the invoice.

Invoices for over-shipments or items with price/wage escalations will be rejected unless the Contract includes a provision for such an adjustment.

Freight, handling and shipping costs are not to be invoiced; deliveries are to be made F.O.B., City of Chicago. The City of Chicago is exempt from paying State of Illinois sales tax and Federal excise taxes on purchases.

Contractor must not submit invoices for less than \$500 unless a particular invoice is for last payment related to closeout of services.

The City may change its invoice submission and processing procedure during the term of this Contract. Should a change occur, the City will notify Contractor of the new procedure which the Contractor will then be required to follow.

6.6.5. Criteria for payment

The reasonableness, allocability, and allowability of any costs and expenses charged by Contractor under this contract will be determined by the Chief Procurement Officer and the Commissioner in their sole discretion.

In the event of a dispute between Contractor and the City as to whether any particular charge will be paid, or as to whether the amount of such charge is reasonable, allocable to the services under the contract, or allowable, the Contractor must, and the Department may, refer such dispute to the Chief Procurement Officer for resolution in accordance with the Contract Disputes section of this contract. The City will not withhold payment for undisputed sums on such invoice while a dispute is being resolved.

6.7. Funding

The source of funds for payments under this Contract is Fund number _____. Payments under this Agreement must not exceed \$_____ without a written amendment in accordance with the Amendments section of the "Standard Terms and Conditions" above. Funding for this Contract is subject to the availability of funds and their appropriation by the City Council of the City.

CITY OF CHICAGO
Department of Procurement Services
Jamie L. Rhee, Chief Procurement Officer
121 North LaSalle Street, Room 806

Fax: 312-744-3281

**DBE SPECIAL CONDITIONS FOR FAA/FTA/FHWA (IDOT) FUNDED CONTRACTS
CONSTRUCTION, SERVICES, TASK ORDER SERVICES, AND SUPPLY**

ARTICLE 7. SPECIAL CONDITIONS REGARDING DISADVANTAGED BUSINESS ENTERPRISE COMMITMENT

Contractor must comply with the following terms and conditions where Work or Services are funded in whole or in part by any U.S. Department of Transportation ("DOT") federal funds including but not limited to FHWA, FTA and FAA.

7.1. Policy and Terms

In the event of a conflict between these Special Conditions and 49 CFR Part 26, the provisions of 49 CFR Part 26 shall control.

It is the policy of the City that Disadvantaged Business Enterprises (DBEs) as defined in 49 CFR Part 26, have the maximum opportunity to participate fully in the performance of contracts subject to 49 CFR Part 26. Contractor must not discriminate against any person or business on the basis of race, color, national origin or sex in the performance of this Contract. Contractor must carry out applicable requirements of 49 CFR Part 26 in the award and administration of United States Department of Transportation (DOT)-assisted contracts and take affirmative action to ensure that businesses owned by socially and economically disadvantaged individuals have full opportunity to participate.

The City has set an overall DBE Program Goal of 30%.

Failure to carry out the commitments and policies set forth in this Article constitutes a material breach of the Contract and may result in the termination of the Contract or such remedy as the City deems appropriate.

7.1.1. Contract-Specific DBE Participation Goal

The City sets contract-specific goals for participation in furtherance of reaching its overall DBE Program Goal.

For purposes of this contract, the City has set the following contract goal:

Contract DBE Participation Goal: _____ percent.

Note: if this contract is task-order based, goals will be set for the individual task orders; in the context of each task order, these provisions will apply to those task order goals as if they were an overall contract goal.

Award of this contract will be conditioned upon meeting the requirements of 49 CFR 26.53. Among other things, a bid or proposal may be rejected as non-responsive if the bidder/proposer fails to submit one or more of the following with its bid demonstrating its good faith efforts to meet the Contract DBE Participation Goal by reaching out to DBEs to perform work on the contract:

- A. A DBE compliance plan demonstrating how the bidder/proposer plans to meet the Contract DBE Participation Goal (Schedule D, D-1 or D-3 and Schedule(s) C, C-1 or C-3); and/or
- B. Documentation of Good Faith Efforts to obtain DBE participation in this contract.

Note: Schedules D and C are used for contracts for construction work. Schedules D-1 and D-3 are used for contracts for services, and Schedules D-3 and C-3 are used for task order based contracts.

In evaluating the bid/proposal, the Chief Procurement Officer has the option to require bidder/proposer to correct mistakes in the DBE compliance plan or documentation of Good Faith Efforts, if the Chief Procurement Officer determines in his or her sole discretion that the mistakes were made in a bona fide, good-faith effort to provide a compliance plan and not obtaining the correction would be contrary to the intent of the DBE program, or to require bidder/proposer to provide additional information. In the event that corrections or additional information is requested, it must be submitted within

five calendar days of the request unless otherwise specified by the Chief Procurement Officer. Failure to provide requested corrections, information, and/or an adequate explanation may result in rejection of the bid, and forfeiture of the bid deposit if applicable.

The bidder/proposer must make good faith efforts to obtain DBE participation in this contract. The commitment will be reflected in Schedule D, D-1 or D-3. The bidder/proposer must document that it has obtained enough DBE participation to meet the Contract DBE Participation Goal set forth above or, if unsuccessful in doing so, has made adequate Good Faith Efforts to meet the goal (see Section Error! Reference source not found., "Good Faith Efforts"). If awarded the Contract, Contractor must expend not less than the committed percentage of the total Contract Price (including any amendments and modifications) for contract participation by DBEs.

For purposes of evaluating bidder/proposer's responsiveness, the Contract DBE Participation Goal will be a percentage of the total contract value. The Contract DBE Participation Goal applies to the total value of the contract, inclusive of all amendments and modifications. The Chief Procurement Officer also has the authority to review each proposed contract modification and amendment that by itself or aggregated with previous modification/amendment requests, increases the contract value by 10 percent of the initial award or \$50,000, whichever is greater, for opportunities to increase participation of DBEs already involved in the contract.

The Contract DBE Participation Goal may be met by the bidder/proposer's status as DBE, or by joint venture with one or more DBEs (but only work performed by the DBEs own forces will be counted), or by subcontracting a portion of the work to one or more DBEs, or by purchasing materials used in the performance of the contract from one or more DBEs or by any combination of the foregoing, as further described in Section Error! Reference source not found., "Counting DBE Participation Towards the Contract DBE Participation Goal."

7.1.2. DBE Financial Institutions

Bidder/Proposer is encouraged to use financial institutions owned and controlled by socially and economically disadvantaged individuals. Use of such institutions may be considered by the City as evidence of bidder/proposer's willingness to do business with DBEs. Information about such institutions is available in the City's DBE Program document. In addition, the Illinois Unified Certification Program (IL UCP) Disadvantaged Business Enterprises Directory is available via the Internet at www.cityofchicago.org/dps.

7.1.3. DBE Participation Goals for Contract Modifications

The DBE Participation Goals established at the time of bid/proposal submission shall also apply to any modifications to the Contract after award. This is, any additional work and/or money added to the Contract must also adhere to these Special Conditions requiring Contractor to (sub)contract with DBEs to meet the DBE Participation Goals.

- Contractor must assist the Construction Manager or User Department in preparing its "proposed contract modification" by evaluating the subject matter of the modification and determining whether there are opportunities for DBE participation and at what rates.
- Contractor must produce a statement listing the DBEs that will be utilized on any contract modification. The statement must include the percentage of utilization of the firms. If no DBE participation is available, an explanation of good faith efforts to obtain participation must be included.

The Chief Procurement Officer shall review each proposed contract modification and amendment that by itself or aggregated with previous modification/amendment requests, increases the contract value by ten percent (10%) of the initial award, or \$50,000, whichever is less, for opportunities to increase the participation of DBEs already involved in the Contract.

7.2. Definitions and Usage

Terms that are capitalized in these Special Conditions are defined terms and have the meanings set forth in 49 CFR Part 26.5, unless otherwise defined in these Special Conditions or the Contract Documents.

"Area of Specialty" means the description of a DBE firm's business which has been determined by the certifying agency to be most reflective of the DBE firm's claimed specialty or expertise. Each DBE letter of certification contains a description of the firm's Area of Specialty including applicable NAICS codes. This information is also contained in the Directory. Credit toward the Contract DBE Participation Goal is limited to the participation of firms certified in a NAICS code applicable to the kind of work the firm would perform on the project.

NOTICE: The Department of Procurement Services does not make any representation concerning the ability of any DBE to perform work within its Area of Specialty. It is the responsibility of all bidders/proposers to determine the capability and capacity of DBE firms to satisfactorily perform the work proposed.

Certain terms are used in these Special Conditions to indicate the stage of bidding, proposing or contracting in which certain obligations arise. The term "proposer" means a firm responding to a request for proposals by the City for professional or technical services or other procurement not adaptive to competitive bidding; a bidder or proposer becomes a "contractor" after being awarded a contract by the City.

"**Contractor**" also means "Consultant," if Consultant is the term used for the entity that has entered into this agreement or contract with the City.

"**Directory**" means the IL UCP Disadvantaged Business Enterprises Directory, maintained by the City as well as all IL UCP participating agencies, that identifies all firms eligible to participate as DBEs. The Directory lists the firm's name, address, phone number, date of most recent certification and the type of work the firm has been certified to perform as a DBE. The City revises the Directory on a monthly basis. The Directory is available via the internet on the City's web site at www.cityofchicago.org/dps. Bidder/Proposers are responsible for verifying the current certification status of all proposed DBE firms.

"**Disadvantaged Business Enterprise**" or "**DBE**" means a for-profit small business concern that (i) is at least 51 percent owned by one or more individuals who are both socially and economically disadvantaged, or in the case of a corporation, 51 percent of the stock is owned by one or more such individuals; (ii) whose management and daily operations are controlled by one or more of the socially and economically disadvantaged individuals who own it; (iii) the personal net worth of the individuals who own it does not exceed the limit specified at 49 CFR Part 26; and (iv) it has been certified as a DBE in accordance with the procedures set out in 49 CFR Part 26.

"**Joint Venture**" means an association of a DBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which the parties combine their property, capital, efforts, skills and knowledge, and in which the DBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

7.3. Third Party Challenges To Eligibility Of DBE Firm

As noted in 49 CFR Section 26.87, any third party (complainant) may file a complaint alleging that a currently certified DBE is ineligible. The complaint must be made in writing to the City and specify the alleged reasons why the firm is ineligible and include all available information relevant to a determination of whether the challenged party is in fact socially and economically disadvantaged. The City, during its determination of findings, will notify the challenged party of the allegations and notify both parties in writing of the outcome. The confidentiality of the complainant's identity will be protected as provided in 49 CFR Section 26.109(b). If the City determines first, that there were not reasonable grounds presented in the complaint sufficient to justify an inquiry, then the City will notify the complainant and the challenged party of this determination and the reasons for it. During the pendency of any complaint, the presumption that the challenged party is socially and economically disadvantaged will remain in effect.

7.4. Joint Ventures

Bidders/proposers may develop joint venture agreements as an instrument to provide participation by DBEs in contract work. A joint venture may consist of any combination of DBEs and non-certified firms as long as one member is a DBE.

A. The joint venture may be eligible for DBE participation credit towards the Contract Specific Goals only if:

1. The DBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;
2. The DBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;
3. Each joint venture partner executes the bid/contract to the City; and
4. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items 1, 2, and 3 above in this Paragraph A.

B. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive DBE credit for work performed by the DBE joint venture partner(s) equal to the value of work performed by the DBE with its own forces for a distinct, clearly defined portion of the work.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other DBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

C. Schedule B: DBE Affidavit of Joint Venture

Where the bidder/proposer's Compliance Plan includes the participation of any DBE as a joint venture partner, the bidder/proposer must submit with its bid or proposal a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the DBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the DBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

1. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;
2. Work items to be performed by the DBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;
3. Work items to be performed under the supervision of the DBE joint venture partner; and
4. The DBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

Vague, general descriptions of the responsibilities of the DBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the DBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

D. DBE Participation Level in Joint Venture

Credit for participation by DBEs in joint ventures with non-DBEs does not require a minimum participation of 51 percent in venture ownership and control on the part of the DBE. Credit is based on the percentage of the work performed by the DBE's own forces. See Section Error! Reference source not found., "Counting DBE Participation Toward the Contract DBE Participation Goal").

NOTE: The City requires that whenever a joint venture submits a bid/proposal as prime contractor, each joint venturer must separately sign the bid/proposal to the City on the pages marked TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR as applicable.

7.5. Counting DBE Participation Toward The Contract DBE Participation Goal

When a DBE participates in a contract, count only the value of the work actually performed by the DBE toward the DBE Participation Goal, as described in 49 CFR 26.55. To count toward meeting a goal, each DBE firm must be certified in a NAICS code applicable to the kind of work the DBE will perform on the contract.

Refer to this section when preparing the DBE compliance plan and completing Schedule D for guidance on what value of the participation by DBEs will be counted toward the stated DBE Participation Goal. The "Percent Amount of Participation" depends on whether and with whom a DBE subcontracts out any portion of its work and other factors.

Expenditures to a DBE contractor, subcontractor, or supplier may be counted only if the DBE is performing a "commercially useful function" on the contract. The term "commercially useful function" is defined in 49 CFR 26.55(c). If a DBE does not perform or exercise responsibility for at least 30 percent of the total cost of its contract with its own work force, or the DBE

subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, the City will rebuttably presume that the DBE is not performing a commercially useful function.

A contractor (and bidder/proposers in their proposals) may count only the following toward the Contract DBE Participation Goal and should report only the following to the Chief Procurement Officer:

A. The value of the work actually performed by a DBE, as described below:

1. For construction contracts and other contracts not covered by A.2., below:

The entire amount of that portion of a contract that is performed by the DBE's own forces. Include the cost of supplies and materials obtained by the DBE for the work of the contract, including supplies purchased or equipment leased by the DBE (except supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate). (See 49 CFR 26.55(a)(1).)

2. For contracts involving the provision of "bona fide services" (such as professional, technical, consultant or managerial services), or for providing bonds or insurance specifically required for the performance of a DOT-assisted contract:

The entire amount of fees or commissions charged by a DBE for providing a bona fide service, provided that the fee is reasonable and not excessive as compared with fees customarily allowed for similar services. The determination of whether the fee is reasonable and not excessive will be made by the City. (See 49 CFR 26.55(a)(2).)

3. When a DBE subcontracts part of the work of its contract to another firm:

The value of the subcontracted work may be counted toward the Contract DBE Participation Goal only if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward the Contract DBE Participation Goal. (See 49 CFR 26.55(a)(3).)

B. Joint Ventures: When a DBE performs as a participant in a joint venture, the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces is counted towards the Contract DBE Participation Goal. (See 49 CFR 26.55(b).)

C. Materials and Supplies: Regarding expenditures with a DBE for materials or supplies:

1. If the materials or supplies are obtained from a DBE "manufacturer," as that term is described in 49 CFR 26.55(e)(1), 100 percent of the cost of the materials or supplies. A manufacturer is a firm that operates or maintains a factory or establishment that produces, on the premises, the materials, supplies, articles or equipment required under the contract and of the general character described in the specifications.

2. If the materials or supplies are purchased from a DBE "regular dealer," as that term is described in 49 CFR 26.55(e)(2), 60 percent of the cost of the materials or supplies.

3. With respect to materials or supplies purchased from a DBE which is neither a manufacturer nor a regular dealer, the amount of fees or commissions charged for assistance in the procurement of the materials and supplies, or fees or transportation charges for the delivery of materials or supplies required on a job site, provided that the fees are reasonable and not excessive as compared with fees customarily allowed for similar services. Do not count any portion of the cost of materials and supplies themselves.

The City shall determine the amount of credit awarded to a firm for the provisions of materials and supplies (e.g., whether a firm is acting as a regular dealer or a transaction expediter) on a contract-by-contract basis.

D. Trucking Firms: If the DBE manages and supervises the entire trucking operation for which it is responsible on a particular contract and the DBE itself owns and operates at least one fully licensed, insured and operational truck used on the contract and all leased trucks display the name and identification number of the DBE and the lease indicates that the DBE lessee has exclusive use of and control over the truck, or, if the truck is used for work for others with the DBE lessee's consent, then the lease must give the DBE lessee absolute priority over its use, then:

1. The total value of the transportation services a DBE provides on the contract using trucks it owns, insures and operates using drivers it employs.

2. The total value of the transportation services a DBE provides on the contract using trucks leased from another DBE trucking firm, including an owner-operator who is certified as a DBE trucking firm.
3. The total value of transportation services provided by non-DBE leased trucks (trucks leased from a non-DBE firm, including an owner-operator) equipped with drivers, but not to exceed the value of transportation services on the contract provided by DBE-owned trucks or leased trucks with DBE employee drivers. Additional credit by non-DBE owned trucks equipped with drivers receives credit only for the fee or commission it receives as a result of the lease arrangement.

E. Other Considerations:

1. **Firm Not Currently Certified:** If a firm is not currently certified as a DBE in accordance with the standards of 49 CFR Part 26, subpart D, at the time of execution of the contract, do not count or report the firm's participation, except as provided in 49 CFR 26.87(i).
2. **Firm Whose Eligibility Has Been Removed:** Do not report the dollar value of work performed under a contract with a firm after it has ceased to be certified.
3. **Payment:** Do not report the participation of a DBE subcontractor until the amount to be counted toward the goal has been paid to the DBE.
4. **Area of Specialty:** Only the value of the dollars paid to the DBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the DBE Participation Goal.

7.6. Procedure To Determine Bid/Proposal Compliance

The following Schedules and documents constitute the bidder's/proposer's DBE proposal, and must be submitted at the time of submission of proposals unless stated otherwise:

7.6.1. Schedule B: Affidavit of DBE/Non-DBE Joint Venture

Where the bidder/proposer's DBE proposal includes the participation of any DBE as a joint venturer prime or subcontractor, the bidder/proposer must submit, together with its bid/proposal, a Schedule B: Affidavit of DBE/Non-DBE Joint Venture with an attached copy of the joint venture agreement proposed among the parties. See Section Error! Reference source not found., above, "Joint Ventures," for detailed requirements.

7.6.2. Schedule C, C-1 or C-3: Letter of Intent to Perform as a Subcontractor, Consultant, Subconsultant or Material Supplier

Bidder/proposer must submit a Schedule C, C-1 or C-3, for each DBE included on its Schedule D, D-1, or D-3 (including any DBE joint venture partners), signed by the respective DBE firm. Schedule C and D must be used for contracts for construction work, and Schedule C-1 and Schedule D-1 for all other contracts, except for task order based contracts, where Schedule C-3 and Schedule D-3 must be used instead.

Each Schedule C, C-1 or C-3 must accurately detail the work to be performed by the DBE firm and the agreed rates and prices to be paid. Each Schedule must specify the percentage of the dollar value of the DBE's subcontract that will be sublet to non-DBE and DBE contractors and be signed and dated by the DBE. Each Schedule must also include a separate sheet as an attachment on which the DBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the DBE in its Area of Specialty and including the applicable NAICS code(s). If a facsimile copy of Schedule C, C-1 or C-3 has been submitted with the bid or proposal, an executed original Schedule C-1 must be submitted promptly by the bidder/proposer for each DBE included on the Schedule D, D-1 or D-3 after the date of bid or proposal opening.

Failure to submit any Schedule C, C-1, or C-3 as required by this Section will result in a Chief Procurement Officer's determination that a bid or proposal is "non-responsive." The Chief Procurement Officer has the discretion to apply additional suitable sanctions against any bidder/proposer who fails to comply with the requirements of this section. Appropriate sanctions may include, without limitation, forfeiture of the bidder/proposer's bid deposit, or, where fraud is involved, suspension of the bidder/proposer's eligibility to enter into future contracting opportunities with the City.

7.6.3. Schedule D, D-1 or D-3: Affidavit of Prime Contractor Regarding DBEs

Bidders/Proposers must submit at the time specified in the request for proposals, a completed Schedule D or D-1 (or for Task Order based contracts, Schedule D-3, which must be submitted at the time specified in the request for task order proposals) committing them to the utilization of each listed DBE firm (*but see, Section Error! Reference source not found.*,

Good Faith Efforts). The Schedule D, D-1 or D-3 must include the name, address, description of the work to be performed and dollar amount participation of each DBE subcontractor, supplier or consultant.

The bidder/proposer must use "Good Faith Efforts," as that term is described in [Section Error! Reference source not found.](#) to meet the Contract DBE Participation Goal (i.e., the specific dollar amount of participation by each DBE firm included on its Schedule D-1 or D-3). The total dollar commitment to proposed DBE firms should equal the Contract DBE Participation Goal. Bidders/proposers are responsible for calculating the dollar equivalent of the Contract DBE Participation Goal as a percentage of their proposal. All commitments made by the bidder/proposer's Schedule D, D-1 or D-3 must conform to those presented in the submitted Schedule Cs, C-1s or C-3s.

A contractor may not modify its Compliance Plan after proposal opening except as directed by the Department of Procurement Services to correct minor errors or omissions. Bidders/proposers shall not be permitted to add DBEs after proposal opening to meet the Contract DBE Participation Goals, however, contractors are encouraged to add additional DBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial, documented justification is provided, the bidder/proposer or contractor shall not reduce the dollar commitment made to any DBE in order to achieve conformity between the Schedule Cs/C-1s/C-3s and Schedule D/D-1/D-3. All terms and conditions for DBE participation on the contract must be negotiated and agreed to between the bidder/proposer or contractor and the DBE prior to submission of the Compliance Plan. If a proposed DBE ceases to be available after submission of the Compliance Plan, the bidder/proposer or contractor must comply with the provisions of [Section Error! Reference source not found.](#), "DBE Substitutions."

7.6.4. Schedule F: Report of Subcontractor Solicitations

All Bidders/Proposers must submit, together with their bid/proposal, a completed Schedule F report containing information on all subcontractors, DBEs and non-DBEs, solicited for participation in the contract. The Schedule F shall include the following subcontractor information:

Contractor name; Address; Contact person; DBE status; Type of work solicited.

7.6.5. Letters of Certification

A copy of each proposed DBE firm's Letter of Certification from the IL UCP must be submitted with the bid or proposal if currently certified. All Letters of Certification issued by the IL UCP include a statement of the DBE firm's Area of Specialty and NAICS code(s) corresponding to the DBE firm's Area of Specialty. The DBE firm's scope of work, as detailed by its Schedule C, C-1, or C-3 must conform to the NAICS code(s) of its Area(s) of Specialty listed in the Letter of Certification.

NOTE: Failure to submit the following information at the time of submission of bids or proposals (or in the case of task order contracts, the time of submission of task order proposals) will render the bid or proposal non-responsive: the names and addresses of DBE firms that will participate in the contract (Schedule D, D-1 or D-3), a description of the work that each DBE will perform (Schedule D, D-1 or D-3), the dollar amount of the participation of each DBE firm participating (Schedule D, D-1 or D-3), written documentation of the bidder/proposer's commitment to use a DBE subcontractor whose participation it submits to meet a contract goal (Schedule D, D-1 or D-3), written confirmation from the DBE that it is participating in the contract as provided in the prime contractor's commitment (Schedule C, C-1 or C-3), affidavit of joint venture when a DBE participates in the contract for DBE credit as a joint venturer (Schedule B), report on all subcontractors solicited for participation in the contract (Schedule F) and if the Contract goal is not met, evidence of good faith efforts, as set out in [Section Error! Reference source not found.](#), "Good Faith Efforts".

7.6.6. Procedure

- A. The submittals must have all blank spaces on the Schedule pages applicable to the subject specification filled in correctly.

Agreements between a bidder/proposer and a DBE in which the DBE promises not to provide subcontracting quotations to other bidder/proposers are prohibited.

- B. During the period before award, the submitted documentation will be evaluated. As required under 49 CFR 26.109(c), all participants in the DBE Program, including the bidder/proposer, must give, upon request, earnest and prompt cooperation to the using department and the City's Chief Procurement Officer or his or her authorized delegate in submitting to interviews that may be necessary, or in allowing entry to places of business or in providing further documentation, or in soliciting the cooperation of a proposed DBE in providing such assistance. A bid/proposal may be treated as non-responsive by reason of the determination that the bidder/proposer was found to be unresponsive or

uncooperative when asked for further information about the bid/proposal, or that false statements were made in the Schedules.

- C. Bidders/Proposers will not be permitted to modify their DBE proposal except as permitted to do so by the City. All terms and conditions stipulated for prospective DBE sub-contractors or suppliers therefore should be satisfactorily negotiated prior to the submission to the City of the bidder/proposer's DBE commitment as part of the DBE proposal. If circumstances arise, where a proposed DBE becomes no longer available, the process described in Section Error! Reference source not found., DBE Substitutions, should be followed.
- D. When necessary in the interest of time, the City may treat a bid/proposal as non-responsive instead of granting extended time for a bidder/proposer to replace DBEs named in the DBE proposal that are later determined to be ineligible or unavailable.

7.7. Good Faith Efforts

7.7.1. Demonstration of Good Faith Efforts

In order for a bid/proposal to be responsive, at the time specified in the request for bids/proposals, the bidder/proposer must demonstrate it has made Good Faith Efforts to meet the Contract DBE Participation Goal. The demonstration is made in the form of the documentation described in Section Error! Reference source not found., "Documenting Good Faith Efforts." The bidder/proposer can demonstrate it has made Good Faith Efforts to meet the Contract DBE Participation Goal either by:

- A. Meeting the Contract DBE Participation Goal, as provided in these Special Conditions, and documenting commitments for participation by DBE firms sufficient for this purpose; or
- B. Documenting, in the manner described below, adequate Good Faith Efforts to meet Contract DBE Participation Goal. This means bidders/proposers must submit at the time specified in the request for bids/proposals, documentation to show that it took all necessary and reasonable steps to achieve the Contract DBE Participation Goal or other requirements of 49 CFR Part 26, Appendix A, which, by their scope, intensity and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if the bidder/proposer was not fully successful. The following are examples of documented actions the City may consider to determine whether the bidder/proposer made Good Faith Efforts:
 - i. Soliciting through all reasonable and available means (e.g., attendance at pre-bid/proposal meetings, advertising and/or written notices) the interest of all certified DBEs who have the capability to perform the work of the contract. The bidder/proposer must solicit this interest within sufficient time to allow the DBEs to respond to the solicitation. The bidder/proposer must determine with certainty if the DBEs are interested by taking appropriate steps to follow up initial solicitations.
 - ii. Selecting portions of the work to be performed by DBEs in order to increase the likelihood that the Contract DBE Participation Goal will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate DBE participation, even where the prime contractor might otherwise prefer to perform these work items with its own forces.
 - iii. Providing interested DBEs with adequate information about the plans, specifications and requirements of the contract in a timely manner to assist them in responding to a solicitation.
 - iv. Negotiating in good faith with interested DBEs. It is the bidder/proposer's responsibility to make a portion of the work available to DBE subcontractors and suppliers and to select those portions of the work or material needs consistent with the available DBE subcontractors and suppliers, so as to facilitate DBE participation. Evidence of such negotiation includes the names, addresses and telephone numbers of DBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for DBEs to perform the work. A bidder/proposer using good business judgment would consider a number of factors in negotiating with subcontractors, including DBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using DBEs is not in itself sufficient reason for a bidder/proposer's failure to meet the Contract DBE Participation Goal, as long as such costs are reasonable. Also, the ability or desire of a prime contractor to perform the work of a contract within its own organization does not relieve the bidder/proposer of the responsibility to make Good Faith

Efforts. Prime contractors are not, however, required to accept higher quotes from DBEs if the price difference is excessive or unreasonable.

- v. Not rejecting DBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The DBE's standing within its industry, membership in specific groups, organization or associations and political or social affiliation (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the bidder/proposer's efforts to meet the Contract DBE Participation Goal.
- vi. Making efforts to assist interested DBEs in obtaining bonding, lines of credit or insurance as required by the City or the bidder/proposer.
- vii. Making efforts to assist interested DBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.
- viii. Effectively using the services of available minority/women community organizations and contractors' groups; local, state and federal minority/women business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of DBEs.

7.7.2. Documentation of Good Faith Efforts

The following 11 types of documentation, and such other documentation and information as outlined in 49 CFR Part 26, as applicable to the situation, will be considered by the Chief Procurement Officer in determining whether the bidder/proposer has made Good Faith Efforts to meet the Contract DBE Participation Goal. Documentation of Good Faith Efforts must be submitted at the time of submission of proposals or the proposal will be deemed non-responsive.

- A. Copies of each DBE and non-DBE subcontractor quote submitted to the bidder/proposer when a non-DBE subcontractor was selected over a DBE for work on the contract. This must be included in the documentation of Good Faith Efforts whenever a non-DBE subcontractor is selected over a DBE for work on the contract.
- B. A detailed statement of efforts to identify and select portions of work identified in the request for proposals to certified DBE firms. Include copies of attendance logs from pre-bid/proposal meetings, advertisements and written notices, as applicable.
- C. A listing of all DBE firms contacted that includes:
 - names, address and telephone numbers of DBE firms solicited;
 - date and time of contact;
 - method of contact (written, telephone, facsimile transmittal, etc.)
 - name of the person contacted.
- D. Copies of letters or any other evidence of mailing that substantiates outreach to DBE vendors that includes:
 - project identification and location;
 - classification/commodity of work items for which quotations were sought;
 - date, item and location for acceptance of subcontractor bid proposals;
 - detailed statement which summarizes direct negotiations with appropriate DBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
 - affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve the Contract DBE Participation Goal by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on DBE subcontractors for the type of work that was solicited.
- E. Copies of proposed plans for selecting portions of the work to be performed by DBEs in order to increase the likelihood that the Contract DBE Participation Goal will be achieved.
- F. Evidence that the bidder/proposer negotiated in good faith with interested DBEs.
- G. Evidence that the bidder/proposer did not reject DBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities.
- H. Evidence that the bidder/proposer made efforts to assist interested DBEs in obtaining bonding, lines of credit or insurance, as required by the City or the bidder/proposer.

- I. Evidence that the bidder/proposer made efforts to assist interested DBEs in obtaining necessary equipment, supplies, materials or related assistance or services.
- J. Evidence that the bidder/proposer has provided timely notice of the need for subcontractors to at least 50 percent of the DBEs listed in the City's Directory as being certified in the applicable Areas of Specialty. Proof of notification (e.g. certified mail receipt or facsimile transmittal receipt) prior to the date a bidder/proposer's DBE proposal is due is required for any proposal to be deemed responsive. The Chief Procurement Officer may contact the certified DBEs for verification of notification.
- K. Evidence that subcontractor participation is excessively costly. Submit the following:
 - 1. A detailed statement of the work identified for DBE participation for which the bidder/proposer asserts the DBE quote(s) were excessively costly.
 - 2. A listing of all potential subcontractors contacted for a quotation on that work item
 - 3. A copy of every DBE and non-DBE subcontractor quote received for the work item.
 - 4. Calculation of the average price quoted. Subcontractor participation will be deemed excessively costly when the DBE subcontractor proposal exceeds the average price quoted by more than 15 percent.
 - 5. If applicable, other documentation that demonstrates to the satisfaction of the Chief Procurement Officer that the DBE proposals are excessively costly, even though not in excess of 15 percent higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
 - (A) the City's estimate for the work under a specific subcontract;
 - (B) the bidder/proposer's own estimate for the work under the subcontract;
 - (C) an average of the bona fide prices quoted for the subcontract;
 - (D) demonstrated increase in other contract costs as a result of subcontracting to the DBE or other firm.

Note: The City reserves the right to modify this procedure when deemed appropriate.

7.8. Reporting

- A. The Contractor will, not later than fifteen calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the DBEs included in their approved DBE Utilization Plan.
- B. The contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic audit. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth day of each month.
- C. Once the prime contractor has reported payments made to each DBE, including zero dollar amount payments, the DBE will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.
- D. All subcontract agreements between the contractor and DBE firms or any first tier non-certified firm and lower tier DBE firms must contain language requiring the DBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: <https://chicago.mwdbe.com>

- E. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to DBE participation and the status of any DBE performing any

portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

F. The contractor shall maintain records of all relevant data with respect to the utilization of DBEs retaining these records for a period that is the longer of five years or as required by relevant retention schedules after final acceptance of the work. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

G. The contractor must make available upon request a copy of all DBE subcontracts. The contractor must ensure that all subcontracts or agreements with DBEs to supply labor or materials require that the subcontract and all lower tier subcontractors be performed in accordance with the provisions of 49 CFR Part 26.

7.9. Required Assurance

Contractor must comply with, and each subcontract Contractor signs with a subcontractor must include, the following assurance:

The Contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT- assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to, (1) withholding monthly progress payments, (2) assessing sanctions, (3) liquidated damages, and/or (4) disqualifying the Contractor from future bidding as non-responsible.

7.10. DBE Substitutions

A. Arbitrary changes by the bidder/proposer of the commitments earlier certified in the Schedule D, D-1 or D-3 are prohibited. Further, after once entering into each approved DBE subcontract, the bidder/proposer may neither terminate the subcontract, nor reduce the scope of the work to be performed by the DBE, nor decrease the price to the DBE, without in each instance (i) having just cause, including situations where bidder/proposer's contract with the DBE includes termination for convenience; (ii) making Good Faith Efforts to find another DBE subcontractor to substitute for the original DBE (these Good Faith Efforts must be directed at finding another DBE to perform at least the same amount of work under the contract as the DBE that was terminated, to the extent needed to meet the Contract DBE Participation Goal); and (iii) receiving the prior written approval of the City in all instances.

Unless the City provides written approval for the substitution of a DBE, the contractor will not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

1. The bidder/proposer must give the Chief Procurement Officer reasons that justify the bidder/proposer's terminating a DBE, reducing the scope of work to be performed by a DBE, or decreasing the price to a DBE. The substitution procedure will be as follows:

- a) The bidder/proposer/contractor must notify the Chief Procurement Officer as soon as possible in writing of an apparent necessity to reduce or terminate a DBE subcontract and to propose a substitute firm for some phase of work, if needed in order to sustain the fulfillment of the Contract DBE Participation Goal. Prior to submitting notice to the Chief Procurement Officer, bidder/proposer/contractor must give notice in writing to the DBE subcontractor, with a copy to the Chief Procurement Officer, of its intent to request to terminate and/or substitute, and the reason for the request.
- b) Bidder/proposer/contractor must give the DBE five days to respond to the notice, and advise the City and bidder/proposer/contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why the City should not approve the bidder/proposer/contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the City may provide a response period shorter than five days.

2. The bidder/proposer/contractor's notification should include the specific reasons for the proposed substitution. Stated reasons which would be acceptable include the following examples:

- a) The listed DBE subcontractor fails or refuses to execute a written contract;
- b) The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that good cause does not exist if the failure or refusal of the DBE

- subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the prime contractor;
- c) The listed DBE subcontractor fails or refuses to meet the prime contractor's reasonable, nondiscriminatory bond requirements.
 - d) The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness;
 - e) The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant 2 CFR Parts 180, 215 and 1200, or applicable state law;
 - f) The City has determined that the listed DBE subcontractor is not responsible;
 - g) The listed DBE subcontractor voluntarily withdraws from the project and provides to the City written notice of its withdrawal;
 - h) The listed DBE is ineligible to receive DBE credit for the type of work required;
 - i) A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
 - j) Other documented good cause that the City may determine compels the termination of the DBE subcontractor.

The bidder/proposer/contractor's position in these cases must be fully explained and supported with adequate documentation. Stated reasons which will not be acceptable include: A replacement firm has been recruited to perform the same work under terms more advantageous to the prime contractor; issues about performance by the committed DBE were disputed (unless every reasonable effort has already been made to have the issues resolved or mediated satisfactorily); a DBE has requested reasonable price escalation which may be justified due to unforeseen circumstances; or the bidder/proposer seeks to terminate a DBE it relied upon to obtain the contract so that the bidder/proposer can self-perform the work for which the DBE subcontractor was engaged.

3. The bidder/proposer/contractor's notification should include the name, address and principal official of any proposed substitute DBE and the dollar value and scope of work of the proposed subcontract. Attached should be all the same DBE affidavits, documents, and Letter of Intent which are required of bidders, as enumerated in Section, Procedure to Determine Bid Compliance.

4. The City will evaluate the submitted documentation, and respond within fifteen working days to the request for approval of a substitution. The response may be in the form of a request for more information, or a request for an interview to clarify or mediate the problem. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, the City will instead respond as soon as practicable.

4. If termination of a DBE subcontractor is approved; or a DBE subcontractor fails to complete its work on the contract for any reason, bidder/proposer/contractor must make Good Faith Efforts to replace that subcontractor. These good faith efforts shall be directed at finding another DBE to perform at least the same amount of work under the contract as the DBE that was terminated, to the extent needed to meet the contract. The good faith efforts shall be documented by the bidder/proposer. If the City requests documentation, the bidder/proposer/contractor shall submit the documentation within seven days, which may be extended for an additional seven days if necessary at the request of the bidder/proposer/contractor. The City shall provide a written determination to the bidder/proposer/contractor stating whether or not good faith efforts have been demonstrated.

5. Actual substitution of a replacement DBE to fulfill the Contract DBE Participation Goal may not be made before City approval is given of the acceptability of the substitute DBE. A subcontract with the substitute DBE subcontractor must be executed within five working days following the City's approval, and a copy of the DBE subcontract with signatures of both parties to the agreement should be submitted immediately to the City.

- B. The City will not approve extra payment for escalated costs incurred by the bidder/proposer/contractor when a substitution of subcontractors becomes necessary for the bidder/proposer/contractor to comply with the Contract DBE Participation Goal.
- C. The Chief Procurement Officer will make the determination of whether the bidder/proposer/contractor has exercised Good Faith Efforts.

7.11. Non-Compliance

A. Each of the following constitutes a material breach of this contract and entitles the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity:

1. failure to make good faith efforts to satisfy the Contract DBE Participation Goal proposed by the bidder/proposer and accepted by the City; and
2. the contractor, a subcontractor or supplier is disqualified as a DBE, where the status was a factor in the contract award and was misrepresented by the contractor.

If the contractor is determined by the City not to have been involved in any misrepresentation of the status of a disqualified subcontractor or supplier, the contractor must discharge the disqualified subcontractor or supplier and, if possible, identify and engage a qualified DBE as its replacement. Furthermore, contractor's continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. The City may withhold payments due to the contractor until corrective action is taken.

B. When the contract requirements are completed, in the event that the City has determined that the bidder/proposer/contractor failed to comply with the Contract DBE Participation Goal proposed by the bidder/proposer/contractor and accepted by the City, but not to the extent the under- or non-utilization occurs pursuant to Good Faith Efforts approved by the City or approved DBE Substitutions, the City will thereby be damaged in the failure to provide the benefit of participation to DBEs to the degree set forth in the Special Conditions. Therefore, in such case of non-compliance, the City will deduct as liquidated damages cumulative amounts computed as follows:

For each one percent (or fraction thereof) of shortfall toward the Contract DBE Participation Goal, one percent of the base bid for this contract shall be surrendered by the bidder/proposer to the City of Chicago in payment as liquidated damages.

C. For contracts funded in whole or in part by the Federal Aviation Administration only: The contractor's failure to comply with the Contract DBE Participation Goal proposed by the bidder/proposer and accepted by the City, or failure to comply with the provisions of Section Error! Reference source not found., above, "DBE Substitutions," will entitle the affected DBEs to recover from the contractor damages suffered by these DBEs as a result of such under- or non-utilization, but this provision will not apply to the extent the under- or non-utilization occurs pursuant to Good Faith Efforts approved by the City. See Section Error! Reference source not found., "Arbitration (FAA Funded Contracts)."

7.12. Arbitration (FAA Funded Contracts)

A. The contractor hereby agrees that any disputes between the contractor and any affected DBE regarding damages as a result of contractor's under- or non-utilization of the DBE on any contract funded, in whole or in part, by the Federal Aviation Administration may, at the sole discretion of the DBE, be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorneys' fees, being recoverable by a prevailing DBE in accordance with applicable City regulations. This provision is intended for the benefit of any DBEs affected by under- or non-utilization and grants them specific third party beneficiary rights. In cases where deemed appropriate by the Contract Compliance Administrator, notification of a dispute by the affected DBE or prime contractor may lead to the withholding of final contract payouts until the City receives a copy of the final arbitration decision. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including those contained in a subcontract, suborder or communicated orally between a contractor and a DBE.

B. If requested by the DBE, the DBE has the right to arbitrate. A DBE desiring to arbitrate must contact the contractor in writing to initiate the arbitration process. Except as otherwise agreed to in writing by the affected parties, subject to the limitation contained in the last sentence of the previous paragraph, within ten days of the contractor receiving notification of the intent to arbitrate from the DBE the above-described disputes must be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office 150 N. Michigan Avenue, Suite 3050, Chicago, Illinois 60601. (Phone: 312-616-6560; website at: www.adr.org). All such arbitrations must be initiated by the DBE filing a demand for arbitration with the AAA; must be conducted by the AAA; and held in Chicago, Illinois.

C. All fees of the arbitrator are the initial responsibility of the DBE; the arbitrator, however, is authorized to award reasonable expenses, including attorney's and arbitrator fees, as damages to a prevailing DBE.

D. The DBE must send the City a copy of the "Demand for Arbitration" within ten days after it is filed with the AAA. The DBE also must send the City a copy of the decision of the arbitrator within ten days of receiving the decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

7.13. Prime Contractor Assistance

Prime contractors should themselves assist DBEs in overcoming barriers to program participation. The following instruments of assistance, for example, should be used as applicable:

- Developing solicitations of sub-contract bids so as to increase potential DBE participation. This can take the form of breaking down large subcontracts into smaller ones, and of issuing notice of solicitations in a timely manner.
- Providing technical assistance and guidance in the bidding, estimating and scheduling processes.
- Considering purchasing supplies and/or leasing the required equipment for a job, then subcontracting only for the expertise required to perform the work.
- Providing accelerated payments or establishing pro-rated payment and delivery schedules so as to minimize cash flow problems faced by small firms.
- Providing, waiving or reducing subcontractor bonding requirements; allowing stage bonding (bonding carried over from one project stage to the next).
- Providing a pre-bid conference for potential sub-contractors.

In addition to the employment of DBEs, the bidder/proposer should consider the utilization of DBEs in fields indirectly related to the contract, such as banking, office equipment sales, vehicles sales, mechanical repair, legal and accounting services, building security, graphics and advertising, etc.

7.14. Record Keeping

The Contractor shall maintain records of all relevant data with respect to the utilization of DBEs, retaining these records for a period that is the longer of five years or as required by relevant retention schedules after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U. S. Department of Justice, or any duly authorized representatives thereof.

7.15. DBE Financial Institutions

As of August 2016 Illinois has only one certified DBE financial institution, Seaway National Bank.

Other Minority and/or Female Owned Institutions:

- Banco Popular
- First Commercial Bank
- Illinois Federal Savings Bank

7.16. Assistance Agencies

Small business guaranteed loans, surety bond guarantees; 8(a) certification:
